NOTICE OF PETITION FOR DECLARATORY STATEMENT

NOTICE IS HEREBY GIVEN that the Florida Building Commission has received the petition for declaratory statement from My Amelia, Inc., filed on August 03, 2026. The petition seeks the agency's opinion as to the applicability of Form 61G20-2.005-2002-01, as well as statutory provisions from section 553.791, F.S., as it applies to the petitioner.

Petitioner is a private provider of building code inspection services and presents a number of questions: 1) Does the addition of the word “explicit” to 553.791(2)(a) have any impact on the previously adopted Form 61G20-2.005-2.002-01 to provide a Notice to Building Official? 2) Is a separate owner authorization required if the fee owner signs the Commission’s Notice to Building Official Form 61G20-2.005-002-01? 3) Is the fee owner authorization required to include the scope of contractor’s work (similar to a Notice of Commencement) in order to be “explicit” under §553.791(2)(a)? 4) Are there any restrictions related to the method of execution for the explicit fee owner authorization, such as original wet-ink signatures, under oath, or notarization? 5) When registering under §553.791(4) is a Duly Authorized Representative for a Private Provider required to submit photo ID, residential address or date of birth? 6) Is a private provider still required to resubmit copies of the Duly Authorized Representative information and Certificate of Insurance with each NTBO?
