Notice of Development of Proposed Rules and Negotiated Rulemaking

DEPARTMENT OF EDUCATION

Division of Early Learning

RULE NO.: RULE TITLE:

6M-8.210 Reenrollment in the Voluntary

Prekindergarten (VPK) Education Program

PURPOSE AND EFFECT: To revise eligibility criteria to reenroll in a Voluntary Prekindergarten (VPK) Education Program in accordance with House Bill 1255, which removes the 70% completion threshold as criteria for reenrollment, removes redundant language throughout the rule, and removes unnecessary barriers preventing children from reenrolling in a VPK program and completing all instructional hours. These changes allow a student to withdraw and reenroll regardless of how much of the program the student completed. Additionally, VPK providers will have the opportunity to serve more children and provide more instructional time to children who reenroll into their program and reduces regulatory burden on early learning coalitions, allowing them to process VPK reenrollment requests more efficiently.

Section II Proposed Rules

DEPARTMENT OF HEALTH

Board of Massage Therapy

RULE NO.: RULE TITLE:

64B7-30.002 Disciplinary Guidelines

PURPOSE AND EFFECT: The board decided to upgrade penalties for sexual activity, and prostitution related violations due to the continued presence of such violations.

SUMMARY: The board decided to upgrade penalties for sexual activity, and prostitution related violations due to the continued presence of such violations.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
