SUMMARY: The proposed rule amendment updates and clarifies the rule requirements pursuant to s. 120.5435, F.S.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

RULE NO.: RULE TITLE:

68B-52.004 Shad Aggregate Bag Limit

PURPOSE AND EFFECT: The purpose of this rulemaking is to address declining populations of American shad in Florida. The effect would be to revise the shad aggregate recreational and commercial bag limits, which currently include American shad, Alabama shad, and hickory shad, and to make American shad catch-and-release only.

SUMMARY: This proposed rule would prohibit the recreational and commercial harvest and possession of American shad in Florida, as well as the sale and exchange of the species from Florida waters. This would also remove American shad from the shad aggregate bag limit. The remaining shad aggregate bag limit would be 10 Alabama shad or hickory shad, in any combination of the two species.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this rule will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: the nature of the rule and the preliminary analysis conducted to determine whether a SERC was required.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days after publication of this notice.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF HEALTH

Board of Psychology

NOTICE OF DECLINATION FOR DECLARATORY STATEMENT

NOTICE IS HEREBY GIVEN that the Board of Psychology has declined to rule on the petition for declaratory statement filed by Christopher Felder on July 01, 2026. The following is a summary of the agency's declination of the petition: The petition requested the Board to clarify its interpretation and application of Chapter 490, Florida Statutes, and implementing rules, as those provisions govern forensic custody evaluations conducted by licensees. At its meeting on August 7, 2026, the Board determined that the petitioner failed to demonstrate that he is a substantially affected person under the facts set forth in the petition and/or there appears to be a pending judicial proceeding involving petitioner. Therefore, the Board voted to decline to answer the petition.

A copy of the Order Declining the Petition for Declaratory Statement may be obtained by contacting: Allen Hall, Executive Director, Board of Psychology/MQA, 4052 Bald Cypress Way, Bin # C05, Tallahassee, Florida 32399-3253, (850)488-0595, mqa.psychology@flhealth.gov.

NOTICE OF DECLINATION FOR DECLARATORY
STATEMENT

NOTICE IS HEREBY GIVEN that the Board of Psychology has declined to rule on the petition for declaratory statement filed by Deborah L. Wiedlund-Calam, Psy.D. on May 22, 2026. The following is a summary of the agency's declination of the petition:

The petition requested the Board's opinion as to whether Section 743.0645, Florida Statutes, and the ethical rules under Chapter 64B19, F.A.C. prohibit Petitioner from performing a clinical diagnostic psychological evaluation on a minor under the age of 18 when lacking a provider specific informed consent form executed directly by the minor's parent or legal guardian, thereby subjecting Petitioner to potential disciplinary action under section 490.009, Florida Statutes. At its meeting on August 7, 2026, the Board determined that the petition seeks an opinion that would be widely applicable to any licensee, and the issues raised are better resolved via the formal rulemaking process. Additionally, The Board voted to open Rule 64B19-18.005, F.A.C. for development. Therefore, the Board voted to decline to answer the petition.
