RULE NO.: RULE TITLE:

64B9-3.008 Licensure by Endorsement

PURPOSE AND EFFECT: The Board proposes the rule amendment to codify which examinations are recognized by the board for licensure by endorsement.

SUMMARY: The amendment codifies which examinations are recognized by the board for licensure by endorsement.

SUMMARY OF STATEMENT OF ESTIMATED
REGULATORY COSTS AND LEGISLATIVE
RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF THE LOTTERY

RULE NO.: RULE TITLE:

53ER26-8 FANTASY 5®

SUMMARY: This emergency rule sets forth the provisions for the draw game FANTASY 5®.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Minerva A. Simpson, Attorney, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER26-8 FANTASY 5®

(1) How to Play FANTASY 5.

(a) FANTASY 5 is a Draw lottery game, also known as an online terminal game, in which players select five numbers from a field of one (1) to thirty-six (36).

(b) For purposes of this rule, a “play slip” is defined as an original paper play slip issued and approved by the Florida Lottery for the FANTASY 5 game, or a digital play slip for the FANTASY 5 game generated using the Florida Lottery Mobile Convenience App (“App”). Except where necessary herein to

differentiate between a paper play slip and a digital play slip, the term “play slip” shall be inclusive of both types of play slips.

(c) Players may make their FANTASY 5 ticket selections by: using a play slip; using a Florida Lottery vending machine (“vending machine”), if a vending machine for Draw game ticket purchases is available at the retailer location; by telling the retailer their desired selections; or by requesting to use the Play it Again feature.

(d) Play Slip.

1. Paper Play Slip.

a. There are ten panels on a paper FANTASY 5 play slip. Each panel played will cost \$1.00 per drawing. Players may mark their desired numbers on the paper play slip by selecting five numbers on each panel played or may mark the “Quick Pick” box located at the bottom of each panel for the terminal to randomly select one or more of the five numbers. A “Void” box is also located at the bottom of each panel and should be marked by the player if an error was made in his or her selections in a panel. Players may mark the \$5 “Quick Picks” box to receive one ticket with five sets of five randomly selected numbers for the next available FANTASY 5 drawing; or may mark the \$10 “Quick Picks” box to receive one ticket with ten sets of five randomly selected numbers for the next available drawing. Players may mark the \$5 Quick Picks box or \$10 Quick Picks box in addition to panel plays.

b. To choose a draw time, players will mark “MID” (Midday draw), “EVE” (Evening draw), or “BOTH” (both Midday and Evening draws). If no draw time is chosen, the play will be for the next available drawing. If the MID, EVE, or BOTH box is marked and a \$5 or \$10 Quick Picks (for next draw) box is also marked, the MID, EVE, or BOTH choice will be overridden, and the \$5 or \$10 Quick Picks will be for the next available drawing. Midday and Evening draws played will print on separate tickets.

c. Players may also add EZmatch™ by marking the applicable EZmatch box in a panel on a play slip. EZmatch costs an additional \$1.00 per play. Marking the EZmatch box in a panel will add EZmatch to only the panel marked. Each panel played with EZmatch will be printed on a separate ticket.

d. Paper play slips must be Florida Lottery approved and players must use only blue or black ink or pencil for making selections. Paper play slips may be processed through a vending machine or processed by a Florida Lottery retailer to obtain a ticket.

2. Digital Play Slip.

a. How to Create a Digital Play Slip. From the Landing Page on the Mobile App, a player should select the FANTASY 5 game icon and then click on “Pick Numbers.” For each panel played, the player should either select his or her numbers from a field of numbers described in paragraph (1)(a) or use the “Random Numbers” or “Shake to Play” feature for the App to

provide the player random numbers. Up to ten panels may be created on one digital play slip.

b. A Player will choose a draw time by selecting “MID” (Midday draw), “EVE” (Evening draw), or “BOTH” (both Midday and Evening draws).

c. If a player desires to add EZmatch to all panels played, he or she should click the EZmatch button so that “yes” is selected. Each panel played will include EZmatch and will print on a separate ticket. Players may also use the “My Favorites” feature to save the digital play slip for later use. Once a digital play slip is created and the player clicks “Create Play Slip,” a barcode will be displayed. The player may present the barcode appearing on his or her mobile device to purchase a ticket through the retailer terminal or may use the barcode to purchase a ticket through a vending machine that provides for Draw game purchases. Illustrative instructions for creating a FANTASY 5 digital play slip are available by clicking on the “How to Play” button on main FANTASY 5 page.

(e) Advance Play.

1. Players may play up to thirty consecutive FANTASY 5 days by using the “Advance Play” feature. To use the Advance Play feature, players may either select the number of days on a play slip, whether digital or paper, or tell the retailer their desired number of consecutive advance days. The number of consecutive days marked will include the next available drawing and will apply to each panel played. When a draw time choice of MID, EVE, or BOTH is marked, the time/s chosen will apply to all Advance Play days chosen. For paper play slips, if none of MID, EVE, or BOTH is chosen, the upcoming draw time will apply to each Advance Play day. For example, if a player purchases a ticket at 9:00 a.m., chooses five (5) Advance Play days, but makes no draw time choice, the player will receive a ticket listing the next five Midday (MID) plays because the purchase was made before the Midday draw. If the same purchase is made after the closing ticket purchase time for the Midday draw, a ticket will print listing the next five Evening (EVE) draws. Regardless of the number of Advance Play days chosen, a single ticket will print showing either all Midday plays or all Evening plays (i.e., Midday and Evening draws print on separate tickets.) For paper play slips, Advance Play will not apply to selections when the \$5 or \$10 Quick Picks box is marked.

2. In the event that a planned change in the FANTASY 5 game requires that the number of advance plays available for purchase be reduced to zero before implementation of the change, an Advance Play countdown schedule will be posted on the Florida Lottery’s website at www.flalottery.com.

(f) Vending Machine. If a vending machine is available at a retailer location and the vending machine provides for Draw game purchases, the vending machine may be used by a player to process both paper and digital FANTASY 5 play slips.

Neither a retailer nor a player can process the cancellation of a FANTASY 5 ticket through a vending machine. At the request of a player, the retailer shall make a good faith effort to cancel cancelable FANTASY 5 tickets that are purchased through a vending machine by using the retailer’s lottery terminal in accordance with the cancellation provisions in paragraph (7)(c).

(g) Telling the Retailer. Retailers also are authorized to manually enter numbers selected by a player. Players electing to make their FANTASY 5 ticket selections by verbally telling the retailer must specify their desired number selections (or tell the retailer they desire to use the Quick Pick feature for the terminal to randomly select one or more of the numbers), the drawing time (MID, EVE, or BOTH), and the number of days. If no draw time is given, the play will be for the next available draw. Players may also tell the retailer if they would like to add EZmatch to their ticket.

(h) Play it Again.

1. A player may request to “Play it Again” to replay a previously purchased FANTASY 5 ticket. If requested, a retailer shall process the original ticket provided by the player and print a new ticket which will have the same selected numbers, number of panels, draw time choices, and number of days as the original ticket, except as provided in subparagraph (1)(h)2., below. Additionally, if the original ticket contains EZmatch, the new ticket will also contain EZmatch.

2. An original ticket with Advance Play will be rejected and cannot be replayed if the number of days/drawings on the ticket exceeds the number of advance play days/drawings that are available at the time of requested ticket replay due to implementation of an advance play countdown for the FANTASY 5 game. Tickets older than sixty days cannot be replayed. Cancelled tickets will also be rejected. Tickets purchased using the Play it Again feature have the same cancellation provisions as the original ticket.

(2) FANTASY 5 Drawings.

(a) FANTASY 5 drawings will be conducted twice daily by the Florida Lottery.

(b) The equipment shall be configured so that five balls are drawn from one set of balls numbered one (1) through thirty-six (36).

(c) Five balls will be selected in the drawing. The numbers shown on the five balls, after certification by the Draw Manager and the Accountant, shall be the official winning numbers for the drawing.

(d) The Florida Lottery shall not be responsible for incorrect circulation, publication, or broadcast of the official winning numbers.

(3) FANTASY 5 Prize Divisions.

(a) FANTASY 5 is a pari-mutuel game. For each draw, 50 percent of net sales (gross sales less cancels and free tickets) from the sale of FANTASY 5 tickets in the corresponding

FANTASY 5 sales period shall be allocated as the winning pool for payment of the top prize, second prize and third prize.

(b) The top prize pool shall consist of 62 percent of the winning pool for the drawing plus any money carried forward from the previous draw. Prize money allocated to the top prize pool shall be divided equally among the players who match all five official winning numbers. If there is no top prize winner in a drawing, the top prize pool shall roll down and be added to the second prize pool for that FANTASY 5 drawing.

(c) The second prize pool shall consist of 10 percent of the winning pool for the drawing plus any money rolled down from the top prize. The second prize pool shall be divided equally among the players matching four of five official winning numbers except that the maximum prize amount per winner shall be \$555. Any funds in the second prize pool in excess of the second prize liability shall roll down and be added to the third prize pool. If there is no winner in the second prize category for a drawing, the second prize pool shall roll down and be added to the third prize pool.

(d) The third prize pool shall consist of 28 percent of the winning pool for the drawing plus any money rolled down from the second prize pool. The third prize pool shall be divided equally among the players matching three of five official winning numbers. If there is no winner in the third prize category for a drawing, the third prize pool is carried over and added to the top prize pool of the next FANTASY 5 drawing.

(e) A fourth prize shall consist of one free FANTASY 5 Quick Pick ticket (\$1.00 value), except as follows. A player who submits by mail a FANTASY 5 lottery ticket which entitles the claimant to a free FANTASY 5 quick pick ticket and whose mailing address is outside the state of Florida will receive a check for \$1.00 in lieu of an actual ticket. Fourth prizes shall not utilize any portion of the winning pool for the drawing. A free FANTASY 5 quick pick ticket shall be for the next FANTASY 5 drawing after the ticket is validated.

(f) Except for the top prize, which will pay the exact amount, cash prizes will be rounded down to the nearest fifty cents (\$.50); provided, however, that the third prize shall not be less than \$3.50. All rounding differences in the second and third prizes will be used to fund future prizes in Lottery games or for special Lottery prize promotions. If the funds available for the payment of third prizes are insufficient to pay the minimum amount, the percentage described in paragraph (3)(a) above, will be adjusted or funds available from any other funding source approved by the Legislature will be used to cover the prize liability.

(4) Determination of Prize Winners. In order for a ticket to be a winning ticket, numbers appearing in a single horizontal row on the ticket (A, B, C, D, E, F, G, H, I or J) must match the official winning FANTASY 5 numbers in any order for the draw date for which the ticket was purchased. The prizes are:

(a) Top Prize: Five (5) of five (5) official winning numbers.
(b) Second Prize: Four (4) of five (5) official winning numbers.

(c) Third Prize: Three (3) of five (5) official winning numbers.

(d) Fourth Prize: Two (2) of five (5) official winning numbers.

(5) The odds of winning the prizes described in subsection (4), above, are:

(a) Top Prize – 1:376,992
(b) Second Prize – 1:2,432.21
(c) Third Prize – 1:81.07
(d) Fourth Prize – 1:8.39

(e) The overall odds of winning a prize in a FANTASY 5 drawing are 1:7.58.

(6) How to Play EZmatch.

(a) EZmatch is an instant-win feature associated with FANTASY 5 that costs \$1.00 per play in addition to the cost of the FANTASY 5 ticket. A player selecting EZmatch will receive five EZmatch numbers from a field of 1 to 36 printed below the FANTASY 5 numbers on the ticket. If any of the EZmatch numbers matches any of the FANTASY 5 numbers, the player shall instantly win the corresponding amount shown.

(b) The EZmatch option is available with an advance play FANTASY 5 ticket purchase for one play only and is not a part of FANTASY 5 plays for future drawings.

(c) If an EZmatch prize is redeemed before one or more FANTASY 5 drawing(s) have occurred, the player will be provided a continuation ticket that will have the same drawing or drawings and the same FANTASY 5 numbers that were printed on the original ticket.

(d) The base prize structure and estimated odds of winning EZmatch are:

<u>Prize</u>	<u>Winners in 420,000 (Per Pool)</u>	<u>Estimated Odds of 1 in:</u>
<u>\$500</u>	<u>2</u>	<u>210,000.00</u>

The EZmatch prize structure will be replenished automatically when the top tier prizes are exhausted. The prize structure and odds of winning are subject to change with promotional

offerings. In such an event, the promotional prize structure and odds will be available at www.flalottery.com, Lottery district offices and retailer locations.

(e) EZmatch prizes can be claimed up to one hundred eighty (180) days from the first draw date on the FANTASY 5 ticket.

(f) If an EZmatch prize is claimed after the FANTASY 5 drawing has occurred and prior to the 180-day expiration described in paragraph (6)(e), above, the EZmatch prize or prizes and any FANTASY 5 prize or prizes won will be combined and paid as one prize amount.

(7) FANTASY 5 Rules and Prohibitions.

(a) By purchasing a FANTASY 5 ticket, a player agrees to comply with and abide by all rules and regulations of the Florida Lottery.

(b) FANTASY 5 prize payments shall be made in accordance with rules of the Florida Lottery governing payment of prizes. A copy of the current rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(c) Subject to a retailer's hours of operation and gaming system availability, FANTASY 5 lottery tickets are available for purchase daily between the hours of 6:00 a.m. and midnight, Eastern Time (ET).

(d) The scheduled times for the daily FANTASY 5 drawings are:

1. 1:05 p.m. (ET) (MID a/k/a Midday), ticket sales for a MID FANTASY 5 drawing will close at approximately 12:45 p.m. (ET);

2. 11:15 p.m. (ET) (EVE a/k/a Evening), ticket sales for an EVE FANTASY 5 drawing will close at approximately 10:55 p.m. (ET); and

3. If BOTH has been chosen, or if no draw time choice has been made, any ticket sold after the times set forth above will be printed with the next FANTASY 5 draw. If MID has been chosen, the next available draw would be the next Midday drawing, regardless of time of ticket purchase. If EVE has been chosen, the next available draw would be the next Evening drawing, regardless of time of ticket purchase.

(e) Retailer cancellations of FANTASY 5 tickets can only be performed by the retailer who sold the ticket, using the selling terminal's optical mark reader, and within two hours after printing, except that no FANTASY 5 ticket can be canceled after game close for the related drawing and no fourth prize (free FANTASY 5 quick pick ticket) can be canceled at any time. FANTASY 5 tickets with EZmatch cannot be canceled. The two-hour ticket cancellation period may be reduced due to the selling retailer's hours of business operation; gaming system availability; or the time of the related FANTASY 5 close of game for the related drawing. Ticket cancellations cannot be processed through a vending machine.

If a player desires to cancel a ticket purchased through a vending machine, the player must present the ticket to the retailer location where the ticket was purchased for processing within the timeframe described above. The cut off time for Midday draw sales cancellations is 12:45 p.m. (ET) and for Evening draw sales cancellations is 10:55 p.m. (ET).

(f) It is the player's responsibility to make sure his or her ticket(s) are printed exactly as requested before leaving the retailer, including verifying the number of ticket(s) printed, and to determine the accuracy of selected panels of numbers, play amounts, play features and draw date(s) on a ticket. In the event that a ticket given to the player by the retailer contains selections that are not consistent with the player's selections, it shall be the responsibility of the player to immediately advise the retailer of that fact. In such event and upon request of the player within the time period specified herein, the retailer shall make a good faith effort to cancel a cancelable ticket.

(1) This rule describes the Draw Game (also known as an online game or a terminal game), FLORIDA LOTTO.

(2) Definitions. The following words and terms, when used in this rule, have the following meanings:

(a) Double Play® – Double Play is an add-on feature in which players use the same six (6) numbers and Multiplier played in the FLORIDA LOTTO Base Game to play in a separate Double Play Drawing for a chance to win Double Play prizes.

(b) Double Play Drawing – refers to the formal draw event to determine the number of winners for each prize level of Double Play.

(e) EZmatch™ – EZmatch is an add-on, instant-win option in which players are provided six (6) EZmatch numbers chosen randomly by the terminal at the time of ticket purchase to match to the FLORIDA LOTTO Base Game numbers on the ticket for a chance to win instant corresponding EZmatch prizes shown on the ticket.

(f) FLORIDA LOTTO Base Game – means the primary part of the FLORIDA LOTTO game in which six (6) player or Quick Pick-selected numbers from a field of one (1) to fifty-three (53) are used by the player to match the FLORIDA LOTTO Base Game Winning Numbers, and one (1) Multiplier chosen randomly by the terminal at time of ticket purchase.

(g) FLORIDA LOTTO Base Game Numbers – refers to the six (6) player or Quick Pick-selected numbers from a field of one (1) to fifty-three (53) that are used to play the FLORIDA LOTTO Base Game and Double Play.

(i) FLORIDA LOTTO Base Game Play – means the six (6) player or Quick Pick-selected numbers from a field of one (1) to fifty-three (53) that appear on a ticket in a single horizontal row (or panel) and one (1) Multiplier that are to be played by a player in the FLORIDA LOTTO Base Game.

(l) Play Slip – an original paper play slip issued and approved by the Florida Lottery for the FLORIDA LOTTO game, or a digital play slip for the FLORIDA LOTTO game generated using the Florida Lottery Mobile Convenience App (“App”). Except where necessary herein to differentiate between a paper play slip and a digital play slip, the term “play slip” shall be inclusive of both types of play slips.

(m) Set Prize – all prizes in the FLORIDA LOTTO Base Game, except the Jackpot Prize, are set payouts and will be equal to the prize amount established by the Lottery for the prize level. The established starting value of the second through fourth prize amounts are multiplied by the randomly chosen Multiplier. The fifth prize in the FLORIDA LOTTO Base Game is a free ticket. All prizes in Double Play are set payouts and will be equal to the prize amount established by the Lottery for the prize level. The established starting value of the second through fourth prize amounts in Double Play are multiplied by the randomly chosen Multiplier. The fifth prize in Double Play is a free ticket.

(3) FLORIDA LOTTO Base Game - How to Play.

(a) Players may make their FLORIDA LOTTO ticket selections by: using a play slip; using a Florida Lottery vending machine (“vending machine”), if a vending machine for Draw game ticket purchases is available at the retailer location; by verbally telling the retailer their desired selections; or by requesting to use the Play it Again feature.

(b) Play Slip.

1. Paper play slip. There are ten panels on a paper FLORIDA LOTTO play slip. Each panel played will cost \$2.00 per drawing. Players may mark their desired numbers on the play slip by selecting six numbers from each panel played or may mark the “Quick Pick” box located at the bottom of each panel for the terminal to randomly select their numbers. A “Void” box is also located at the bottom of each panel and should be marked by the player if an error was made in his or her selections in a panel. Players may play EZmatch by marking the EZmatch box located at the top of each panel. EZmatch costs an additional \$1.00 per play. Marking the EZmatch box within a panel will add EZmatch to only the panel marked. Each panel played with EZmatch will print on a separate ticket. Double Play costs an additional \$1.00, per panel played. Players may choose the Double Play option by marking the “Double Play” box on the play slip. Double Play will apply to all panels and selections marked. Players may elect to play “Jackpot Combo” to receive three (3) Quick Pick tickets for the next available drawing consisting of one (1) \$2.00 FLORIDA LOTTO ticket, one (1) \$2.00 POWERBALL® ticket, and one (1) \$5.00 MEGA MILLIONS® ticket by marking the “Jackpot Combo \$9” box on the play slip or by telling the retailer. Paper play slips must be Florida Lottery approved and players must use only blue or black ink or pencil for making selections. Paper play slips may be processed through a Florida Lottery vending machine or processed by a retailer to obtain a ticket.

2. Digital Play Slip. How to Create a Digital Play Slip. From the Landing Page on the App, a player should select the FLORIDA LOTTO game icon and then click on “Pick Numbers.” For each panel played, the player should either select his or her numbers from a field of numbers described in

paragraph (2)(i) or use the “Random Numbers” or “Shake to Play” feature for the App to provide the player random numbers. Up to ten panels may be created on one digital play slip. If a player desires to add EZmatch to all panels played, he or she should click the “EZmatch” button so that “yes” is selected. Each panel played will include EZmatch and will print on a separate ticket. If the player desires to add Double Play to all panels played, he or she should click the “Double Play” button so that “yes” is selected. If the player desires to add Jackpot Combo play as further described in subparagraph (3)(b)1., the player should click the “Add Jackpot Combo” button so that “yes” is selected. Players may also use the “My Favorites” feature to save a digital play slip for later use. Once a digital play slip is created and the player clicks “Create Play Slip,” a barcode will be displayed. The player may present the barcode appearing on his or her mobile device to the retailer to purchase a ticket through the retailer terminal or may use the barcode to purchase a ticket through a vending machine that provides for Draw game purchases. Illustrative instructions for creating a FLORIDA LOTTO digital play slip are available by clicking on the How to Play button on the main FLORIDA LOTTO page.

(c) Advance Play. Players may play up to fifty-two consecutive FLORIDA LOTTO drawings by using the “Advance Play” option. To use the Advance Play option, players may either select the number of drawings on the play slip, whether digital or paper, or tell the retailer their desired number of consecutive advance drawings. The number of consecutive advance drawings selected shall apply to each panel played. Advance Play is not available with Jackpot Combo. In the event that a planned change in the FLORIDA LOTTO game requires that the number of advance plays available for purchase be reduced to zero before implementation of the change, an Advance Play countdown schedule will be posted on the Florida Lottery’s website at www.floralottery.com.

(d) Vending Machine. If a vending machine is available at a retailer location and the vending machine provides for Draw game purchases, the vending machine may be used by a player to process both paper and digital FLORIDA LOTTO play slips.

(e) Telling the Retailer. Retailers are also authorized to manually enter numbers selected by a player. Players electing to make their FLORIDA LOTTO ticket selections by verbally telling the retailer must specify their desired number selections (or tell the retailer they desire to use the “Quick Pick” feature for the terminal to randomly select their numbers) and the number of drawings. Players may also tell the retailer if they would like to add EZmatch or Double Play to their ticket.

(f) Play it Again.

1. A player may request to “Play it Again” to replay a previously purchased FLORIDA LOTTO ticket. If requested, a

retailer shall process the original ticket provided by the player and print a new ticket which will have the same selected numbers, number of panels, and number of drawings as the original ticket. However, a new Multiplier will be chosen randomly by the terminal at the time of the Play it Again purchase. Additionally, if the original ticket contains additional play feature(s) (i.e., EZmatch, or Double Play), the new ticket will also contain the same play feature(s).

2. An original ticket with Advance Play will be rejected and cannot be replayed if the number of drawings on the ticket exceeds the number of Advance Play drawings that are available at the time of requested ticket replay due to implementation of an Advance Play countdown for the FLORIDA LOTTO game. Tickets older than sixty days cannot be replayed.

(4) FLORIDA LOTTO Base Game Drawings.

(a) FLORIDA LOTTO Base Game Drawings shall be conducted by the Florida Lottery twice per week, on Wednesday and Saturday.

(b) The equipment shall be configured so that six balls are drawn from one set of balls numbered one (1) through fifty-three (53).

(c) Six (6) balls will be selected in the drawing. The numbers shown on the six (6) balls, after certification by the Draw Manager and the Accountant, are the official Winning Numbers for the FLORIDA LOTTO Base Game Drawing.

(d) The Florida Lottery shall not be responsible for incorrect circulation, publication, or broadcast of the official winning numbers.

(5) FLORIDA LOTTO Base Game Prize Pool.

(a) For each drawing, fifty percent of net sales (gross sales less free tickets) from the sale of FLORIDA LOTTO tickets in the corresponding FLORIDA LOTTO sales period shall be allocated as the winning pool for the payment of prizes as provided below (“FLORIDA LOTTO Prize Pool”).

(b) The Jackpot Prize payout shall be determined on a pari-mutuel basis. All other prizes awarded shall be paid as Set Prizes.

(c) Prize money allocated to the Jackpot Prize category will be divided equally by the number of FLORIDA LOTTO Base Game Plays determined to be winners of the Jackpot Prize.

(d) The number of FLORIDA LOTTO Base Game Plays determined to be winners of the Second through Fifth Prize categories will be paid (or issued, in the case of a Free ticket) as Set Prizes.

(6) Determination of Prize Winners- FLORIDA LOTTO Base Game.

(a) In order for a ticket to be a winning ticket, numbers appearing in a single horizontal row on the ticket (A, B, C, D, E, F, G, H, I, or J) must match the official winning FLORIDA

LOTTO numbers in any order for the draw date for which the ticket was purchased. The prizes are:

1. Jackpot Prize(s): Six of six official winning numbers.
2. Second Prize: Five of six official winning numbers.
3. Third Prize: Four of six official winning numbers.
4. Fourth Prize: Three of six official winning numbers.
5. Fifth Prize: Two of six official winning numbers.

(b) Base Game Multiplier. One (1) Multiplier (2X, 3X, 4X, 5X or 10X) chosen randomly by the terminal at time of ticket purchase will be printed on each ticket under the panels played and will apply to all panels on the ticket. The Multiplier multiplies the starting value of the prizes for the Second through Fourth tiers and will automatically be applied to winning tickets. The Jackpot Prize and the Fifth Prize cannot be multiplied. The prizes and odds of winning in the FLORIDA LOTTO Base Game are set forth in the table below.

(7) Limited to Highest Prize Won. The holder of a winning ticket may win only one prize per FLORIDA LOTTO Base Game play in connection with the winning numbers and shall be entitled only to the prize won by those numbers in the highest matching prize category.

(8) FLORIDA LOTTO Guaranteed Jackpot.

(a) For each drawing the Lottery will announce a guaranteed deferred payment value of the Jackpot that can be won by a single player, based upon the estimated cash value of

the Jackpot pool determined by projected and historical sales figures, current interest rates, and funds from rollovers, if any.

(b) For prizes to be paid in annual payments, if the cash available in the Jackpot pool is insufficient at the time the ticket is claimed to yield the announced guaranteed Jackpot value over the designated deferred payment period, the Lottery shall add to the Jackpot pool funds available from any other funding source approved by the Legislature to render it sufficient to yield the announced guaranteed Jackpot.

(c) For prizes to be paid in annual payments, if the cash available in the Jackpot pool is more than sufficient at the time the ticket is claimed to yield the announced guaranteed Jackpot value over the designated deferred payment period, the excess funds will be used for future prizes in Lottery games or for special Lottery prize promotions.

(d) The guaranteed cash option value of the Jackpot will be the amount required on the day of the drawing or, if the drawing is held on a Saturday or holiday, the business day prior to the drawing, to purchase securities to fund the announced guaranteed deferred payment value of the Jackpot. This day shall be referred to as the "prize determination day."

(e) For prizes to be paid in a single cash payment, if the cash available in the Jackpot pool is less than the cash option value of the Jackpot determined on the prize determination day, the Lottery shall add to the Jackpot pool funds available from any other funding source approved by the Legislature sufficient to pay the cash option value of the Jackpot.

(f) For prizes to be paid in a single cash payment, if the cash available in the Jackpot pool is more than the cash option value of the Jackpot determined on the prize determination day, the excess funds will be used for future prizes in Lottery games or for special Lottery prize promotions.

(9) FLORIDA LOTTO Payment Options.

(a) Players have a choice of two payment options for receiving their portion of a FLORIDA LOTTO Jackpot prize. Payment options are "Cash Option" and "Annual Payment Option."

(b) Jackpot winners have sixty days after the winning draw date to choose between the two payment options. In order to select the Cash Option, the Jackpot winner must submit his or her ticket for payment within sixty days after the winning draw date. If the Jackpot winner does not elect the Cash Option within sixty days after the winning draw date, the Annual Payment Option will be applied, except as provided in paragraph (9)(f) below. Once the Jackpot winner files a claim and exercises the winner's chosen option, the election of that option shall be final. The Annual Payment method of payment will also be final when it is applied due to a Jackpot winner not making his or her payment election within sixty days after the winning draw date.

(c) A Jackpot winner who chooses the Cash Option will receive one lump sum cash payment of the amount required on the prize determination day to purchase securities to fund the Jackpot prize paid over thirty years, less applicable withholding taxes. The amount of the Cash Option payment to multiple Jackpot winners will be the amount required on the prize determination day to purchase securities to fund their pro rata share of the Jackpot prize paid over thirty years, less applicable withholding taxes.

(d) If a Jackpot prize winner elects the Annual Payment Option, his or her portion of the Jackpot prize will be paid in thirty annual payments, each less applicable withholding taxes.

(e) If the prize amount per winner in a FLORIDA LOTTO drawing cannot be paid in increments of \$1,000 in thirty payments, the winner's share of the prize pool will be invested in U.S. Treasury securities that will yield the maximum amount possible over thirty years as can be reached in increments of \$1,000. If the amount the investment will yield is less than the announced guaranteed Jackpot, the present value of the difference between the amount the investment will yield and the winner's guaranteed prize amount over thirty years will be paid to the winner in the first payment.

(f) If the number of winners of a Jackpot prize would result in each person's prize being less than \$1,000,000 if paid over thirty years, the Lottery shall pay the Jackpot winner or winners in a single cash payment of the amount required on the prize determination day to purchase securities to fund the winner's pro rata share of the Jackpot paid over thirty years, less applicable withholding taxes.

(g) Federal income taxes shall be applied and withheld from the prize amount at the time payment is made.

(h) Any interest or earnings accrued on a FLORIDA LOTTO Jackpot prize prior to the prize payment, under either the Cash Option or the Annual Payment Option, shall accrue to the State of Florida and not to the winner.

(10) Payment of FLORIDA LOTTO Base Game Set Prizes. All set prizes in the FLORIDA LOTTO Base Game, except a fifth prize, shall be paid in a single cash payment, less withholding taxes, if applicable. All fifth prizes shall be issued a FLORIDA LOTTO Quick Pick ticket (\$2.00 value) for the next available drawing.

(11) Double Play.

(a) Double Play Prize Pool. The prize pool for Double Play prizes shall consist of the \$1.00 add-on ticket sales.

(b) All Double Play prizes are Set Prizes.

(c) How to Play Double Play.

1. Double Play is an add-on option associated with FLORIDA LOTTO that costs \$1.00 per panel in addition to the cost of a FLORIDA LOTTO Base Game ticket and applies to all panels played.

2. A player who purchases a FLORIDA LOTTO ticket with the Double Play option uses the same FLORIDA LOTTO Base Game Numbers and Multiplier printed on the ticket to play and match the official Double Play Winning Numbers drawn in a separate Double Play Drawing.

3. In order for a ticket to be a winning Double Play ticket, numbers appearing in a single horizontal row on the ticket (A, B, C, D, E, F, G, H, I, or J) must match the official winning Double Play numbers in any order for the draw date for which the ticket was purchased. The prizes are set forth as follows:

b. Second Prize: Five of six official winning numbers.

c. Third Prize: Four of six official winning numbers.

d. Fourth Prize: Three of six official winning numbers.

e. Fifth Prize: Two of six official winning numbers.

(d) Multiplier. The Multiplier as described in paragraph (6)(b), above, is used to multiply the starting value of the Double Play prizes for Second through Fourth tiers and will automatically be applied to winning tickets. The Top Prize and Fifth Prize in each Double Play Drawing is a set prize and cannot be multiplied. The Double Play prizes and odds of winning are set forth in the table below.

Overall Odds: The overall odds of winning a prize in a Double Play drawing are 1:7.61.

(e) Double Play Drawings.

1. Double Play Drawings shall be conducted by the Florida Lottery twice per week, on Wednesday and Saturday and shall follow the FLORIDA LOTTO Base Game Drawings.

2. The equipment shall be configured so that six (6) balls are drawn from one set of balls numbered one (1) through fifty-three (53).

3. Six (6) balls will be selected in the drawing. The numbers shown on the six balls, after certification by the Draw

Manager and the Accountant, are the official Double Play Winning Numbers for the Double Play Drawing.

4. The Florida Lottery shall not be responsible for incorrect circulation, publication or broadcast of the official Double Play Winning Numbers.

(f) Limited to Highest Prize Won. The holder of a winning ticket may win only one prize per Double Play Play in connection with the Double Play Winning Numbers drawn and shall be entitled only to the prize won by those numbers in the highest matching prize category.

(g) All prizes in Double Play, except a Fifth Prize, shall be paid in a single cash payment, less withholding taxes, as applicable. A fifth prize shall be issued a FLORIDA LOTTO with Double Play Quick Pick ticket (\$3.00 value) for the next available drawing.

(h) For tickets in which both FLORIDA LOTTO Base Game prizes and Double Play prizes are won, cash prize amounts will be combined and paid as one amount. (12) How to Play FLORIDA LOTTO with EZmatch.

(a) EZmatch is an instant-win option associated with FLORIDA LOTTO that costs \$1.00 per play in addition to the cost of the FLORIDA LOTTO ticket. The EZmatch option can be added on to any FLORIDA LOTTO play.

(b) A player selecting EZmatch will receive six EZmatch numbers printed below the FLORIDA LOTTO numbers on the ticket. If any of the EZmatch numbers match any of the FLORIDA LOTTO numbers, the player will instantly win the corresponding prize shown.

(c) The EZmatch option is available with an Advance Play FLORIDA LOTTO ticket purchase for one play only and is not a part of FLORIDA LOTTO plays for future drawings.

(d) If an EZmatch prize is redeemed before one or more FLORIDA LOTTO drawing(s) have occurred, the player will be provided a continuation ticket that will have the same drawing or drawings and the same FLORIDA LOTTO numbers that were printed on the original ticket.

(e) EZmatch is not included in a Jackpot Combo play and cannot be added to a Jackpot Combo play. However, EZmatch can be added to one or more panels played on a FLORIDA LOTTO play slip in which the Jackpot Combo box is also selected. In such case, the Jackpot Combo tickets and the FLORIDA LOTTO with EZmatch ticket or tickets will print separately.
