RULE NO.: RULE TITLE:

64B32-6.004 Procedures for Approval of Attendance at Continuing Education Courses

PURPOSE AND EFFECT: The Board proposes an amendment updating and clarifying the rule for approved continuing education.

SUMMARY: The Board proposes an amendment updating and clarifying the rule for approved continuing education.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Section V Petitions and Dispositions Regarding Rule Variance or Waiver

PUBLIC SERVICE COMMISSION

RULE NO.: RULE TITLE:

25-30.140 Depreciation

The Florida Public Service Commission hereby gives notice: K W Resort Utilities Corporation's petition filed on April 3, 2025, seeking a variance from paragraph 25-30.140(1)(k), Florida Administrative Code (F.A.C.), in Commission Docket No. 20240108-SU, was addressed by Order No. PSC-2025-0289-PAA-SU, issued July 28, 2025, amended by Order No. PSC-2025-0289A-PAA, issued August 1, 2025, and consummated by Order No. PSC-2025-0312-CO-SU, issued August 19, 2025. Paragraph 25-30-140(1)(k), F.A.C., addresses, in relevant part, the requirement to adjust depreciable property for net salvage for accounting purposes. Pursuant to Section 120.542, Florida

Statutes, K W Resort Utilities Corporation's petition was denied on the basis that K W Resort Utilities Corporation did not prove that the application of the rule creates a substantial hardship or violates principles of fairness, or that its requested rule waiver would serve the purpose of the underlying statute. Notice of the petition was published in the Florida Administrative Register on April 8, 2025.

A copy of the Order or additional information may be obtained by contacting: A copy of the Orders may be obtained from the Office of the Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850; (850)413-6770.

DEPARTMENT OF THE LOTTERY

RULE NOS: RULE TITLES

53ER23-20 Payment of Prizes

53ER23-50 \$5,000,000 Triple Match

The Department of the Lottery hereby gives notice: On August 15, 2025, the Department entered a Final Order denying Axay Patel's Petition for Variance or Waiver, which was received on June 10, 2025, of subsection (16) of Emergency Rule 53ER23-20 (Payment of Prizes) and subsections (11) and (12) of Emergency Rule 53ER23-50 (\$5,000,000 Triple Match). Both Rules of the Florida Administrative Code. The above-cited rule sections require that a Lottery prize winner elect to take a single cash payment in lieu of yearly payments within 60 days of the date a Lottery ticket is validated. The Petitioner missed the 60-day deadline and sought a waiver of the requirement and permit him to obtain a single cash payment. The Department published its notice of receipt of the Petition in the June 23, 2025 edition of the Florida Administrative Register and has received no comments. The Petition was denied due to Petitioner's failure to establish a substantial hardship or a violation of the principles of fairness, that is required under section 120.542(2), Florida Statutes.
