DEPARTMENT OF EDUCATION

State Board of Education

RULE NO.: RULE TITLE:

6A-1.094224 Uniform Assessment Calendar

PURPOSE AND EFFECT: To revise the uniform assessment calendar template that is incorporated in this Rule to reflect current statutory requirements.

SUMMARY: In 2022, Senate Bill 2524 required the Florida Department of Education to collect specified testing time data from school districts and annually report on such data to the Governor and Legislature through January 1, 2025. The proposed rule removes data collection sections in the template that are no longer needed now that the reporting requirement is complete.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Given the nature of the amendment, which reduces school district reporting, and experience with similar changes in the past, the amendment is expected to have no impact on economic growth, private sector job creation, employment, private sector investment, or business competitiveness or any other factor set forth in s. 120.542(2), F.S., and will not require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

State Board of Education

RULE NO.: RULE TITLE:

6A-4.0021 Florida Teacher Certification Examinations

PURPOSE AND EFFECT: To adopt and incorporate new Florida Teacher Certification Examination (FTCE) competencies and skills, effective September 1, 2025, for the following examinations: Educational Media Specialist PK-12 and Health K-12. Additionally, this amendment revises the fee collection tables in subsection (4) to reflect current policy and practice by removing references to “first-time” and “retake” registrations, as well as “full battery” tests.

SUMMARY: Section 1012.56(10)(b), F.S., requires the State Board of Education (SBE) to specify, by rule, examination competencies and skills and establish uniform evaluation guidelines and passing scores for the FTCE. Accepted professional practice for assessment programs, such as the FTCE, requires periodic review of all program aspects impacted by SBE Rule, including the review and revision of the competencies and skills assessed. Rule 6A-4.0021(9)(gg), F.A.C., specifies that the Department shall review these tests in

5-year cycles. Accordingly, it is time to update the competencies and skills for two subject area examinations, Educational Media Specialist PK-12 and Health K-12. The proposed rule revises the fee collection tables in subsection (4) to reflect current policy and practice by removing references to “first-time” and “retake” registrations, as well as “full battery” tests.

Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.:
 RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On May 7, 2025 the Division of Hotels and Restaurants received a Petition for a Routine Variance for Subparagraph 3-305.11(A)(2), 2017 FDA Food Code, Section 3-305.14, 2017 FDA Food Code, Section 6-202.15, 2017 FDA Food Code, Section 6-202.16, 2017 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code from Pille Box Lunch Corp. located in Hialeah. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 51/90 on May 8, 2025. The Order for this Petition was signed and approved on May 29, 2025. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer's specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Daisy.Lee@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On May 20, 2025 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code, paragraph 61C-1.004(1)(a), Florida Administrative Code; and Section 5-203.13, 2017 FDA Food Code from Kava Villa Corp. located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees and the requirement that at least one service sink is provided for the cleaning of mops or similar cleaning tools and the disposal of mop water. They are requesting to share the bathrooms and mop sink located within a nearby establishment under a different ownership for use by customers and employees.

The Petition for this variance was published in Vol. 51/99 on May 21, 2025. The Order for this Petition was signed and approved on May 29, 2025. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms and mop sink located within BuroWynwood (Buro 79, Diana Otalvaro), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Kava Villa (Kava Villa Corp.) and/or BuroWynwood. (Buro 79, Diana Otalvaro) changes, an updated signed agreement for use of the bathroom and mop sink facilities will be required immediately.

RULE NO.: RULE TITLE:

61C-5.001 Safety Standards

The Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety hereby gives notice: On May 30, 2025, the Division issued an order. The Final Order was in response to a Petition for a routine permanent Variance from Oaks Condo Bldg A located at 411 Shady Terrace Lane Temple Terrace, FL 33617, filed March 17, 2025, and advertised on March 20, 2025, in Vol. 51, No. 55, of the Florida Administrative Register. No comments were received in response to the petition. The Final Order on the Petition for Variance denies the Petitioner a variance from Rule 3.10.12, ASME A17.3, 2015 Edition, as adopted by Rule 61C-5.001 Florida Administrative Code that requires a system to monitor and prevent automatic operation of the elevator with faulty door contact circuits, because the Petitioner has demonstrated that the purpose of the underlying statute has been met and that Petitioner would suffer a substantial hardship if required to comply with this rule (VW2025-026).

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) will hold a virtual project update concerning the State Road (S.R.) 10 (U.S. 90) Shared-Use Trail Project Development and Environment (PD&E) Study in Walton County.

This information provides interested persons an opportunity to express their views concerning the proposed improvements.

FDOT is conducting a PD&E Study to evaluate concepts for a shared-use trail and assess environmental impacts associated with the addition of a shared-use trail along U.S. 90 from Woodyard Road to Baldwin Avenue, and along Baldwin

Avenue from U.S. 90 West to U.S. 90 East in Walton County. Various alternatives, including an alternative to the Baldwin Avenue segment would route the trail along Live Oak Avenue to Circle Drive, then continue along Baldwin Avenue to U.S. 90 East. The intent of this study is to evaluate a segment of the Florida Shared-Use Non-motorized (SUN) Trail corridor extending from Pensacola to Jacksonville and provide connectivity to support a wide range of non-motorized modes of transportation for all users. The total distance of this study is 4.4 miles. The study will develop and evaluate viable alternatives and will make recommendations to address existing and future needs. Design is funded. Right of way and construction are not funded at this time.

Maps, drawings, and other information is available for review online beginning 12:00 noon (CDT), Tuesday, June 10, 2025, at www.nwflroads.com/calendar. Project materials may also be viewed by contacting the FDOT Project Manager using the information provided below.
