PURPOSE AND EFFECT: The primary reason for the proposed changes is the 2018 amendment to Article X of the Florida Constitution, which banned all live dog racing and wagering in Florida after December 31, 2020. The proposed rule amendments delete references to dog tracks and add references to cardrooms for guide signs associated with such pari-mutuel facilities. The changes also add a definition for and references to the Americans with Disabilities Act. Finally, the proposed amendments update references to the Standard Specifications for Road and Bridge Construction and the Design Manual, and make various grammatical and clarifying changes.

 RULE TITLE: Requirement for Physician Office Surgery Registration; Inspection or Accreditation

PURPOSE AND EFFECT: The proposed rule amendment will incorporate the office surgery registration application into the rule and the text will be updated as needed.

SUMMARY: The proposed rule amendment incorporates the application into the rule and update text.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On January 7, 2025 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code from Mr. Beef of Naples LLC. located in Naples. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers and employees.

The Petition for this variance was published in Vol. 51/05 on January 8, 2025. The Order for this Petition was signed and approved on January 21, 2025. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the

Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within G&W Group LLC. (dba: Delicias Latina), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Mr. Beef of Naples LLC (Mr. Beef of Naples on Airport Rd) and/or G&W Group LLC. (Delicias Latina) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the Order or additional information may be obtained by contacting: Daisy.Lee@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

The Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety hereby gives notice: On January 27, 2025, the Division issued an order. The Final Order was in response to a Petition for a Routine Permanent Variance from WTP Operations Building at 3400 Transmitter Rd., Panama City, FL 324047, filed January 8, 2025, and advertised on January 10, 2025, in Vol. 51, No. 07, of the Florida Administrative Register. No comments were received in response to the petition. The Final Order on the Petition for Variance grants the Petitioner a variance from Rule 2.8.3.3 ASME A17.1, 2016, edition, as adopted by Rule 61C-5.001 Florida Administrative Code that requires sprinkler systems conforming to NFPA 13 or the NBCC, whichever is applicable (see Part 9), shall be permitted to be installed in the hoistway, machinery space, machine room, control space, or control room subject to 2.8.3.3.1 through 2.8.3.3.4, because the Petitioner has demonstrated that the purpose of the underlying statute has been met and that Petitioner would suffer a substantial hardship if required to comply with this rule (VW2025-003).
