RULE NO.: RULE TITLE:

6A-1.0018 School Safety Requirements and Monitoring

PURPOSE AND EFFECT: This rule sets forth requirements relating to school safety and defining safety measures that schools are expected to meet. The effect of the amendment is to clarify requirements for emergency drills and safe-school officer discipline, update access control requirements, and incorporate legislative changes resulting from the 2025 session.

SUMMARY: Office of Safe Schools (OSS) will refine the definition of “school facility,” define “exclusive zone” and “nonexclusive zone,” and align access control requirements with new legislation. The district plan for cardiac emergencies and requirements for substitute teachers to receive safety plans have been added.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The changes are based on 2025 legislative changes and observations over the past year. This proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any other factors listed in s. 120.541(2)(a), F.S., and will not require legislative ratification. Based on the nature of the change and prior experience, there is no increase in regulatory cost anticipated as a result of the rule change.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal

for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NOS.: RULE TITLES:

Laws and Rules Examination; Additional
Requirements After Third Failure

PURPOSE AND EFFECT: The Board proposes an amendment to update and clarify the rules and applications for licensure and examinations to conform with the new and amended statutes.

SUMMARY: The proposed rule amendment updates the rule language and applications for licensure and examinations to conform with the new and amended statutes.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF CHILDREN AND FAMILIES

Agency for Persons with Disabilities

RULE NO.: RULE TITLE:

65G-2.002 License Application and Renewal Procedures

The Agency for Persons with Disabilities hereby gives notice: the Agency received a petition for variance and/or waiver of

subsection 65G-2.002(7), F.A.C., from Ms. Angela Edwards on behalf of Damaris Place Group Home ("Petitioner"), on May 2, 2025, which was published in Vol. 51/95 of the F.A.R. Petitioner is seeking a permanent variance and/or waiver from the Rule, which states, "A license to operate a facility is not assignable and is valid only for the applicant identified on the application, and for the premises and purposes specified on the license." Operation of the rule would preclude Petitioner from providing necessary services to a non-resident client who is legally blind and has been receiving care at Damaris Place for over a decade.

Petitioner has demonstrated that the underlying purpose of the statute can be met, and strict compliance with the rule would violate principles of fairness. Principles of fairness would be violated under strict application of the rule, as the client would be uniquely impacted should he have to seek services elsewhere, as any other facility would be difficult for him to navigate or understand due to his blindness. The client is familiar with Damaris Place, as he has received care there for over a decade of his life. The purpose of the underlying statute, section 393.066(1), F.S., is also achieved by this arrangement, which has the stated purpose to "allow clients to live as independently as possible in their own homes or communities and to achieve productive lives as close to normal as possible", as the client is able to return home to his family each night, while still enjoying the community at Damaris Place.

The Petition is hereby granted in part pursuant to the Agency Final Order dated June 17, 2025. The variance shall be effective from July 1, 2025, through June 30, 2028, subject to renewal pending receipt of a new petition.

A copy of the Order or additional information may be obtained by contacting: Kayla Sizemore, Agency Clerk, 4030 Esplanade Way, Suite 335, Tallahassee, Florida 32399-0950, (850)412-0078, APDagencyclerk@apdcares.org.
