GENERAL SUBJECT MATTER TO BE CONSIDERED: The City of Lakeland invites you to attend and participate in a Phase 3 – Construction – Public Information Meeting for the Lake Bonnet Drainage Basin Hazard Mitigation Project, scheduled for Tuesday, June 9, 2026, from 6:30 p.m. to 8:30 p.m. to inform elected and appointed officials, agencies, property owners, and stakeholders about project updates since the last meeting; what to generally expect during the construction phase; and anticipated activities and timelines. Meeting notices are being sent to property owners, residents, and businesses located within the study area and to other public officials, regulatory agencies, organizations, and individuals interested in the project.

The purpose of the project is to restore the wetlands around the project corridor, remove excess sediments that have accumulated in the lake, and improve the conveyance system in the Lake Bonnet Drainage Basin. The project also seeks to enhance the overall well-being of the community and the natural environment of the area.

The City of Lakeland was awarded a \$42.9 million grant from the Florida Department of Commerce (DOC). The grant is facilitated through the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant Mitigation (CDBG-MIT) initiative, as part of the Rebuild Florida Mitigation General Infrastructure Program. Grants were awarded to complete large-scale infrastructure projects to mitigate and harden against natural disaster risks, including severe flooding and hurricanes, targeting HUD and state-designated impacted and distressed areas.

To allow for maximum participation, the Phase 3 – Construction – Public Information Meeting will be held in two formats, including both an in-person location and a live online session.
