Section II Proposed Rules

DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.:	RULE TITLE:
6A-1.09441	Requirements for Programs and Courses that are Funded Through the Florida Education Finance Program and for Which the Student May Earn Credit Toward High School Graduation

PURPOSE AND EFFECT: The rule establishes the programs and courses that are funded through the Florida Education Finance Program (FEFP) and available for students to take to earn credit toward high school graduation. The programs and courses are listed in the “Course Code Directory and Personnel Assignments”, which is revised on an annual basis prior to the end of the current school year to add new courses, as approved by the Commissioner, remove expired or deleted courses, and provide updates based on current law. The effect will be an updated directory of courses for students to take to earn credit toward high school graduation and for which school districts will be funded through the FEFP.

SUMMARY: Revisions to the “Course Code Directory and Instructional Personnel Assignments” for the 2024-2025 school year will incorporate language for a new classical education teaching certificate, as authorized by Section 1012.55(5), Florida Statutes. Additionally, an update is proposed to Form CCD-01 to update contact information.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: This proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any

other factors listed in s. 120.541(2)(a), F.S., and will not require legislative ratification. No increase in regulatory costs are anticipated as a result of the rule changes. More specifically, deleting obsolete courses will have no effect.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 1001.02(1), 1003.03(6), 1007.2616(8), 1011.62(1)(t), F.S.

RULE NO.: 6A-6.0200
 RULE TITLE: Graduation Alternative to Traditional Education Program

PURPOSE AND EFFECT: The purpose and effect of this rule is to implement SB 7032 (2024), which created the Graduation Alternative to Traditional Education (GATE) Program. The rule will (1) provide definitions, (2) address eligibility and criteria for institutions to enact the GATE program, (3) address eligibility and criteria for students to enroll in the GATE program, (4) adopt by reference the form needed to implement the GATE program, and (5) address reporting requirements for institutions.

SUMMARY: Senate Bill 7032 created the GATE Program, which provides students with alternative pathways to high school graduation and postsecondary education, with a focus on career readiness and skills development. The rule provides eligibility criteria and application procedures for institutions to offer the program.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: This proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any other factors listed in s. 120.541(2)(a), F.S., and will not require legislative ratification. No increase in regulatory costs is anticipated because of this rule.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

6A-6.0200 Graduation Alternative to Traditional Education Program

(1) Purpose. The purpose of this rule is to establish requirements for the Graduation Alternative to Traditional Education (GATE) Program, which is designed to provide students with alternative pathways to graduation and postsecondary education, with a focus on career readiness and skills development.

(2) Definitions.

(a) “Adult secondary education program” means the GED Preparation Program and Adult High School program frameworks adopted by the State Board of Education in Rule 6A.6.0571, F.A.C.

(b) “Career and technical education coursework” means postsecondary career certificate or applied technology diploma courses which are offered as part of a career education program.

(c) “Career education program” means an applied technology diploma program as defined in s. 1004.02(7), F.S., or a career certificate program as defined in s. 1004.02(20), F.S., with adopted frameworks approved by the State Board of Education in Rule 6A-6.0571, F.A.C.

(d) “Concurrent enrollment” means enrollment of a student in an adult secondary education program and career education program in the same academic term.

(e) “Institution” means a school district career center established under s. 1001.44, F.S., a charter technical career center established under s. 1002.34, F.S., or a Florida College System institution identified in s. 1000.21, F.S. The Department will publish a list of these institutions.

(f) “Master Credentials List” means the list of non-degree programs for school districts and Florida College System institutions adopted by the Credentials Review Committee and CareerSource Florida and transmitted to the Department in accordance with s. 445.004, F.S., and adopted by the State Board of Education Rule in 6A-6.0576, F.A.C.

(g) “Withdrawn from high school” means that student has voluntarily withdrawn from all public and private secondary education and is not currently enrolled in a public school, private school or home education program.

(3) Institutional Procedures for Operation of the GATE program. School districts and Florida College System institutions offering the GATE program must maintain written policies and procedures for its operation. These written procedures must include the following:

(a) A student application with attestations and documentation required to determine student eligibility to participate;

(b) Enrollment agreement form signed by the student attesting to their knowledge of the statutory requirements;

(c) Process for review and verification of student eligibility;

(d) Identification of and process for student selection of a CTE program including notification regarding programs in which GATE students may not be eligible due to age or other requirements;

(e) Process for awarding extensions on the three-year enrollment limit in s. 1004.933(4)(b), F.S., due to extenuating circumstances;

(f) Partnership agreements; and,

(g) Communications plan for notification of parents, local workforce boards and other stakeholders of the program availability.

(4) Partnerships for offering the GATE program between district or Florida College System adult education providers and postsecondary career education providers. School districts without eligible institutions identified in subsection (2) may partner with eligible institutions to provide the career education program component. Scholarship funds associated with the GATE participation waiver of tuition and fees shall be provided to the eligible institutions under subsection (2). Both the adult secondary education and career education providers must provide the respective waivers for tuition and other fees. The

partnership agreement should address how scholarship funds received by the postsecondary career education provider will be disbursed to the school district adult secondary education provider.

(5) Program notification. Eligible school districts and Florida College System institutions seeking to offer the GATE program must submit a program notification to the Division of Career and Adult Education and receive approval prior to offering the program. Form FGATE-01, Graduation Alternative to Traditional Education (GATE) Program Summary (DOS link) (effective October 2024) is hereby incorporated by reference and must be utilized for program notification. The form must be accompanied by the district or college’s written policies and procedures for program operation, as identified in subsection (3). Upon approval of the proposed GATE program, an institution is eligible to enroll students in compliance with the requirement in s.1004.933, F.S.

(6) Enrollment requirements. A student must be concurrently enrolled in an adult secondary education program and the career education program in each term of enrollment, unless the student has completed their high school equivalency or adult high school diploma. A career education program must be on the Master Credentials List, valid at the time of the student’s enrollment in the GATE program. If a career education program is removed from the Master Credentials List after the student’s initial enrollment, the student may continue enrollment in that program until completion, subject the enrollment limitations in the statute.

(a) If the district or Florida College System institution does not have enrollment in the summer reporting term for adult education, a student may maintain enrollment in their career education program during that term and enroll in the next term for the adult secondary education program.

(b) If a student terminates their enrollment or is withdrawn for non-attendance from the adult secondary education program without completion of the diploma by the end of the term, their participation in the GATE program is also terminated. However, the district or college may determine whether extraordinary circumstances occurred which required the student’s withdrawal for non-attendance and may allow for re-entry into the GATE program based upon their review.

(7) Reporting requirements for school districts and Florida College System institutions.

(a) For the 2024-25 reporting year, school districts and Florida College System institutions are required to report the following information in a supplemental format as specified by the Department:

1. Student participation in the GATE program including courses taken for the adult secondary and career education programs;

2. Student completion of the high school equivalency diploma or adult high school diploma;

3. Student completion of the career education program selected as part of the GATE program enrollment; and,

4. Industry certifications earned by students as a result of GATE program participation.

(b) Beginning with the 2025-26 reporting year, school districts and Florida College System institutions are required to report GATE program participation, enrollment, and completion data as specified in the database manual reporting manual, in accordance with Rules 6A-1.0014 Comprehensive Management Information System and 6A-1.0015 K-20 Data Warehouse.

(c) For school districts with partnerships identified in subsection (4), the secondary education program must report GATE program participation and the postsecondary career education must be reported by the eligible institution.

RULE NO.: RULE TITLE:

6A-6.0201 State of Florida High School Diplomas

PURPOSE AND EFFECT: The requirements to obtain an underage testing waiver for a 16- or 17-year-old to take the high school equivalency examination are being updated to reflect changes made to s. 1003.435(4), F.S. The changes removed requirements for district school boards to have policies in place that determined eligibility to sit for the exam if an individual was under the age of 18.

SUMMARY: High school equivalency diplomas.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any other factors listed in s. 120.541(2)(a), F.S., and will not require legislative ratification. No increase in regulatory costs are anticipated as a result of the rule changes.

6A-6.0201 State of Florida High School Diplomas

(1) through (9) No change.

(10) Pursuant to the requirements of s. 1003.435, F.S., individuals aged sixteen (16) and seventeen (17) years of age must terminate school enrollment prior to taking the 2014 GED® Test. Effective November 1, 2024, the parent or legal guardian of the individual aged sixteen (16) and seventeen (17) years of age must submit a signed and notarized Underage Testing Form and proof of withdrawal from school to the High School Equivalency Diploma Program office via email at GEDAgeWaiver@fldoe.org before the individual can schedule a sub-test of the 2014 GED® Test. School districts must have an underage waiver policy and procedures for individuals aged sixteen (16) and seventeen (17) years of age to take the official GED® test when certain conditions are met. The policy and procedures must be adopted in the district's pupil progression plan and must be publicly posted on the school district website. Each school district must submit their underage waiver policy and procedures and the web address to which the document is posted to the High School Equivalency Diploma Program office via email at GEDAgeWaiver@fldoe.org by October 1 of every

~~calendar year. At a minimum, the underage waiver policy must include:~~

~~(a) The individual will be notified by GED® when they are cleared to take the 2014 GED® test, school district process by which an individual must apply for the waiver;~~

~~(b) Test scores, and any diplomas based on such scores, that are earned by someone under the age of eighteen (18) not in conformance with this rule will be invalidated. The conditions under which a waiver will be granted by the district;~~

~~(c) An appeals process for denials; and~~

~~(d) The name and contact information of the school district personnel or other authorized individuals who may be contacted regarding questions about the underage waiver process and approval.~~

~~(11) Required form for authorization to test for individuals aged sixteen (16) and seventeen (17). The following form is hereby incorporated by reference: Form FGED-01, Florida GED® Testing Program Underage Testing Form (effective October 2024) (DOS link). The form may be obtained by contacting the High School Equivalency Diploma Program Office, Bureau of Adult Education, Division of Career and Adult Education, Department of Education, 325 West Gaines Street, Tallahassee, Florida 32399-0400. Once an individual satisfies all requirements to be granted an underage waiver, the waiver must be submitted to the assigned school district or testing center personnel. This staff member must send the waiver to the High School Equivalency Diploma Program office via email at GEDagewaiver@fldoe.org within thirty (30) calendar days. Submitted waivers must be signed by the superintendent or their designee.~~

~~(12) For school districts with an underage waiver policy which requires enrollment in coursework as a condition for approval to take the official GED® test, a school district may not require a student to take any course if the following conditions are met:~~

~~(a) The individual attains a minimum score of one hundred and forty five (145) on each of the four (4) sub-tests of the GED Ready®: Reasoning through Language Arts, Mathematical Reasoning, Science and Social Studies.~~

~~(b) Exam scores are dated within one (1) calendar year from the date the request for an underage waiver is submitted to the school district.~~

~~(c) The GED Ready® sub-tests are taken in a proctored environment as defined in the school district pupil progression plan.~~

RULE NO.: 6A-6.0533
RULE TITLE: Determining a Substantial Deficiency in Early Mathematics Skills and Substantial Deficiency in Mathematics

PURPOSE AND EFFECT: The purpose of this rule amendment is to comply with legislative changes in Senate Bill 7004 (2024), to include criteria for any student in a Voluntary Prekindergarten Education Program provided by a public school who exhibits a substantial deficiency in early mathematics skills. The definition of a student in kindergarten through grade 4 who exhibits a substantial deficiency in mathematics is also revised.

SUMMARY: The proposed rule updates determining a substantial deficiency in mathematics and early mathematics skills.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule is not expected to have any adverse impact on economic growth or business competitiveness, or increase regulatory costs or any other factor set forth in s. 120.541(2), F.S., and will not require legislative ratification. This is based on the nature of the proposed rule and past experience when academic standards and course requirements were revised.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

6A-6.0533 Determining a Substantial Deficiency in Early Mathematics Skills and Substantial Deficiency in Mathematics.

(1) Purpose. The purpose of this rule is to set forth the requirements for determining and addressing a substantial deficiency in early mathematics skills for students in a Voluntary Prekindergarten (VPK) educational program and a substantial deficiency in mathematics for students in grades kindergarten through 4. ~~In accordance with Section 1008.25(4)(e), F.S., students identified with a substantial mathematics deficiency must be covered by a federally required student plan, such as an Individual Educational Plan (IEP) or an individualized progress monitoring plan, or both, as necessary.~~

(2) Definitions.

(a) “District” means a Florida school district or district school board, the Florida Virtual School (s. 1002.37, F.S.), the Florida School for the Deaf and the Blind (s. 1002.36, F.S.), Developmental Research (Laboratory) Schools (s. 1002.32, F.S.), and a university or Florida College System institution (s. 1002.33(5), F.S.) that sponsors one or more charter schools.

(b) “Voluntary Prekindergarten” (VPK) means a state-funded program provided in public school that covers the cost of a set number of hours of prekindergarten instruction to children who turn four (4) years of age on or before September 1 of the school year for which they are eligible to attend as provided in Part V of Chapter 1002, F.S.

(c) “Trained tutor” means a person who has forty (40) hours of professional learning on instructional strategies in the areas of VPK or grades K-4 mathematics or a high school student that meets the following criteria:

1. Be a rising junior or senior;
2. Have a cumulative grade point average of 3.0 or higher;
3. Have no history of out-of-school suspensions or expulsions;
4. Be on track to complete all core course requirements to graduate;
5. Have earned at least three (3) credits in mathematics; and

6. Have received two (2) written recommendations to serve as a trained tutor from present or former high school teachers of record or extracurricular activity sponsors.

(3) Planning for Learning and Teaching of Mathematics. Mathematics instruction must align with Florida’s Mathematics Formula for Success. This formula, 5+5+T1+T2+T3, describes five (5) characteristics of high-quality mathematics instruction, five (5) types of assessments and three (3) tiers (T1, T2 and T3) of mathematics instruction and intervention that promote student success.

(a) The five (5) characteristics of high-quality mathematics instruction include: horizontal and vertical alignment, balanced instructional approaches, student-centered, instruction informed by assessment(s), and implementing tiered instruction.

(b). The five (5) types of assessments are: screening, progress monitoring (PM), diagnostic, formative and summative.

(c) Tiered instruction (T1, T2 and T3) includes Tier 1 provided to all students, supplemental or Tier 2 intervention for students needing additional support, and intensive or Tier 3 intervention for students whom data indicate a need for more intensive, individualized instruction/intervention. Tiered instruction is standards-aligned; includes accommodations for students with a disability, students with an Individual Educational Plan (IEP) and students who are English language learners (ELLs); and incorporates the principles of Universal Design for Learning (UDL) as defined in Title 34 Code of Federal Regulations Section 200.2(b)(2)(ii). When data indicate that a student needs more intensive support of Tier 2 or Tier 3, those interventions must be provided in addition to, not in place of, Tier 1. Tier 2 and 3 interventions must be aligned with Tier 1 and include additional instructional time focused on critical skills and content.

1. Tier 1 (core) instruction is instruction that is accessible to all students. A Tier 1 intervention is a change or adjustment made to core instruction for all students based on data. Tier 1 interventions are implemented when data indicate that the majority or a high percentage of students in a large group (e.g., class, grade level, school) are performing below expectation.

2. Tier 2, or supplemental instruction and intervention, is provided to students not meeting expectations. Tier 2 is often delivered to small groups of students who will likely benefit from instruction focused on the same target skill(s). Tier 2 occurs in addition to Tier 1 (core) instruction.

3. Tier 3, or intensive instruction and intervention, is intended for students experiencing significant barriers to learning. Tier 3 can be provided one-on-one or in very small groups. Tier 3 occurs in addition to Tier 1 (core) instruction and Tier 2.

(4) Substantial Deficiency in Early Mathematics Skills. A VPK student is identified as having a substantial deficiency in early mathematics skills based upon a minimum of five (5) data points from various assessments as described below.

(a) If the student scores below the tenth (10th) percentile at the middle (PM2) or the end of the year (PM3) test administrations of the coordinated screening and progress monitoring system pursuant to s. 1008.25(9), F.S., or is unable to complete the practice items at the middle (PM2) or the end of the year (PM3) test administrations of the coordinated screening and progress monitoring system pursuant to s. 1008.25(9), F.S.; and

(b) Through observation and informal assessment has demonstrated achievement of twenty-five (25) percent or less of the mathematical thinking standards adopted for use in VPK programs per s. 1002.67, F.S.

(5)(2) Substantial Deficiency in Mathematics. A student in kindergarten through grade 4 is identified as having a substantial deficiency in mathematics based upon a minimum of five (5) data points as described below, if the following criteria are met:

(a) For kindergarten, if the student scores below the tenth (10th) percentile on various assessments including based upon screening, diagnostic assessments, formative, summative, progress monitoring, other classroom data, or the coordinated screening and progress monitoring system statewide assessments pursuant to s. Section 1008.25(6), F.S.; and if or if through teacher observation, the student has demonstrated minimum skill levels for mathematics competencies in one or more of the areas of emphasis for that grade level. In Kindergarten, areas of emphasis include:

1. Ddeveloping an understanding of counting to represent the total number of objects in a set and to order the objects within a set;

2. Ddeveloping an understanding of addition and subtraction and the relationship of these operations to counting; and

3. Mmeasuring, comparing, and categorizing objects according to various attributes, including their two- and three-dimensional shapes.

(b) For grade 1, if the student scores below the tenth (10th) percentile on various assessments including based upon screening, diagnostic assessments, formative, summative, progress monitoring, other classroom data, or the coordinated screening and progress monitoring system statewide assessments pursuant to s. Section 1008.25(6), F.S.; and if or if through teacher observation, the student has demonstrated minimum skill levels for mathematics competencies in one or more of the areas of emphasis for that grade level. In grade 1, areas of emphasis include:

1. Understanding the place value of tens and ones within two-digit whole numbers;

2. Extending understanding of addition and subtraction and the relationship between them;

3. Developing an understanding of measurement of physical objects, money and time and

4. Categorizing, composing and decomposing geometric figures.

(c) For grade 2, if the student scores below the tenth (10th) percentile on various assessments including based upon screening, diagnostic assessments, formative, summative, progress monitoring, other classroom data, or the coordinated screening and progress monitoring system statewide assessments pursuant to s. Section 1008.25(6), F.S.; and if or if through teacher observation, the student has demonstrated minimum skill levels for mathematics competencies in one or more of the areas of emphasis for that grade level. In grade 2, areas of emphasis include:

1. Extending understanding of place value in three-digit numbers;

2. Building fluency and algebraic reasoning with addition and subtraction;

3. Extending understanding of measurement of objects, time and the perimeter of geometric figures; and

4. Developing spatial reasoning with number representations and two-dimensional figures.

(d) For grade 3, if the student scores below the tenth (10th) percentile on various assessments including based upon screening, diagnostic assessments, formative, summative, progress monitoring, other classroom data, or the coordinated screening and progress monitoring system statewide assessments pursuant to s. Section 1008.25(6), F.S.; and if or if through teacher observation, the student has demonstrated minimum skill levels for mathematics competencies in one or more of the areas of emphasis for that grade level. In grade 3, areas of emphasis include:

1. Adding and subtracting multi-digit whole numbers, including using a standard algorithm;

2. Building an understanding of multiplication and division, the relationship between them and the connection to area of rectangles;

3. Developing an understanding of fractions; and

4. Extending geometric reasoning to lines and attributes of quadrilaterals.

(e) For grade 4, if the student scores below the tenth (10th) percentile on various assessments including based upon screening, diagnostic assessments, formative, summative, progress monitoring, other classroom data, or the coordinated screening and progress monitoring system statewide assessments pursuant to s. Section 1008.25(6), F.S.; and if or if through teacher observation, the student has demonstrated

minimum skill levels for mathematics competencies in one or more of the areas of emphasis for that grade level. In grade 4, areas of emphasis include:

1. Extending understanding of multi-digit multiplication and division;
2. Developing the relationship between fractions and decimals and beginning operations with both;
3. Classifying and measuring angles; and
4. Developing an understanding for interpreting data to include mode, median and range.

(6) Notification to Parents.

(a) Parents of students with a substantial deficiency in early mathematics skills or a substantial deficiency in mathematics must be notified by the school district in writing of the information listed in s. 1008.25(6)(c)1.-4., F.S., and consulted in the development of a plan to address the deficiency as described in subsection (7) of this rule.

(b) Timing of Notification. The initial parental notification must occur immediately after a school district determines that a student has a substantial deficiency and identifies the student's specific area or type of deficiency with sufficient specificity to tailor interventions.

(7) Required Plan and Interventions.

(a) Interventions. Student with a substantial deficiency in early mathematics skills in a VPK educational program or a substantial deficiency in mathematics in grades K-4 or who exhibit the characteristics of dyscalculia must be provided with daily small group intervention during the school day or supplemental interventions provided before or after school or both, as described in s. 1008.25(6)(a)1. and 2., F.S.

1. Timing of Interventions. Interventions must begin immediately after a school district determines that a student has a substantial deficiency or exhibits the characteristics of dyscalculia and identifies the student's specific area or type of deficiency with sufficient specificity to tailor interventions.

2. Interventions Based upon Diagnosis. In addition to identification of a student by a school district for interventions based upon the criteria set forth in subsections (4) or (5) of this rule, the requirement to provide interventions is triggered based upon receipt of written documentation from a professional licensed under chapter 490, F.S., which diagnoses a student with dyscalculia.

3. Supplemental interventions provided before or after school must be delivered by an educator with a bachelor's degree or higher who holds an active valid Florida Educator Certificate as defined in s. 1012.56, F.S., or a trained tutor as defined in subsection (2) of this rule. If the tutor is a student, tutoring must occur on school district property in the presence and under the supervision of instructional personnel who are school district employees and only where a parent has provided written permission.

(b) Progress Monitoring Plan. Except as provided in paragraph (7)(c) of this rule, students identified with a substantial deficiency in early mathematics skills for VPK or mathematics for grades Kindergarten through 4 must have an individualized progress monitoring plan that is in writing, provided to parents and designed to address the student's specific mathematics deficiency. A progress monitoring plan must meet the following requirements:

1. The plan must include the information set forth in s. 1008.25(4)(c), F.S.:

2. The plan must include an explanation of the timing of progress reports, which must be provided to parents at least monthly, the process for a parent to request more interventions and the process for a parent to request more frequent notification of the student's progress;

3. The plan must include an explanation of how the district will determine grade level proficiency for the purpose of discontinuing interventions; and

4. The plan must be developed as soon as the identification occurs as described in subsections (4) or (5) of this rule and no later than forty-five (45) school days after the results of the coordinated screening and progress monitoring system become available.

(c) Exemption from Requirement for a Progress Monitoring Plan. Students with qualifying disabilities addressed by an Individual Educational Plan (IEP) under the Individuals with Disabilities Education Act or a 504 Plan under Section 504 of the Rehabilitation Act of 1973 are exempt from the requirement to have an individualized progress monitoring plan, if the IEP or 504 Plan addresses the student's mathematics deficiency. Nothing in this rule should be construed to require or prohibit the development or review of an IEP or 504 Plan or prescribe the contents of these plans.

Board of Accountancy

RULE NO.: RULE TITLE:

61H1-31.006 Reactivation Fee

PURPOSE AND EFFECT: The Board proposes a rule amendment for reactivation fees.

SUMMARY: The proposed amendments clarify the rule language for reactivation fees.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

AMERICAN CONSULTING PROFESSIONALS - DEBORAH TURNER

The FLORIDA DEPARTMENT OF TRANSPORTATION, DISTRICT SEVEN announces a workshop to which all persons are invited.

DATE AND TIME: Tuesday September 10, 2024, 5:00 p.m. – 7:00 p.m.

PLACE: Clearwater Hall Rentals, 1828 Main Street, Dunedin, FL 34698

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT), District Seven invites you to attend and participate in the Planning Study Workshop for the SR 580 Corridor Planning and Concept Development Study from Alternative US 19/SR 595/Broadway to Tampa Road being conducted in Pinellas County, Florida.

This corridor study is being coordinated with Pinellas County Metropolitan Planning Organization (Forward Pinellas MPO), the Cities of Dunedin, Clearwater, Safety Harbor, and Oldsmar, and Pinellas County to develop potential solutions that establish safe, multimodal environments using a context-sensitive approach. This study will involve a community-based evaluation to determine how best to meet the needs of current and future users and establish a long-term plan to guide the evolution of the corridor.

Solutions are needed to improve congestion along the corridor; increase the level of service at major intersections; reduce the number of vehicle, pedestrian, and bicycle crashes; and improve connectivity to transit. In an effort to improve mobility and enhance safety within the corridor, several alternatives have been developed including short-term improvements like street lighting enhancements or lengthening turn lanes, and longer-

term options such as adding bike lanes and major intersection improvements.

This workshop will include a pre-recorded, looping video presentation as well as displays that show alternative options and project information in an informal open-house style meeting. There will be project members available for informal questions, which will not be part of the public record. Official comment forms will be available for the public to provide feedback on the project.

Additional SR 580 Corridor Planning and Concept Development Study information may be found at this website: <https://www.fdot7studies.com/projects/sr580-corridor/>.

Written comments can be mailed to: Jensen Hackett, Project Manager, Florida Department of Transportation District Seven, Planning & Environmental Management Office (PLEMO) MS 7-500, 11201 N. McKinley Drive, Tampa, FL 33612, emailed to: jensen.hackett@dot.state.fl.us or provided on the “Send us your Comments” page on the project website at www.fdot7studies.com/projects/sr580-corridor.

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Alec J. Stone, Esq., on behalf of William O. Russell, III and Sarasota Housing Authority, on

May 13, 2024. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 50, No. 104, of the May 28, 2024, issue of the Florida Administrative Register. Petitioner sought a determination from the Commission that the Sarasota Housing Authority is exempt from Licensing Requirements pursuant to Section 475.011(2), F.S. The Florida Real Estate Commission considered the Petition at a duly-noticed public meeting held on June 26, 2024, in Orlando, Florida. The Commission's Order was filed on August 13, 2024. The Commission granted in part and denied in part the Petition. The Commission denies the Petition to the extent it requests a statement regarding Chapter 421, F.S. and declines to issue any such statement. As regards to Section 475.011, F.S., under the facts and circumstances outlined by the Petitioner in its Petition for Declaratory Statement, the Commission grants the Petition and states that Petitioner SHA and its affiliates and instrumentalities, including McCown Towers, McCown Tower, LLP, and McCown Tower Preservation Corporation, qualify for the exemption set forth in Section 475.011(2), F.S., provided that the involved employees are not compensated on a commission or per transaction basis.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giuvanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, Giuvanna.Corona@myfloridalicense.com

CITY OF CAPE CORAL

Resolution 209-24 Unsolicited P3 for the Jaycee Park Improvement approved
RESOLUTION 209 - 24

A RESOLUTION OF THE MAYOR AND COUNCIL OF THE CITY OF CAPE CORAL, FLORIDA, DETERMINING THAT THE UNSOLICITED PUBLIC-PRIVATE PARTNERSHIP PROPOSAL RECEIVED FROM FORTRESS SECURED, LLC FOR THE JAYCEE PARK IMPROVEMENT PROJECT IS IN THE PUBLIC’S INTEREST; APPROVING THE COMPREHENSIVE AGREEMENT BETWEEN THE CITY OF CAPE CORAL AND FORTRESS SECURED, LLC, AND THE CONCESSIONAIRE’S AGREEMENT BETWEEN THE CITY OF CAPE CORAL AND THE REEF CAPE CORAL LLC; AUTHORIZING THE CITY MANAGER OR THEIR DESIGNEE TO EXECUTE BOTH AGREEMENTS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Cape Coral, Florida (the “City”) issued a Request for Proposals for design services for improvements to Jaycee Park in March of 2022, and in May of 2022, the City Administration identified Pennoni Associates, Inc. for the conceptual design of the Jaycee Park improvements; and

WHEREAS, the Mayor and City Council were presented the initial concept plan for the improvements to Jaycee Park during the Winter Retreat in January of 2023; and

WHEREAS, the Mayor and City Council adopted Resolution 93-23 on May 3, 2023, which awarded the contract for the final design services to Pennoni Associates, Inc. for the Jaycee Park Improvement Project, pending those public meetings to acknowledge resident issues and concerns; and

WHEREAS, the City proceeded to engage the public through in-person meetings during the months of August and September, which included open house(s) and an online community survey in order to address those concerns voiced by the surrounding residents; and

WHEREAS, the Mayor and City Council received direct public feedback regarding those improvements to Jaycee Park at the September 13, 2023 Committee of the Whole meeting; and

WHEREAS, the Mayor and City Council directed the City Administration to make certain modifications to the concept plan for the Jaycee Park final design at the October 11, 2023 Committee of the Whole meeting; and

WHEREAS, the Mayor and City Council adopted Resolution 288-23 on October 18, 2023, which approved the updated concept plan for the Jaycee Park improvements, and directly authorized Pennoni Associates, Inc. to commence Final Design Services for the Jaycee Park Improvement Project utilizing the updated concept plan; and

WHEREAS, the City received an unsolicited Public-Private Partnership Proposal for the Jaycee Park Improvement Project from Fortress Secured, LLC on November 17, 2023 (the “Unsolicited Proposal”); and

WHEREAS, the Unsolicited Proposal was deemed a “qualified” proposal in accordance with those statutory requirements set forth and identified within Section 255.065 of the Florida Statutes; and

WHEREAS, in accordance with the requirements of Section 255.065, which existed at the time the Unsolicited Proposal was received by the City, the City published a Notice of Receipt of an Unsolicited P3 Proposal for Jaycee Park Improvements on January 3, 2024 and January 10, 2024 in the News-Press, and placed the proper legal notice in the Florida Administrative Register on January 2, 2024 and January 9, 2024; and

WHEREAS, the City did not receive any responsive, competing proposals prior to the January 26, 2024 submittal deadline; and

WHEREAS, the City Administration had a “kick-off” meeting with the Fortress Secured P3 Team on February 15, 2024; and

WHEREAS, the Fortress Secured P3 Team members began participating in weekly update meetings with the City Administration and Pennoni Associates, Inc. in order to address those negotiations that are statutorily required to reach a Comprehensive Agreement; and

WHEREAS, Wharton-Smith, the contractor that would have been responsible for the project, withdrew from the Fortress Secured P3 Team, and Fortress Secured determined that an equivalent contractor to replace Wharton-Smith was Florida Premier Contractors from Punta Gorda, Florida; and

WHEREAS, the Florida Legislature amended Section 255.065, which required the City to hold a duly noticed public meeting at which the P3 proposal is presented and affected public entities and members of the public are able to provide comment, and a second duly noticed public meeting, at which the City determines that the proposal would be in the public’s interest; and

WHEREAS, the City conducted the required duly noticed public meetings on July 24, 2024 and August 21, 2024; and

WHEREAS, the City must consider certain statutory factors in making the determination that the proposal is in the public’s interest pursuant to those requirements set forth in Section 255.065 of the Florida Statutes:

1. The benefits to the public.

Based on the 2016 Parks Master Plan and ULI Report in 2022, the City of Cape Coral has determined that Jaycee Park is currently being underutilized. The proposed enhancements will allow for greater access to the park and will provide expanded scenic views of the waterfront for the citizenry to enjoy. Additional amenities will be provided that are commonly located at premier waterfront parks, such as an entertainment bandshell, a food truck court, a refreshment hub, a playground and splash pad, and covered pavilions and boardwalk. Improvements to ingress and egress will be made, providing for a safer environment for both vehicle traffic and pedestrians. Environmental enhancements will also be provided including, but not limited to, the removal of invasive exotic trees and installation of rip rap and native plants to restore the natural ecosystem of the shoreline.

2. The financial structure of and the economic efficiencies achieved by the proposal.

Fortress Secured, LLC (“Fortress”) submitted an unsolicited proposal to the City to design and construct the Jaycee Park Improvements, in accordance with Section 265.065 of the Florida Statutes, commonly known as the Public/Private Partnership Statute or the “P3 Statute.” The Fortress proposal and the resulting Comprehensive Agreement offer the City a path forward for completing the Jaycee Park Improvements at a lower cost and with reduced risk to the City. Fortress is proposing to deliver the Project on a not to exceed basis, which shifts risks for cost overruns and construction delays from the

City to Fortress. In addition, transferring construction management and administration responsibilities to the Fortress team will reduce the impact to the City staff and related resources, and the specialized experience that the Fortress team has in developing government facilities and coordinating design and construction services will enable the City to complete the Project efficiently and timely, without compromising quality or safety. Significantly, the City published notice of its receipt of the Fortress Proposal and solicited competing offers for the Project, and no other proposals were received.

3. The qualifications and experience of the private entity that submitted the proposal and such entity's ability to perform the project.

The Fortress proposal outlines the breadth and quality of its experience, including highlights of the various park projects currently underway and summaries of the facilities that have been delivered to various governmental entities by the Fortress Team including, but not limited to, improvements to Laishley Park & Marina (Punta Gorda), South County Regional Park (Punta Gorda), Ann & Chuck Dever Regional Park (Charlotte County), Sunseeker Resort (seawall and riverwalk), Maury's Steakhouse, Stretto Coastal Italian Cuisine (Sunseeker Resort), Waterside Grille (Sunseeker Resort), Crest Lake Park (City of Clearwater), Hercules Park (City of Zephyrhills), and Rowena Park (Plant City). The experience of the Fortress Team includes the development of other types of governmental facilities as well, including the Southwest Water Reclamation Facility Operations / Maintenance Building (City of Cape Coral), Fire Station No. 83 (Fort Myers Shores), and Naples Classical Academy (Naples). These project highlights demonstrate the qualifications and experience of the Fortress Team which consist of Florida Premier Contractors (FPC) and Nest Construction, companies have a combined 50 plus years of experience and expertise in waterfront park enhancements.

4. The project's compatibility with regional infrastructure plans.

Over the past several years, the City of Cape Coral has conducted numerous assessments of its park system and the park systems in the Southwest region of Florida. Through these assessments and discussions, the City has concluded the Jaycee Park Improvements constitute a qualified project that is consistent with other regional projects and regional infrastructure plans.

5. Public comments submitted at the meeting.

Over the past two years, there has been much discussion about the future of Jaycee Park. During City workshops and strategic planning sessions, Jaycee Park was an underutilized amenity in need of sitewide improvements. The plan was to redesign the park to celebrate Jaycee Park's majestic waterfront views and enhance the amenities to appeal to all Cape Coral citizens. The City hired a consultant to develop a concept for the park and

hosted two community meetings. The City solicited public feedback via surveys, emails and regular input at the weekly Council meetings.

There were several recurring comments from the public, ranging from "do nothing" and "leave our park alone" to some that focused on specific amenities. Many of these comments have been addressed publicly and/or individually to the commentor via email. However, the City has specifically addressed the majority of the comments by the action taken to make modifications to the design. These modifications include: Shade at Park: The City and design team have gone to great lengths to ensure that not only will there ultimately be more tree shade than currently at the park but several of the amenities will have shade features added to them.

Bar/Bandshell: The P3 group is fully behind the City's vision of creating a Family Park. As such, the P3 group reduced the footprint of the initial structures and downsized both to accommodate the vision of the community.

Sale and Consumption of Alcohol: The City and Concessionaire agreed to a designated concession area with an established perimeter where the sale and consumption of alcohol is permitted at the park.

Food Trucks: The City and P3 team agreed to reduce the number of permanent food truck by one-third and ensure all applicable City policies, ordinances and procedures are followed.

Family Friendly: The community wanted a family-friendly park accessible year-round. The design team added a splash pad and a playground with innovative Sun Shade technology.

Pet Friendly: The community asked for pet friendly components. The design team included pet hydration drinking fountains and misting stations.

WHEREAS, the Mayor and City Council have considered the factors required by Section 255.065 of the Florida Statutes, and have determined that the unsolicited Public-Private Partnership Proposal for the Jaycee Park Improvement Project from Fortress Secured, LLC, is in the public's interest; and

WHEREAS, the Mayor and City Council desire to enter into a Comprehensive Agreement with Fortress Secured, LLC, and Concessionaire's Agreement with The Reef Cape Coral LLC. NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF CAPE CORAL, FLORIDA:

Section 1. The Mayor and City Council hereby formally make the determination that the unsolicited Public-Private Partnership Proposal for the Jaycee Park Improvement Project from Fortress Secured, LLC, is in the public's interest, in accordance with the requirements set forth and identified in Section 255.065 of the Florida Statutes.

Section 2. The Mayor and City Council hereby approve the Comprehensive Agreement between the City of Cape Coral,

Florida and Fortress Secured, LLC, regarding the Unsolicited Public-Private Partnership for the Jaycee Park Improvement Project, and authorize the City Manager or their designee to execute the Comprehensive Agreement. A copy of the Agreement is attached hereto as Exhibit 1.

Section 3. DEPARTMENT OF COMMERCE

Division of Community Development

Commerce Final Order No. COM-24-038

FINAL ORDER

APPROVING LAKE COUNTY ORDINANCE NO. 2024-17

The Florida Department of Commerce (“Department”) hereby issues its Final Order, pursuant to section 380.05(6), Florida Statutes, approving land development regulations adopted by Lake County, Florida, Ordinance No. 2024-17 (the “Ordinance”).

FINDINGS OF FACT

1. The Green Swamp Area is designated by section 380.0551, Florida Statutes, as an area of critical state concern. Lake County is a local government within Green Swamp Area.
2. The Ordinance was adopted by Lake County on June 11, 2024, and rendered to Department on July 3, 2024.
3. The Ordinance modifies Subsection 9.04.02, Lake County Code, Appendix E, Land Development Regulations, entitled

Planning, Design and Construction Requirements, to include a new requirement for gated communities to have an approved emergency gate opening system for public safety vehicles.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in the Green Swamp Area of Critical State Concern. See section 380.05(6), Florida Statutes.

5. "Land development regulations" include "local zoning, subdivision, building, and other regulations controlling the development of land," section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

6. The Ordinance is consistent with the Lake County Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically is consistent with Policy I-8.8.1, and Policy I.8.8.2.

7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. See section 380.05(6), Florida Statutes. The Principles for Guiding Development for the Green Swamp Area of Critical State Concern are set forth in Rule 28-26.003, Florida Administrative Code.

8. The Ordinance is consistent with the Principles for Guiding Development for the Green Swamp Area of Critical State Concern in Rule 28-26.003, Florida Administrative Code and is specifically consistent with the following Principles:

(a) Minimize the adverse impacts of development on resources of the Floridan Aquifer, wetlands and flood-detention areas.

WHEREFORE, IT IS ORDERED that the Department finds that Lake County Ordinance No. 2024-17 is consistent with the Lake County Comprehensive Plan and the Principles for Guiding Development for the Green Swamp Area of Critical State Concern and is hereby APPROVED.

This Final Order becomes final 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
