NOTICE OF PETITION FOR DECLARATORY STATEMENT

NOTICE IS HEREBY GIVEN that Division of Florida Condominiums, Timeshares, and Mobile Homes, Department of Business and Professional Regulation, State of Florida has received the petition for declaratory statement from Spinnaker Cove Condominium Association, Inc. Alina Gomez filed on October 06, 2026. The petition seeks the agency's opinion as to the applicability of Sections 718.111(4)-(5), 718.113(1) and (3), and 718.115(1)(a) as it applies to the petitioner.

The Petitioner seeks clarification of the following: QUESTION 1: When a component implicated in Petitioner's contemplated

repair work is, under the applicable Spinnaker Cove Phase I, Section B declaration, a common element or other condominium property for which the Association bears maintenance responsibility, do sections 718.111(4)-(5) and 718.113(1), Florida Statutes, require Petitioner to limit her independent work to property for which she bears maintenance responsibility unless the Association authorizes or undertakes the common-element work? QUESTION 2: Under section 718.113(3), Florida Statutes, when Petitioner's proposed interior or unit-level mitigation would require opening, altering, penetrating, or otherwise affecting a common element or condominium property maintained by the Association, what restriction applies to Petitioner's proposed work before the Association authorizes or performs the work for which it bears responsibility? QUESTION 3: If Petitioner performs prospective mitigation or repair solely within portions of the condominium for which the applicable declaration assigns maintenance responsibility to Petitioner, do sections 718.113(1) and 718.115(1)(a), Florida Statutes, cause that unit-level work, by itself, to transfer to Petitioner the Association's separate maintenance, repair, or replacement responsibility for a common element or Association-maintained condominium property? DBPR Case No. 2026-072888
