Proposed Rules

NONE

Section III
**Notice of Changes, Corrections and
 Withdrawals**

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: RULE TITLE:
 62-610.573 Storage Requirements
 NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 50 No. 220, November 8, 2024 issue of the Florida Administrative Register.

This corrects coding errors and includes existing rule language.

62-610.573 Storage Requirements.

(1) through (2) No change.

(3) A separate, off-line system shall be provided for storage of off-spec reclaimed ~~reject~~ water not associated with a potable reuse project. ~~Reject~~ Off-spec reclaimed ~~Reject~~ water storage shall have sufficient capacity to ensure retention of reclaimed water of unacceptable quality. At a minimum, for treatment facilities required to provide full treatment and disinfection, this capacity shall be the volume equal to three days flow at the average daily permitted flow of the treatment plant, or the average daily permitted flow of the reuse system, whichever is less. If full treatment and disinfection is not required, the capacity requirement shall be reduced to one day's flow. Provisions for recirculating this off-spec reclaimed ~~reject~~ water to other parts of the treatment plant for further treatment shall be incorporated into the design. Off-spec reclaimed water ~~Reject~~ storage shall not be required if another permitted reuse system requiring lower levels of preapplication treatment or effluent disposal system is capable of discharging the reject water in accordance with the requirements of Chapter 62-620, F.A.C. Off-spec reclaimed water ~~Reject~~ storage ponds shall be lined or sealed to

prevent measurable seepage, as described in Rule 62-610.414, F.A.C.

(4) No change.

(5) Off-spec water storage requirements for potable reuse projects are in Chapter 62-565, F.A.C.

Rulemaking Authority 403.051, 403.061, 403.087 FS. Law Implemented 403.021, 403.051, 403.061, 403.062, 403.085, 403.086, 403.087, 403.088 FS. History—New 4-4-89, Amended 4-2-90, Formerly 17-610.573, Amended 1-9-96, 8-8-99, 4-1-21, xx-xx-xx.

MOTE MARINE LABORATORY
 The Florida Department of Environmental Protection and Mote Marine Laboratory announces a public meeting to which all persons are invited.
DATE AND TIME: February 20, 2025, 1:00 p.m.

PLACE: Apalachicola National Estuarine Research Reserve -- 108 Island Dr., Eastpoint, FL 32328
GENERAL SUBJECT MATTER TO BE CONSIDERED:
 Florida Seagrass Restoration Technology Development Initiative, Technical Advisory Council meeting. Discuss status of 403.93344 Florida Statutes, an independent and coordinated effort among public and private research entities to develop restoration technologies and approaches to address the loss of seagrass and the cascading ecological and economic impacts of that loss to communities in this state.
 A copy of the agenda may be obtained by contacting: Kevin Claridge, 1600 Ken Thompson Parkway, Sarasota, FL 34236, (941)388-4441, ext. 275, kclaridge@mote.org or Eve Iavarone, 12300 Fruitville Rd., Sarasota FL 34240, (941)388-4541, ext. 138, eiavarone@mote.org
 Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Kevin Claridge, 1600 Ken Thompson Parkway, Sarasota, FL 34236, (941)388-4441, ext. 275, kclaridge@mote.org or Eve Iavarone, 12300 Fruitville Rd., Sarasota FL 34240, (941)388-4541, ext. 138, eiavarone@mote.org. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).
 If any person decides to appeal any decision made by the Board with respect to any matter considered at this meeting or hearing, he/she will need to ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence from which the appeal is to be issued.
 For more information, you may contact: Kevin Claridge, 1600 Ken Thompson Parkway, Sarasota, FL 34236, (941)388-4441, ext. 275, kclaridge@mote.org or Eve Iavarone, 12300 Fruitville Rd., Sarasota FL 34240, (941)388-4541, ext. 138, eiavarone@mote.org.

THE VALERIN GROUP, INC.
 The Florida Department of Transportation (FDOT) announces a public meeting to which all persons are invited.
DATE AND TIME: Thursday, February 13, 2025, 5:30 p.m. – 7:00 p.m.
PLACE: In-Person at Shores Community Center and virtually
GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) will hold a project open house regarding proposed improvements on State Road (S.R.) A1A (Dunlawton Avenue and South Atlantic Avenue) from U.S. 1 (Ridgewood Avenue) to Davis Street in Volusia County. (FPID nos. 450666-1 & 450666-2)

The purpose of this project is to resurface the existing pavement to extend the life of the roadway and to enhance pedestrian safety along S.R. A1A within the project limits. The open house is being held to present information and receive community feedback.

The in-person open house will be held at Shores Community Center, 3000 Bellemead Dr., Daytona Beach Shores, FL 32118. Attendees will be able to view a looping presentation and project displays, speak with project team members, and submit comments or questions.

To provide additional flexibility for stakeholders, the FDOT is also offering online opportunities to get involved:

- Join an online webinar at 5:30 p.m. to watch a project presentation and submit written questions or comments using the webinar questions box. To attend using this option, register at https://fdot.cc/SR_A1A_Improvements. Please make sure to provide adequate time to log in to view the presentation in its entirety.
- Visit the project website at your convenience at www.CFLRoads.com/450666-1 or www.CFLRoads.com/450666-2. Visitors to the page may watch the project presentation, view project exhibits, and submit comments and questions directly to the project manager. Project materials will be available beginning Thursday, February 13, and will be the same as what will be shared at the in-person open house. While the information will remain on the website throughout the project, please provide comments or questions by Monday, February 24, 2025, to have the comments included in the open house record.

If you are unable to attend the open house or participate online, you may contact the FDOT project manager directly at the phone number listed below.

FDOT is seeking feedback from nearby property owners, business owners, interested persons, organizations, and the general public about this project and the proposed improvements.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Melissa McKinney, FDOT District Five Title VI Coordinator, at Melissa.McKinney@dot.state.fl.us.

A copy of the agenda may be obtained by contacting: Not applicable

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 7 days before the workshop/meeting by contacting: Carolyn Fitzwilliam at 386-943-5221 or by email at Carolyn.Fitzwilliam@dot.state.fl.us. If you are hearing or speech impaired, please contact the agency using the Florida

Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

For more information, you may contact: FDOT Project Manager, Ty Garner, by phone at 386-943-5299, by email at Ty.Garner@dot.state.fl.us, or U.S. mail at Florida Department of Transportation, 719 South Woodland Blvd., M.S. 542, DeLand, FL 32720. Information about this project is also available online at www.cflroads.com. Simply type 450666-1 or 450666-2 in the search box, click “go” and then select the project. We encourage you to participate in the S.R. A1A Improvements project open house.

Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF FINANCIAL SERVICES
Finance

NOTICE IS HEREBY GIVEN that the Office of Financial Regulation has received the petition for declaratory statement from OptumRx, Inc. The petition seeks the agency’s opinion as to the applicability of Chapter 559, Florida Statutes, as it applies to the petitioner.

On 2/3/2025, the Office of Financial Regulation (Consumer Finance) received a Petition for Declaratory Statement from OptumRx, Inc. The petition seeks a declaratory statement from the Office on whether Petitioner's proposed activities (to provide billing and collection services to health insurers and health maintenance organizations on behalf of health care providers) require registration under Chapter 559, Florida Statutes. Except for good cause shown, motions for leave to intervene must be filed within 21 days after publication of this notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.gov.

Please refer all comments to: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.gov.

DEPARTMENT OF EDUCATION

University of North Florida

UNF ITB 25-06 Lazzara Performance Hall Lighting & Sound Upgrades

Notice of Invitation to Bid

UNIVERSITY OF NORTH FLORIDA PROCUREMENT SERVICES ITB# 25-06 Lazzara Performance Hall Lighting & Sound Upgrades

The University of North Florida Board of Trustees, a public body corporate, is requesting the services of a qualified General Contractor or Contractors to complete the Lazzara Performance Hall lighting and sound upgrade.

located at 1 UNF Drive, Jacksonville, Florida 32224.

Project information

The scope of work includes all labor, materials, and supervision required for the lighting and sound upgrade for performance hall. The awarded contractor must be experienced in theater lighting and sound construction and installation. See drawings and specifications for full scope of work.

The proposed schedule for this project is:

Advertisement	February 6, 2025
Pre-Bid meeting	February 13, 2025, at 2:30 p.m.
Site Visit	February 17, 2025, at 2:30 p.m.
Deadline for questions	February 26, 2025, at 12:00 p.m.
Response to questions	March 03, 2025

Bids due March 11, 2025, at 2:00 p.m.

Responses will only be accepted electronically through the UNF Bid Portal. Responses delivered in-person, by mail, by fax, or by email will be deemed non-responsive.

Bonds & Insurance

The University requires a Builders Risk policy for this project. Additional insurance requirements as provided in the University's Terms and Conditions and resulting contract, if any, will apply.

A Bid Security in the amount of five percent (5%) of the total contract price is required. The Contract, if over \$100,000, will require a 100% Performance and Payment Bond.

Solicitation documents, forms, drawings and descriptive project information may be obtained online at <https://bids.sciquest.com/apps/Router/PublicEvent?CustomerOrg=UNF>

DEPARTMENT OF CITRUS

RFP No. 24-01 Canada Retail Marketing and Public Relations

The procurement office is soliciting formal, competitive bids for RFP 24-01. The RFP public opening is scheduled for 10:00 a.m. EST, February 28, 2025, at 605 E. Main Street, Bartow, FL 33830. The Department will post any changes or additional meeting(s) on the Vendor Bid System (VBS) in accordance with Section 287.042(3), F.S., and will not re-advertise any notice in the Florida Administrative Register (FAR). CITY OF PALMETTO

Proceeding with Unsolicited Proposal for 320 10th Ave. West Palmetto, FL 34221

Notice of Bid/Request for Proposal

Report on City of Palmetto

Proceeding with Unsolicited Proposal for 320 10th Ave. West Palmetto, FL 34221

Pursuant to Section 255.065(3)(d), Florida Statutes

On August 18, 2024, the City of Palmetto (City) received a public/private (P3) unsolicited proposal from Gray Property Group for the acquisition and development of the 1.16-acre municipal parking lot located at 320 10th Avenue West.

On December 16, 2024, the City Commission held the first duly noticed public meeting pursuant to section 255.065(3)(c), Florida Statutes.

On January 6, 2025, the City Commission conducted its second duly noticed public meeting on Gray Property Group’s unsolicited proposal pursuant to section 255.065(3)(c), Florida Statutes. The City Commission heard public comments from the public at the meeting. The City Commission made a motion that Gray Property Group’s unsolicited proposal for 320 10th Avenue West was in the public’s interest in a vote 4 to 1 based upon the following:

1. The benefits to the public.
 - a. This unsolicited proposal from Gray Property Group offers several benefits to the public, such as;
 - i. Economically, the project will increase the City’s property tax revenue by at least \$600,000/year, pay \$500,000+ in municipal impact fees, create 100+ development and construction jobs prior to completion, and create 100+ retail/restaurant jobs afterwards. This new economic activity will spread to every neighborhood in Palmetto, directly or indirectly.
 - ii. From a housing standpoint, the project will produce 75 luxury apartments with waterfront views. These apartments will be market-rate, but will be much more affordable than the cost of waterfront condos for sale, thereby providing housing for the middle and upper-middle class segment of the local population.
 - iii. Culturally, the project will include at least 7 attractive retail and dining establishments that will prompt the public to gather at the Palmetto waterfront, which in turn will foster greater enjoyment of the Manatee River.
 - iv. From a public services perspective, the project will

feature 250 public/retail covered parking spaces (100 designated for city use) and 20 street parking spaces, more than 3 times the current figure of 79 uncovered spaces in the 320 10th Avenue W parking lot.

v. Optically, and perhaps most importantly for the City’s long-term growth, the project will make a strong statement that Palmetto is a vibrant and desirable place to live, work, and play, thereby serving as a catalyst for the continued revitalization of Downtown Palmetto.

2. The financial structure of and the economic efficiencies achieved by the proposal.

a. Gray Property Group estimates that the total development cost, inclusive of the residential, retail, and covered parking spaces, will be ~\$59.2M. To finance this project, they would secure commercial bank financing at 60% LTC or \$35.52M. They propose that the City contributes \$3.5M towards the construction of 100 designated city public parking spaces. Developer would invest \$20.18M in equity.

Project’s Total Sources tabulation is as follows:

Commercial Bank Debt:	\$35,520,000
City Parking Contribution:	\$ 3,500,000
Investor Equity:	\$20,180,000
Total Development Cost:	\$59,200,000

Developer is confident that they would raise this \$20.18M equity figure well in advance of municipal planning approval, and that financing would pose no challenge to this development.

3. The qualifications and experience of the private entity that submitted the proposal and such an entity’s ability to perform the project.

a. Nick Gray is the owner and managing principal of Gray Property Group, a multifamily development, sales, property management, and maintenance company based in Manchester, NH, and Sarasota, FL. Founded in 2019, the company owns and manages ~250 apartments in Southern New Hampshire and has a skilled team comprised of 16 personnel in addition to Mr. Gray: a business development specialist, an acquisitions analyst, a staff accountant, two property managers, two leasing agents, four maintenance technicians, and five sales agents.

b. On an individual level, Mr. Gray has worked in the real estate industry for 7 years as a multifamily investor and broker, having built a now sizable business from a small duplex that he purchased in 2017 at age 23.

c. Gray Property Group has assembled a skilled team of professionals to bring this envisioned development to fruition. The team members are as follows:

- i. Developer: Gray Property Group
- ii. Architect: DSDG Architects

- iii. Planner & Civil Engineer: Morris Engineering
 - iv. Construction: Voeller Construction
 - v. Legal Counsel: Dye Harrison Knowles et al, PLLC
4. The project’s compatibility with regional infrastructure plans.
- a. Developer is under contract to purchase the property at 336 10th Avenue W (separate parcel to North and contiguous to City-owned 320 10th Ave West) zoned Commercial Core (CC) with a future land use designation of Downtown Commercial Core (DCOMC). Given these classifications, the lot is allowed 35 dwelling units per acre, a 60’ or 5-story height limit, and a 7.0 Floor to Area Ratio (FAR). Given this, the 0.51-acre lot can practically support 8,000 SF of first floor retail, second floor parking, and 17 residences on the third and fourth floors.
 - b. The property at 320 10th Avenue W is zoned Public (P) with the same future land use designation of Downtown Commercial Core (DCOMC). The proposed project would require a rezone of the city lot from its P zoning to a mixed-used planned development (PD-MU). As proposed, a comprehensive plan amendment to land use code Planned Community (PC) would also be required to get density and height requirements for this project.
 - c. Similarly, because of the 60’ foot or 5-story height maximum in the CC district and the fact that 250 public/retail parking spaces would consume the majority of 3 stories, the proposal would not be feasible with a rezone of 320 10th Avenue W to the CC district. Therefore, the proposal is contingent on a rezone of both 320 and 336 10th Avenue W to a mixed-use planned development (PD-MU) and future land use code Planned Community (PC), which allows a maximum of 45 dwelling units per acre, a 15-story height limit, and a 10.0 Floor to Area Ratio (FAR). The project would consume only 8 of the 15 allowed stories as a planned development and the rezone to PD-MU would be well-justified in that ~2.5 stories of the structure’s height would be for public parking.
 - d. Once both lots are assembled into a single 1.67-acre parcel zoned PD-MU, the project could practically support our preliminary design of 75 apartments, ~32,000 SF of retail, and 400 covered parking spaces (250 public/retail and 150 resident).
 - e. The majority of 320 10th Avenue W is located within the Coastal High Hazard Area (CHHA), which limits residential development to a density of 10 dwelling units per acre. The Developer proposes that city approvals for the project’s 45 dwelling unit per acre density be contingent upon first step in sitework being to elevate the property to a sufficient level so that the CHHA map can be revised, removing the site from the CHHA boundaries and ensuring compliance with the CHHA

ordinance. Alternatively, the developer has requested the City to amend its comprehensive plan to allow higher densities in the CHHA area if certain evacuation standards are met.

5. Public comments submitted at the meeting. The public comments were specifically related to the wastewater treatment plant capacity. In making its decision, the City considered all public comments, and the Mayor and Commissioners specifically made comments in response supporting their decisions. Since the City Commission and the public will have further opportunities to review, consider, and comment upon the comprehensive agreement for the development of 320 10th Avenue West, the City believes the comments made will be sufficiently addressed in the forthcoming agreements.

2. The factors considered in making such public interest determination.

The factors that were taken into account by the City when making its public interest determination, as outlined earlier, include:

- Consistency with the city’s comprehensive plan and zoning laws.
- Financial feasibility and the economic viability of the project.
- Redevelopment of the downtown waterfront area.
- Economic benefits to the city including increased tax base and public parking
- The public benefits such as job creation, infrastructure improvements, waterfront housing, walkability in the downtown.
- Environmental impacts.
- The allocation of risk and responsibility between the public and private parties.
- Compliance with applicable laws.
- Community input

3. The City’s findings based on each considered factor.

The city must present specific findings regarding each of the factors considered. These findings should explain how the city evaluated each factor and the conclusions it reached based on the proposal. For instance:

The City concludes that the Gray Property Group proposal aligns with the local comprehensive plan (after rezoning, Comp Plan amendment, and CHHA modifications as discussed above, if approved) and the proposed financial ability to complete the project which includes commercial bank debt, investor equity, city contributions towards parking, and potential incentives offered via the CRA TIF rebate is reasonable.

The findings include an assessment of how well the proposal addresses revitalization of our downtown. The proposed grand mixed-use property which will provide a combination of commercial/retail spaces, public parking and waterfront market rate housing for middle and upper middle-class residents will significantly benefit the revitalization of the downtown.

The passage of this motion was 4-1.

The Mayor there upon declared this motion duly passed and adopted on the 6th of January 2025.

CITY OF PALMETTO

Daniel West, Mayor

ATTEST: James Freeman, City Clerk
