Section II Proposed Rules

DEPARTMENT OF EDUCATION

Division of Early Learning

RULE NO.: 6M-8.301 RULE TITLE: Statewide Provider Contract for the

Voluntary Prekindergarten (VPK) Program

PURPOSE AND EFFECT: Section 1002.73(1), F.S., requires the department to adopt by rule a standard statewide provider contract to be used with each Voluntary Prekindergarten Education Program provider, with standardized attachments by provider type. The rule establishes the statewide VPK contract for private providers and school districts and adopts incorporated forms by reference.

SUMMARY: The rule is amended to update references to the incorporated forms for consistency, update the form dates and remove language that directs individuals to the department for copies of the incorporated forms. Additionally, rule forms are amended to revise specific paragraphs of the statewide provider contract pertaining to contract terms, provider deliverables, accountability provisions, indemnification and contract exhibit.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: An economic analysis for the proposed rule determined that there are no potential regulatory costs that exceed the criteria under Section 120.541(2)(a), F.S. and it will not require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

(8) VPK Program Ineligibility. For the purpose of this subsection, "individual associated with a provider" means an individual or family member of an individual who, regardless of compensation, holds a management position, oversees the operations of a provider, or is an officer, shareholder, beneficial owner, or member of the board of directors of a provider. A provider will not be eligible to contract to offer the VPK program if any of the following circumstances apply:

(a) The coalition may refuse to contract with a provider or revoke a VPK provider's eligibility to deliver the VPK program if the provider has been cited for a Class I violation by the Department of Children and Families (DCF), or local licensing agency, as applicable, in accordance with Rules 65C-22.010 or 65C-20.012, F.A.C. (as applicable to the provider type). Action taken by a coalition or school district to revoke a provider's eligibility must be consistent with Sections 1002.55(6), 1002.61(10)(b), or 1002.63(9)(b), F.S., whichever is applicable. If the coalition chooses to implement this provision, the coalition must develop policies and procedures in accordance with Rule 6M-8.702, F.A.C., to ensure the standard is applied consistently to all VPK providers.

(b)(a) The provider is on the United States Department of Agriculture National Disqualified List, has been terminated from participation in the VPK Program due to fraud and is currently not eligible to participate in the program, or is currently ineligible to participate in the VPK Program pursuant to Sections 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.;

(c)(b) An individual associated with the provider was, or is, associated with another provider that is on the United States Department of Agriculture National Disqualified List, has been terminated from participation in the VPK Program due to fraud and is currently not eligible to participate in the program, or is currently ineligible to participate in the VPK Program pursuant to Sections 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.;

(e) The provider has been terminated from participation in the VPK program due to fraud and is currently not eligible to participate in the program;

(d) An individual associated with the provider was, or is, associated with another provider that has been terminated from participation in the VPK program due to fraud and is currently not eligible to participate in the VPK program;

(e) The provider is currently ineligible to participate in the VPK program due to revocation of eligibility by the early

~~learning coalition or the school district pursuant to Section 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.; or~~

~~(f) An individual associated with the provider was, or is, associated with another provider that is currently ineligible to participate in the VPK program due to revocation of eligibility by the early learning coalition or the school district pursuant to Section 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.~~

~~(d)(g) For providers removed from eligibility due to noncompliance with Section 1002.68, F.S., the revocation of removal from eligibility applies to VPK program type (school-year or summer) in accordance with Rule 6M-8.702, F.A.C. Therefore, in paragraphs (8)(e) and (f), above, ineligibility to contract is per program type.~~

(9) Transfer of ownership. In the event of a change of ownership, sale, sale of assets, conveyance of ownership, or other transfer of ownership interest, the provider must notify the coalition no later than thirty (30) calendar days prior to the transfer of ownership. The coalition and new owner must execute a new VPK Provider Contract for VPK services, provided the new owner meets the eligibility requirements of Section 1002.55 or 1002.61, F.S., whichever is applicable, and is not ineligible to contract ~~disqualified from contracting~~ pursuant to subsection (8) of this rule. Upon receipt of a request for a new contract due to a transfer of ownership, the coalition has up to thirty (30) calendar days to execute or decline a new contract. This timeline may be extended if all prerequisite requirements have not been met.

~~(10) The early learning coalition may refuse to contract with a provider or revoke a VPK provider's eligibility to deliver the VPK program if the provider has been cited for a Class I violation by the Department of Children and Families (DCF), in accordance with Rule 65C-22.010 or 65C-20.012, F.A.C. (as applicable to the provider type), or local licensing agency (as applicable to the provider location). Action taken by a coalition or school district to revoke a provider's eligibility must be consistent with Section 1002.55(6), 1002.61(10)(b), or 1002.63(9)(b), F.S., whichever is applicable, in that the revocation must be for a period of at least two (2) years but no more than five (5) years. If the coalition chooses to implement this provision, the coalition must develop policies and procedures to ensure the standard is applied consistently to all potential and current VPK providers. Each coalition must;~~

~~(a) Develop policies and procedures that are written and available to all current and potential providers. The policies and procedures developed must state the time period for violations considered;~~

~~(b) Document all actions taken by the coalition or school district to remove a VPK provider from the program or revoke a provider's eligibility; and~~

~~(c) Ensure providers are offered due process as described in paragraph 61 of VPK Provider Contract.~~

~~(10)(11) VPK Logotype Usage and Brand Guidelines, Form DEL-VPK 20B (February 2026 2023), titled "VPK Logotype Usage and Brand Guidelines", is hereby incorporated by reference and available at (<http://flrules.org/Gateway/reference.asp?No=Ref-19024>). located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees. They are requesting to utilize bathrooms located on a different level.

The Petition for this variance was published in Vol. 51/229 on November 25, 2025. The Order for this Petition was signed and approved December 08, 2025, after a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located on the first floor level (level 01) are maintained in a clean and sanitary manner and are provided with hot and cold running water under pressure, soap, approved hand drying devices, handwash sign and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed in the main restaurant area clearly stating the location of the bathrooms.
