Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that the Construction Industry Licensing Board has issued an order disposing of the petition

for declaratory statement filed by Michael William Sanborn, Jr., on April 14, 2026. The following is a summary of the agency's disposition of the petition:

Petitioner asked the Board, "May a Florida Certified General Contractor construct a fire line to a building to the point in which it can only be used for a fire protection system?" The Notice of Petition for Declaratory Statement was published in Vol. 52, No. 81, on April 27, 2026, in the Florida Administrative Register. The Board's Order was filed on June 12, 2026. The Board, at its meeting held on May 15, 2026, denied the Petition for Declaratory Statement, finding that Petitioner does not meet the definition of a "substantially affected person" as required by the Statute and therefore has appropriate standing to bring the present Petition. The Board finds that the Petition does not contain a particular set of circumstances required by the statute and rule as outlined in the Order. Additionally, the Board finds that the question presented by the Petitioner is clearly answered in the statute.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Amanda Ackermann, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, Florida 32399-1039 or telephone: (850)487-1395, or by electronic mail to Amanda.Ackermann@myfloridalicense.com.
