THE FULL TEXT OF THE PROPOSED RULE IS:

61K1-3.008 Judge; License and Duties.

(1) No change.

(2) Applications for a professional judge license will be reviewed, evaluated, and processed in the following manner:

(a) Any person desiring to become licensed for the first time as a professional boxing, kickboxing, or mixed martial arts judge shall submit to the commission the appropriate application using Form BPR-0009-450, entitled "Application for License" (06/23), which is incorporated in Rule 61K1-3.001, F.A.C. The form can be obtained from the Department of Business and Professional Regulation, Florida Athletic Commission, 2601 Blair Stone Road, Tallahassee, Florida 32399-1016, or at the Commission's website at: <http://www.myfloridalicense.com/dbpr/pro/sbc/index.html>.

1. All applicants for a boxing, kickboxing, or mixed martial arts judge license must first be licensed as a trailing judge issued a temporary certificate by the executive director unless otherwise provided in this rule. A trailing judge license authorizes an applicant to unofficially score bouts for evaluation and training purposes under the supervision of the

commission, executive director, or designee. Licensure as a trailing judge allows for the evaluation of an applicant's knowledge, judgment, and ability to perform the duties outlined in this rule prior to the issuance of a judge license and does not authorize the holder to officiate in any official capacity during a sanctioned event. Temporary certificates are required for any person desiring to unofficially score a match for evaluation purposes. A license application shall be submitted with the same information and fee as a judge license.

2. An applicant may be issued a judge license after unofficially scoring a minimum of 100 rounds of boxing or 50 rounds of kickboxing or mixed martial arts in this state for a minimum of 12 months as a trailing judge and demonstrating during this period that he or she has the ability to perform the duties outlined in this rule. For boxing and kickboxing, the application shall include a certification from the executive director attesting that the applicant has completed the unofficial scoring of a minimum of 50 rounds of professional boxing or kickboxing held in this state and has been unofficially judging in this state for a minimum of twelve months with a temporary certificate issued by the commission which is in good standing. The applicant must have a demonstrated record and evidence that he/she has the ability to perform the duties outlined below. The executive director may issue a temporary license pending final action by the commission. The commission shall render a decision as to whether or not the application for judge license shall be approved, which decision is solely that of the commission. If a license application is not granted by the commission, the commission shall set forth the reasons for not granting the license.

3. For mixed martial arts, the application shall include a statement of experience inclusive of any certifications attained as an official in any of the martial arts, grappling, boxing, or kickboxing. If satisfied with the credentials of the applicant, the executive director may cause to be issued a temporary certificate for evaluation purposes, whereby the holder shall unofficially score professional mixed martial arts events held in this state for a period of time to be determined by the executive director; however, under no circumstances shall this period be longer than a total of 50 rounds and 12 months. If the temporary certificate holder has unofficially scored 100 rounds during an 18 month period, the executive director shall present the applicant to the commission for a final decision on licensure.

(b) Foreign licensed Officials from jurisdictions outside this state may be temporarily licensed by the executive director upon demonstrating an ability to perform the duties outlined in this rule below. The foreign licensed official's record and ability shall be verified by obtaining records from a central repository and any such other information as the executive director prior to licensure deems necessary to qualify the official. After issuance of a temporary license, the chairman of

~~the commission shall approve or disapprove the license, in accordance with these rules.~~

~~(e) At its first meeting after November 1 of each year, the commission shall review the performance of each licensed professional judge in Florida and shall approve or disapprove any application for renewal or subsequent application.~~

~~(c) (d) The executive director shall limit to three the number of trailing unofficial judges at each event. The commission will make arrangements for trailing unofficial judges to enter the premises of assigned programs the program of matches free of charge and have an appropriate seat from which to judge the contests, provided however that in the case of television and such other events which by their nature severely limit ringside access, permission to sit and judge at ringside will not be authorized. In the case that the event is sold out, authorization will not be granted to attend the event free of charge. Travel and other expenses of the trailing unofficial judge shall be borne solely by the trailing unofficial judge. Trailing Unofficial judges must present their scorecards to the commission representative prior to the announcement of the result by the announcer and all contests within one program of matches must be judged by the trailing unofficial judge in order for any contest within that program of matches to be included in the trailing judge's statistical record.~~

RULE NO.: RULE TITLE:

64B5-7.009 Dental Dispensing Registration

PURPOSE AND EFFECT: The proposed new rule incorporates by reference a new form created for dental dispensing registration for dentists who dispense medicinal drugs.

SUMMARY: To add the new rule and incorporated form.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On June 11, 2026, the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Section 5-203.13, 2017 FDA Food Code from NEWSATTHEBEACH located in Cocoa Beach. The above referenced F.A.C. addresses the requirement that at least one service sink is provided for the cleaning of mops or similar cleaning tools and the disposal of mop water. They are

requesting to share the mop sink located on the premises of a nearby business under a different ownership.

The Petition for this variance was published in Vol. 52/114 on June 12, 2026. The Order for this Petition was signed and approved on May July 7, 2026. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the mop sink located on the premises of Pompano Grill (SEA1503786 File: 100925), is maintained in a clean and sanitary manner and is provided with hot and cold running water under pressure. If the ownership of NEWSATTHEBEACH (File:378371) and/or Pompano Grill (SEA1503786 File:100925) changes, a signed agreement for use of the mop sink is required immediately.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.
