RULE NO.: RULE TITLE:

64B12-9.0015 Application for Examination and Licensure
PURPOSE AND EFFECT: One of the forms incorporated in the rule, Form DH-MQA 1065 (Optician Application for Examination), is revised to reflect new background screening requirements in s. 456.0135, F.S.

SUMMARY: One of the forms incorporated in the rule, Form DH-MQA 1065 (Optician Application for Examination), is revised to reflect new background screening requirements in s. 456.0135, F.S.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF HEALTH

Board of Massage Therapy

NOTICE IS HEREBY GIVEN that Board of Massage Therapy has issued an order disposing of the petition for declaratory

statement filed by Christopher Helou-Decos, on March 14, 2025. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 51, No. 53, of the March 18, 2025, Florida Administrative Register. The Petitioner seeks a Declaratory Statement from the Board asking six (6) broad scope of practice questions but fails to set forth any factual context to the questions or particular set of circumstances under which he questions a massage therapist's scope of practice. The Board considered the petition at the duly-noticed public meeting held on April 23, 2025, in Tallahassee, Florida, and found that the Petitioner asked broad practice questions requesting general practice advice rather than the information that would help him resolve a legal problem arising from a particular set of circumstances. Given the limited scope of petitions for declaratory statements, the Florida Board of Massage Therapy hereby declined to issue a declaratory statement in response to the petitioner's Petition for Declaratory Statement. The Board's Order was filed on June 25, 2025.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Stephanie Webster, Executive Director, Board of Massage Therapy, at the above listed address, (850)245-4162, or by electronic mail – stephanie.webster@flhealth.gov.
