RULE NO.: 64B16-26.304
RULE TITLE: Subject Matter for Nuclear Pharmacist License Renewal Continuing Education Programs

PURPOSE AND EFFECT: The Board proposes a rule amendment to remove language associated with additional continuing education requirements for nuclear pharmacists.

SUMMARY: Continuing education requirements for nuclear pharmacists.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 465.005, 465.0126 FS.

Substantial rewording of Rule 65A-4.205 follows. See Florida Administrative Code for present text.

65A-4.205 Penalties for Nonparticipation in Work Requirements.

(1) Penalty Requirements. As a condition of receiving Temporary Cash Assistance (TCA), individuals who do not meet an exemption are required to participate in work activities or an alternative requirement plan. For the purposes of this rule, the term “work activities” includes participation in an alternative requirement plan. Failure to comply with the work requirements outlined in Section 445.024, F.S., without good cause, will result in penalties being applied in accordance with Section 414.065(1), F.S.

(2) Notice of Work Requirements. Individuals will be notified at program entry of the work activity requirements and the penalties for noncompliance without good cause through the Communication and Work Activity Referral form, CF-ES 2097, Nov 2019, incorporated by reference and available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-11578> for paper applications. The Spanish version, CF-ES 2097S, Nov 2019, and Creole version, CF-ES 2097H, Nov 2019, of the Communication and Work Activity Referral form are incorporated by reference and available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-11580> and <http://www.flrules.org/Gateway/reference.asp?No=Ref-11579>, respectively.

(3) Determination of Compliance and Good Cause. Compliance with work requirements and determination of good cause for failure to comply will be determined by the Local Workforce Development Board (LWDB), in accordance with Sections 414.065(1) and (4), F.S. Additional good cause reasons for failure to comply with work activities due to circumstances beyond the participant’s control includes:

(a) A family emergency due to the inability to find suitable child care for a sick child under age 12;

(b) Hospitalization, medical emergency or death of an immediate family member;

(c) A natural disaster;

(d) Lack of transportation; or

(e) A court appearance

(4) Notification of Noncompliance. Individuals who fail to comply with work activity requirements will be mailed

notification of the failure and the possibility of a sanction by the LWDB following the failure. The notification will inform the individual that they have 10 calendar days from the mailing date to contact the LWDB to have a good cause determination made or to comply with the work requirement. Failure to do so will result in the imposition of a penalty.

During the 10-day period, the LWDB is required to make both oral and written attempts to contact and to counsel the participant to:

(a) Determine if good cause existed for the failure to comply;

(b) Refer to or provide services, when appropriate, to assist with the removal of barriers to participation;

(c) Ensure the understanding of the consequences for failure to comply with work activities or an alternative requirement plan without good cause;

(d) Provide information regarding transitional benefits and services in accordance with Section 445.028(2), F.S., if the participant subsequently obtained employment; and,

(e) Explain that compliance during the 10-day period will prevent the imposition of a sanction.

If compliance with the originally assigned work activity is not possible, the LWDB must provide the participant an alternative work activity during the 10-day period.

(5) Imposition of Sanctions. Upon receipt of the sanction request, the Department will notify the individual of the penalty action using the Notice of Work Penalty form, CF-ES 4192, 04/2007, incorporated by reference and available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-11581>. The Spanish version, CF-ES 4192S, 4/2007, and Creole version, CF-ES 4192H, 4/2007, of the Notice of Work Penalty form are incorporated by reference and available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-11583> and <http://www.flrules.org/Gateway/reference.asp?No=Ref-11582>, respectively. An individual who provides verification of good cause for failure to respond within the 10-day time frame will not be penalized.

(6) Penalties. TCA penalties will be imposed in accordance with Section 414.065(1)(a), F.S. The fourth and each subsequent penalty imposed prior to reinstatement for full compliance with TCA program requirements will be applied pursuant to Section 414.065(1)(a)3., F.S.

(7) Time limits. If, during the penalty period, TCA is received for children under age 16 through a protective payee, the months in which the penalties are applied will be counted as months receiving TCA for purposes of the time limits established in Section 414.105, F.S.

(8) Impact on Food Assistance. TCA assistance groups receiving food assistance at the time a penalty is imposed for failure to comply with TCA work activities, will also be penalized from food assistance in accordance with federal food

assistance policy at 7 CFR Sections 273.7(f) and 273.11(j)(4) and (k). Prior to imposing a food assistance penalty, the Department must determine if the noncompliant individual meets an exemption from food assistance work requirements. A food assistance penalty will not be imposed if the individual meets an exemption. Individuals who are penalized for food assistance due to noncompliance with TCA work requirements cannot have the penalty lifted by opting not to receive TCA.

(9) Reinstatement of Benefits. Reinstatement of benefits requires the filing of an ACCESS Florida Application, incorporated by reference in Rule 65A-1.205, F.A.C., or an ACCESS Florida Web Application (only accepted electronically), incorporated by reference in Rule 65A-1.205, F.A.C., and an interview, unless the individual demonstrates compliance and action is being taken to reinstate benefits within 30 days from the beginning date of the penalty. Cash assistance benefits will be reinstated in accordance with Section 414.065(1)(a), F.S., as determined by the LWDB, as long as all other factors of eligibility are met and any minimum penalty period has been served. Food assistance benefits will be reinstated in accordance with 7 CFR Section 273.7(g) of the food assistance requirements. If at the end of the food assistance penalty period the head of household is still in noncompliance, the head of household remains ineligible, but other members of the assistance group may reapply. If the other assistance group members are reapproved for food assistance, the pre-sanction TCA grant amount must be included in the food assistance benefit calculation.

(2) Medical Incapacity. Individuals claiming a medical incapacity are required to meet the work requirements in accordance with Section 414.065(4)(d), F.S. (4) SSI or SSDI Applicants. Individuals with a pending application or appeal for Supplemental Security Income (SSI) or Social Security Disability Income (SSDI) may be exempt from the work requirements in accordance with Sections 414.065(4)(f).
