RULE NO.: RULE TITLE:

64B8-44.003 Disciplinary Guidelines

PURPOSE AND EFFECT: The Board proposes the rule amendment to add an additional violation of license law as created by SB 1808 and set forth in Chapter 2025-48, Laws of Florida, relating to refunding overpayments to patients.

SUMMARY: The Board proposes the rule amendment to add an additional violation of license law as created by SB 1808 and set forth in Chapter 2025-48, Laws of Florida, relating to refunding overpayments to patients.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No
