Section II

Proposed Rules

DEPARTMENT OF CORRECTIONS

RULE NO.: RULE TITLE:

33-208.002 Rules of Conduct

PURPOSE AND EFFECT: The purpose and effect of the proposed rule is to expand the parameters of employee search.

SUMMARY: The proposed rule amendment is necessary to allow contracted security staff to conduct searches of employees and employee property.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department used an itemized checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory cost associated with this rule that exceeds the criteria. Upon review of the proposed changes to the rule, the Department has determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in s. 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 944.09, F.S.

LAW IMPLEMENTED: 944.09. 944.14. 944.35, 944.36, 944.37, 944.38, 944.39, 944.47, F.S.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Lauren Sanchez, Paralegal Specialist, 501 S. Calhoun Street, Tallahassee, FL 32399 (850)717-3610, lauren.sanchez@fdc.myflorida.com.. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Office of the General Counsel, Attn. FDC Rule Correspondence, 501 South Calhoun Street, Tallahassee, Florida 32399, FDCRuleCorrespondence@fdc.myflorida.com.

THE FULL TEXT OF THE PROPOSED RULE IS:

33-208.002 Rules of Conduct.

The Department of Corrections requires all employees to familiarize themselves with all rules and regulations pertaining to their positions and duties, and requires all employees to abide by these rules and regulations. The following rules of conduct and performance standards are applicable to all employees both on and off the job. Some of these rules of conduct are restated in abbreviated form in Rule 33-208.003, F.A.C. However, all rules of conduct, procedures, post orders, regulations, directives and policy statements are enforceable by appropriate disciplinary action.

(1) through (26) No Change.

(27)(a) No employee shall refuse to submit to a search or inspection by authorized Department staff of his or her person, personal property, or vehicle when entering, exiting, or otherwise being upon the premises of a Department institution or facility. Refusal to submit to such searches or inspections is considered a serious form of insubordination.

(b) All employee property that is introduced into the secure perimeter such as purses, briefcases, lunch boxes, or bags is subject to search at any time by a Department employee of the rank of a correctional officer or higher or other individual authorized to conduct the search.

(c) All employees shall be subject to some form of metal detection search, and items in their possession or on their person shall be inspected prior to entering a Department institution or facility. Employees may also be subject to a clothed pat search as a part of the routine search process. Exterior layers of clothing and accessories such as gloves, scarves, jackets, coats, sweaters, footwear, and any approved head covering shall be removed and inspected upon request during the metal detection process and during clothed pat searches. Clothed pat searches shall include manual and visual inspection of an employee's hair, hair piece, toupee, wig, hair extensions, facial hair, and scalp. Metal detection and clothed pat searches conducted prior to entry to a Department institution or facility shall be performed by an employee of the rank of correctional officer or higher or other individual authorized to conduct the search.

(d) through (l) No Change.

RULE NO.: 33-402.101
 RULE TITLE: Dental Services - General
 PURPOSE AND EFFECT: Rulemaking is necessary to provide for denture replacement; increase eligibility for acrylic partial dentures; amend form DC4-698A to reflect current procedures; and other minor revisions as necessary.

SUMMARY: The proposed amendment decreases the wait time for periodic oral exam from three to two years and allows for

denture replacement every five years, if applicable. The rule also amends the procedure for missed appointments, restorative treatments and updates the form used to request dental services.
 SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department used an itemized checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory cost associated with this rule that exceeds the criteria. THE FULL TEXT OF THE PROPOSED RULE IS:

33-402.101 Dental Services – General.

(1) through (6) No change.

(7) Dental services available to inmates are based upon four levels of dental care.

(a) No change.

(b) Level II dental care is available to inmates with less than six months of Department of Corrections’ incarceration time. It includes:

1. through 4. No change.

5. If an inmate has no upper or lower teeth and requests dentures, the inmate is to be placed on the appointment waiting list at his or her permanent facility. The inmate is not required to wait six months for Level III care.

(c) Level III dental care is available to inmates with six months or more of continuous Department of Corrections’ incarceration time. Level III includes:

1. through 4. No change.

5. After the inmate has received a complete cleaning, he or she is eligible for:

- a. Fillings/Restorative treatment.
- b. Partial dentures.

I. Acrylic partial dentures provided the inmate has at least four months of continuous Department of Corrections’ incarceration time remaining on his or her sentence. ~~Three or more anterior (front) teeth in an arch must be missing before an anterior acrylic partial denture is considered.~~ Acrylic partial dentures will not be made available for purely cosmetic reasons.

II. through III. No change.

IV. When indicated, dentures(s) are eligible for replacement every five years. Only one denture(s) will be provided in a lifetime with one reline provided at no cost. Dentures required more often will be charged to the inmate unless such a requirement is caused by a change in the inmate’s dental condition that renders the existing denture(s) nonfunctional.

c. Nonemergency endodontic (root canal) therapy is available to Level III inmates (more than six months of continuous Department of Corrections’ incarceration time) when clinically indicated. All teeth receiving endodontic therapy must have adequate support in the surrounding gum tissues and have a good chance of recovery and long-term long term retention. In addition, posterior teeth receiving endodontic therapy must be crucial to arch integrity (no missing teeth in the quadrant or necessary as a partial denture abutment.)

d. No Change

(d) Level IV dental care represents advanced dental services that may be available on a limited basis.

1. This level of dental care is available to inmates on an as-needed basis after completion of Level III services and successful demonstration of a plaque free index score of 90 percent or greater for two consecutive months. If an inmate

cannot demonstrate that he or she is following an acceptable oral hygiene program, advanced dental therapy will not be considered.

2. No Change

3. Fixed prosthetics (multiple units crowns and bridges) are not to be done except in unusual circumstances and only when an adequate restoration cannot be placed. The inmate will be responsible for the lab charges associated with the replacement of single unit crowns installed prior to incarceration.

(8) Dental Care Requests, Complaints and Formal Grievances.

(a) Inmate requests for dental services shall be submitted on Form DC6-236, Inmate Request or Form DC4-698A, Inmate Sick-Call Request, and submitted to the Senior Dentist or his or her designee. Form DC4-698A is hereby incorporated by reference. A copy of this form is available from the Forms Control Administrator, Bureau of Policy Development, 501 South Calhoun Street, Tallahassee, Florida 32399-2500, <http://www.flrules.org/Gateway/reference.asp?No=Ref-XXXXX> <http://www.flrules.org/Gateway/reference.asp?No=Ref-13148>. The effective date of this form is XX/XX 05-21. Form DC6-236 is incorporated by reference in Rule 33-103.005, F.A.C.

(b) No Change

(9) Co-payments for Dental Services.

(a) No Change

(b) There will be no co-payment for emergency dental services. If an inmate declares a dental emergency that does not meet the dental emergency guidelines, no treatment will be rendered, and a co-payment charge will be assessed.

(10) Missed Appointments. Inmates who do not keep their dental appointments shall be rescheduled, with the following exceptions except for the following:

(a) No Change

(b) All inmates having three non-security related no-shows within a six-appointment six-appointment time span shall be removed from the dental treatment list and will not be rescheduled again for routine or comprehensive dental care unless a written request is submitted for continuation for dental care. If such written request is submitted, ~~The~~ inmate will be placed on the appointment waiting list and will not be given preferential appointments unless the inmate’s overall health would be adversely affected by delaying dental treatment.

RULE NO.: RULE TITLE:

64B9-3.008 Licensure by Endorsement

PURPOSE AND EFFECT: The Board proposes rule amendments to incorporate the updated form and to update the rule due to legislative changes.

SUMMARY: The updated form will be incorporated into the rule and due to legislative changes, the rule will be updated.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

64B9-3.008 Licensure by Endorsement.

(1) An applicant for licensure by endorsement shall submit a completed Board of Nursing Mobile Opportunity by Interstate License Endorsement (MOBILE), DH-MQA-5102 (7/2024) Nursing Licensure by Endorsement Application, DH MQA 4095, 04/22, incorporated herein by reference, and may be obtained from <https://www.flrules.org/Gateway/reference.asp?No=Ref-14786>, or from the Board office or on the Board's website: <http://www.FloridasNursing.gov>; and verification of licensure forms from the original state or territory in which licensure was obtained and from a state or territory in which the applicant holds an active license, and pay the required fee.

(2) ~~To apply for endorsement pursuant to Section 464.009(1)(a), F.S., an applicant shall be required to show current licensure in another state of the United States and the licensure requirements of the original state of licensure at the time of original licensure. For the purpose of determining if the requirements in the original state of licensure were substantially equivalent to or more stringent than the requirements in Florida at that time, the applicant must demonstrate a passing score on one of the following:~~

(a) ~~The NCLEX examination for professional or practical nurses;~~

(b) ~~The State Board Test Pool Examination for Professional Nurses given between 1951 and 1981, if the applicant passed with a score of 350 in each subject or a total score of 1800;~~

(c) ~~The State Board Test Pool Examination for Practical Nurses given between 1952 and 1981, if the applicant passed with a score of 350;~~

(d) ~~A state licensing examination for professional nurses given prior to 1951 or a state licensing examination for practical nurses given prior to 1952;~~

(e) ~~Any licensing examination taken as a condition for state licensure by a professional nurse after 1951 or by a practical nurse after 1952, if the examination meets the following standards:~~

1. ~~The examination was developed using accepted psychometric procedures;~~

2. ~~The content and passing score of the examination was substantially equivalent to the examination given in Florida at the time;~~

3. ~~The security of the examination was maintained;~~

4. ~~At least one of the reliability estimations for the examination is .70 or higher;~~

~~5. The examination was revised after each administration to ensure currency of content,~~

~~6. For examinations given after 1984, the test plan was based on a job analysis of new nursing graduates.~~

~~(3) To apply for endorsement pursuant to Section 464.009(1)(b), F.S., an applicant shall meet all requirements for eligibility to take the licensure examination as provided in Rule 64B9-3.002, F.A.C., and demonstrate a passing score on one of the following:~~

~~(a) The National Council Licensure Examination for registered nurses with a minimum score of 1600, or, after 1988, a report of Pass;~~

~~(b) The National Council Licensure Examination for practical nurses with a minimum score of 350, or, after 1988, a report of Pass;~~

~~(c) A state, regional, or national examination which meets the following minimum requirements:~~

~~1. The examination is developed using accepted psychometric procedures.~~

~~2. The content and passing score of the examination are substantially equivalent to that of the National Council Licensure Examination.~~

~~3. The security of the examination is maintained.~~

~~4. At least one of the reliability estimations for the examination is .70 or higher.~~

~~5. The examination is revised after each administration to insure currency of content.~~

~~(4) An applicant who has not been in active practice of nursing within the past 5 years is required to take a remedial course as specified in Rule 64B9-3.0025, F.A.C., prior to licensure.~~

FOR ANY QUESTIONS OR COMMENTS PLEASE CONTACT CWAREN@DANIABEACHFL.GOV

1. BENEFITS TO THE PUBLIC:

- The public will have access to a unique multisport beach facility in Dania Beach, Florida, catering to all age groups for recreational outdoor activities.

- The facility will offer a variety of lifestyle beach sports such as sand pickleball, beach volleyball, footvolley, beach tennis, beach flag football, and more.

- The presence of 6 lighted courts, seating areas, and a concession stand at Frost Park will enhance the overall experience.

- Leagues, vacation training packages, and local, national, and international tournaments will attract visitors to the city, boosting tourism and economic activity.

Rita Crockett Beach Sports Academy (RCBSA) proposes to develop a state-of-the-art beach sports facility in Dania Beach, Florida to cater to the growing demand for outdoor recreational activities there. The proposed academy/facility, situated at Frost Park adjacent to the Dania Beach Casino, will offer a diverse range of beach-based sports and activities catering to both tourists and local residents. By leveraging the unique setting, establishing strategic partnerships, and employing comprehensive marketing, we know that this academy/facility has the potential to become a premier destination for beach sports and recreation in the Dania Beach/Fort Lauderdale area. The popularity of sand and beach sports has seen significant growth in recent years, driven by a combination of factors including increased awareness, accessibility, and global events. Here's a breakdown of trends nationally and internationally:

Recent Growth Trends:

Increased Participation: Activities like beach volleyball, sand soccer, and beach tennis have gained traction, with more recreational leagues and tournaments emerging globally. The rise of social media has also played a role in showcasing these sports, attracting younger participants.

Olympic Influence: The inclusion of beach sports in major events like the Olympics has boosted their visibility. For instance, beach volleyball has been a staple since 1996, and sports like surfing and skateboarding have recently joined the Olympic roster, further elevating interest.

Health and Wellness Trends: The growing focus on fitness and outdoor activities has led to a surge in sand sports, which are often seen as fun ways to stay active. This trend is particularly strong in coastal regions.

Infrastructure Development: Many countries are investing in infrastructure for beach sports, including dedicated facilities

and hosting major national and international tournaments, which helps to promote these activities.

Future Outlook:

Continued Growth: The trend of increasing participation is likely to continue, particularly in emerging markets where beach sports are gaining recognition. Countries with coastlines are expected to see more organized events and leagues.

Sustainability Focus: As environmental awareness grows, there will likely be a push for sustainable practices in beach sports, including eco-friendly events and conservation efforts to protect beach environments.

Technological Integration: The use of technology, such as apps for organizing events or wearable tech for performance tracking, may enhance the experience for participants and spectators alike.

Diversity of Sports: Beyond traditional activities, new sand sports are emerging, appealing to various demographics. This diversification can engage a broader audience, including families and casual participants.

International Competitions: We anticipate hosting international competitions and collaborations, as countries look to showcase their talent on global stages, leading to increased interest and investment.

The future of sand and beach sports is bright, with ongoing growth driven by social, technological, and environmental factors. As these sports gain more traction globally, they will continue to evolve and attract diverse participants.

Dania Beach, is an excellent location for a beach sports academy/facility for several reasons:

Geographic Advantages:

Prime Location: Dania Beach is situated in a popular tourist area near Fort Lauderdale, making it easily accessible for both locals and visitors.

Ideal Climate: The warm, sunny weather year-round allows for year-round participation in beach sports.

Community and Infrastructure:

Existing Facilities: Dania Beach, Frost Park already has some recreational infrastructure, which can be easily expanded to include our beach sports academy/facility.

Community Engagement: The local community should be supportive of this new recreational opportunity, as beach sports can promote health and wellness.

Economic Potential:

Tourism Boost: A beach sports academy/facility could attract tourists, leading to increased business for local hotels, restaurants, and shops.

Hosting Events: The academy/facility could host regional, national and international tournaments, bringing additional revenue and visibility to the area.

Variety of Sports:

Diverse Offerings: The academy/facility will cater to a range of beach sports, including beach volleyball, sand soccer, and beach tennis, and others as mentioned below, appealing to different demographics.

Rita Crockett Beach Sports Academy (RCBSA's mission is to help create a positive impact on the community. Everyone is welcome to become a part of our program. We are dedicated to helping all players find a passion for playing beach sports. We are focused on developing players at all levels by providing collective and individual classes. Our goal is to help each individual reach his goal target. The PIT at Frost Park is a Beach Sport Complex that offers a variety of lifestyle beach sports ranging from beach volleyball, footvolley, beach tennis, beach flag football and more. Home to 6-8 lighted courts with a sitting area for viewing, The PIT is a great place for locals and tourists to experience these lifelong sports.

Partnering with Dania Beach, The PIT will offer vacation training packages to bring visitors to the city for not only sports, but also to experience all of the opportunities the "first city of Broward County has to offer." RCBSA will create a unique beach sports academy that will serve the City of Dania Beach by bringing an array of beach sports for locals as well as becoming a destination for all beach sports. The PIT will host local, national, and international tournaments, bringing attention to the City of Dania Beach. RCBSA will attract beach sport lovers to participate in all beach sports, including, but not limited to: Sand Pickleball, Beach Volleyball, Beach Tennis, Beach Badminton, Beach Foot Volley, Beach Soccer, Beach Flag Football, and Beach Handball.

Free-play time for the community, Beach Volleyball Juniors Club and showcases, after school sports programs, a multiple sports training facility destination, college annual beach volleyball invitational tournament, etc....

In summary, Dania Beach has the potential to be a thriving location for a beach sports academy/facility, benefiting the community economically and promoting a fun and active lifestyle.

2. FINANCIAL STRUCTURE AND ECONOMIC EFFICIENCIES:

- The project is expected to boost the local economy by attracting visitors to Dania Beach, leading to increased spending on accommodations, dining, and other local services.

- Revenue generated from leagues, training packages, and tournaments can contribute to the financial sustainability of the facility.

- Partnerships with the city and potentially sponsors can provide additional funding opportunities to support the project.

Initial Investment: The estimated cost for the development of the beach sports facility at Frost Park is \$554,502. This investment will cover construction costs, supporting amenities, start-up operational expenses, salaries, sports equipment

purchases, and administrative fees. The City will be responsible for contributing 50% of the start-up contribution estimated at \$277,251 from the total \$554,502 with the City providing essential support. RCBSA will manage operational costs beyond the City's 50% start-up contribution.

Revenue Generation: The facility is projected to generate annual revenues based on a comprehensive market analysis and operational plan. The revenue streams include membership fees, training fees, tournament entry fees, travel expenses, private coaching services, merchandise sales, and equipment sales. The City and RCBSA will have a revenue share of all revenue generated from "The Pit" with the City receiving 30% of the revenue share and RCBSA receiving 70%.

Revenue Programming: Tentative pricing structures have been outlined for various services provided by the facility, such as junior beach volleyball club memberships, team training fees, tournament entry fees, travel expenses, private coaching, and merchandise/equipment sales.

Economic Efficiencies: - **Potential Return on Investment:** The projected annual revenues demonstrate strong potential for a solid return on investment, indicating the economic viability of the proposal.

Revenue Diversification: The proposal includes considerations for revenue diversification through services like club memberships, training programs, tournaments, coaching services, and merchandise sales. This diversification can help mitigate risks and enhance economic efficiencies.

Cost Management: Effective cost management strategies, such as careful monitoring of operational expenses, maintenance costs, and pricing structures, will be crucial for ensuring economic efficiencies and long-term financial sustainability.

- **Market Sensitivity and Competition:** The proposal acknowledges factors like seasonal fluctuations, weather conditions, local market competition, and the need for marketing and promotion to attract customers. Addressing these factors strategically can enhance economic efficiencies and revenue generation.

In summary, the financial structure and economic efficiencies of the proposal for the beach sports facility at Frost Park are designed to support sustainable operations, revenue growth, and a positive return on investment through diversified revenue streams, cost-effective management practices, and market-sensitive pricing strategies

3. QUALIFICATIONS AND EXPERIENCE OF THE PRIVATE ENTITY:

-Rita Buck-Crockett, the face of RCBSA, brings extensive experience and expertise to the project. Rita has put together a strong and diverse Board of Directors to help her in making the best decisions for the RCBSA.

- Rita's background as a former Assistant Athletic Director, Head Indoor and Beach Volleyball Coach for Florida

International University, and her professional volleyball career demonstrate her deep knowledge of the sports industry.

- Her achievements, including playing professional volleyball internationally and coaching at various levels, highlight her leadership and success in the field.

- Rita's accolades and honors from national and international sports organizations further attest to her qualifications and credibility in the sports community.

- With Rita's leadership, the private entity has the potential to effectively manage and operate the proposed multisport beach facility, ensuring its success and benefit to the community.

4. THE PROJECT'S COMPATIBILITY WITH REGIONAL INFRASTRUCTURE PLANS.

- The City of Dania Beach passed their first ever Parks Master Plan in 2019 focusing on its first-ever comprehensive 10-year plan to address latent community park and recreation needs while providing a professional roadmap to improve public recreation and leisure facilities throughout the city. Numerous cities throughout the tri-county area have embarked or are beginning to embark on their own Parks Master Plan in order to expand and provide and meet the recreational and leisure services needs of the communities. This partnership would be another step forward in meeting those needs and bringing the City of Dania Beach and other surrounding cities Parks Master Plans to life.

- In addition to the city passing the Parks Master Plan in 2019, the City of Dania Beach adopted a revised Comprehensive Plan in 2023. This Comprehensive Plan has a Parks and Recreation element with goals and objectives for the city with the overall goal of providing a sustainable recreation and open space system to adequately meet the physical, social, recreational and cultural needs for all current and future residents and visitors of the City with an objective of all public facilities in the city being open to the public. Another main objective of the Comprehensive Plan is to ensure these recreational needs and standards are met through public and private resources. A partnership with Rita Crockett Beach Sports Academy supports these objectives.

- Along with the with the City's Parks Master Plan and the Comprehensive Plan, Broward County has a Recreation and Open Space Element to their Comprehensive Plan that was adopted in 2019 with the goal to provide safe and adequate recreation sites and facilities to satisfy the current and future needs while promoting active and healthy living. Broward County amended their master plan in 2022 with the continued goal of providing a countrywide park system with diverse facilities and recreation opportunities to enhance the well-being of all residents, businesses and visitors while also creating a world-class and truly inclusive guest experience and develop specialty parks and signature elements unique to Broward County. The addition of the Rita Crockett Beach Sports

Academy adds an additional element of recreation facilities for the community and visitors alike to promote active and healthy living that is truly a specialty and signature facility in Broward County. The Rita Crockett Beach Sports Academy, AKA, the "Pit" is the first of its kind in Florida and will be run by Rita Buck-Crockett an inductee of the Women's Volleyball Hall of Fame, an Olympic silver medalist, a collegiate volleyball coach and a resident of the City of Dania Beach to name a few of Rita's outstanding achievements.

In conclusion, the Rita Crockett Beach Sports Academy will help not only City of Dania Beach reach one of the many objectives the city's parks master plan and comprehensive plan, but all the objective of Broward County.
