PURPOSE AND EFFECT: The purpose and effect of the proposed rule is to promote operational efficiencies as well as health and safety within the institutions by establishing a standard and structure for all inmates who wish to refuse health care services

SUMMARY: Rulemaking is necessary due to legislative action amending sections 945.41-49, Florida Statutes. **SUMMARY OF STATEMENT OF ESTIMATED
REGULATORY COSTS AND LEGISLATIVE
RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department used an itemized checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory cost associated with this rule that exceeds the criteria. Upon review of the proposed changes to the rule, the Department has determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in s. 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Capital Trust Authority announces a hearing to which all persons are invited.

DATE AND TIME: Friday, February 13, 2026 at 8:30 a.m., CST/9:30 a.m., EST

PLACE: Telephonic public hearing by using the instructions provided herein.

GENERAL SUBJECT MATTER TO BE CONSIDERED: NOTICE OF TELEPHONIC PUBLIC HEARING

The Capital Trust Authority (the "CTA") has been requested by Team Success A School of Excellence of Lee County, Inc., a Florida not for profit corporation, and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and/or one or more related and/or affiliated entities (collectively, the "Borrower"), to issue its Educational Facilities Revenue Bonds (Team Success A School of Excellence of Lee County, Inc. Projects), in one or more series of tax-exempt qualified 501(c)(3) bonds or taxable bonds, in an aggregate principal amount not to exceed \$18,000,000 (the "Bonds").

For the purposes of Section 147(f) of the Code, notice is hereby given that, in accordance with the Internal Revenue Service Revenue Procedure 2022-20, a telephonic public hearing will be held by a hearing officer on behalf of the CTA on Friday, February 13, 2026 at 8:30 a.m., CST/9:30 a.m., EST, or as soon thereafter as the matter may be heard, using the telephone conference instructions provided herein. The purpose of the hearing is to take public comments regarding the issuance of the Bonds by the CTA, the nature and location of the Project (hereinafter defined) and the plan of finance. The proceeds of the Bonds will be loaned to the Borrower by the CTA for the purpose of financing or refinancing, including through reimbursement, (i) the acquisition, construction, installation, furnishing and equipping of a new educational facility, consisting of approximately 22 classrooms, a lab, a cafeteria and administrative space, restrooms, and including related facilities, fixtures, furnishings and equipment, located on approximately 9.5 acres, located on the northwest corner of Marsh Avenue and Billy Creek, to the south of the intersection of Madison Avenue and Marsh Avenue, Fort Myers, Lee County, Florida (Parcel ID 08-44-25-P3-00068.0000), all to

serve approximately 500 charter school students in grades K-6 and related uses (collectively, the "Facilities"); (ii) the funding of a debt service reserve fund for the Bonds, if deemed necessary or desirable; (iii) the funding of capitalized interest for the Bonds, if deemed necessary or desirable; and (iv) the payment of certain costs of issuing the Bonds (collectively, the "Project").

The plan of finance contemplates that the CTA will issue, in respect to the Project, not exceeding \$18,000,000 in aggregate principal amount of its Bonds, in one or more series of tax-exempt qualified 501(c)(3) bonds or taxable bonds, and loan the proceeds of the Bonds to the Borrower to provide funds for the Project. The Facilities will be owned by the Borrower, or an affiliate thereof or another entity chosen by the Borrower.

The Bonds, when issued, will be special, limited obligations payable solely out of the revenues, income and receipts pledged to the payment thereof and derived from financing agreements with the Borrower, and none of the CTA, Lee County, Florida (the "County"), the School District of Lee County (the "School District") or the State of Florida (the "State") will be obligated to pay the principal of, premium, if any, or interest on the Bonds except from the payments of the Borrower. The Bonds and the interest thereon shall never (i) pledge the taxing power of the County, the School District, the State or any other political subdivision, public agency or municipality thereof within the meaning of any constitutional or statutory provision, (ii) constitute the debt or indebtedness of the CTA, the County, the School District, the State or any other political subdivision, public agency or municipality thereof within the meaning of any constitutional or statutory provision, or (iii) pledge the full faith and credit of the CTA, the County, the School District, the State or any political subdivision, public agency or municipality thereof. CTA has no taxing power. Issuance of the Bonds is subject to several conditions including satisfactory documentation and receipt of necessary approvals for the financing.

Bonds. Comments made at the public hearing are for the consideration of the parties providing an approval of the issuance of the Bonds and the plan of finance but will not bind the CTA or such parties as to any action the CTA or such parties may take. All persons are advised that, if they decide to appeal any decision made with respect to the proposed approval of the issuance of the Bonds, they will need a record of the proceedings, and for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. Section VII Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Steven Ritter on September 25, 2025. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 50, No. 193, of the October 3, 2025, issue of the Florida Administrative Register. Petitioner asked the Commission, “Does a Florida real estate licensee comply with Chapter 475, Florida Statutes, and Rule 61J2, F.A.C., by accepting a builder referral fee disclosed orally and by email to the buyer, where no written acknowledgment was obtained

from the buyer, and where the fee is paid solely from the builder's commission without increasing the buyer's cost?" The Florida Real Estate Commission considered the Petition at a Videoconference meeting held on November 19, 2025. The Commission's Order was filed on December 17, 2025. The Commission denied the Petition finding that is apparent that Petitioner has already engaged in the conduct/course of action, and is now asking for an opinion retroactively. Accordingly, the Petition must be denied.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giuvanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, Giuvanna.Corona@myfloridalicense.com

DEPARTMENT OF COMMERCE

Division of Community Development

NOTICE IS HEREBY GIVEN that the Florida Department of Commerce ("FloridaCommerce") has declined to rule on the petition for declaratory statement filed by Kimberly Simon ("Petitioner") on November 05, 2025. The following is a summary of the agency's declination of the petition:

The Petition sought a declaratory statement from FloridaCommerce as to whether a municipality [City of Tampa] may lawfully adopt or enforce a policy that prohibits administrative design exceptions (such as buffering or landscaping design exceptions) for Live Local Act developments, when such exceptions are otherwise available by right to other multifamily and mixed-use developments under the same zoning classification. On February 2, 2026, a Final Order on the Petition was issued denying Petitioner's request for declaratory statement because FloridaCommerce lacks the authority to issue a declaratory statement regarding the request presented in the Petition.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Florida Department of Commerce, 107 East Madison Street, Caldwell Building, Msc 110, Tallahassee, Florida 32399-4128, Agency.Clerk@commerce.fl.gov.

NOTICE IS HEREBY GIVEN that the Florida Department of Commerce ("FloridaCommerce") has declined to rule on the petition for declaratory statement filed by Kimberly Simon ("Petitioner") on November 05, 2025. The following is a summary of the agency's declination of the petition:

The Petition sought a declaratory statement from FloridaCommerce as to whether, under § 125.01055(7), Florida Statutes, a local government [City of Tampa] may apply more restrictive setback requirements to a Live Local Act mixed-use residential development on CG-zoned property than those codified in the local zoning code for commercial development in that district, if the local government's own published guidance allows CG setbacks for Live Local mixed-use developments. On February 2, 2026, a Final Order on the Petition was issued denying Petitioner's request for declaratory statement because FloridaCommerce lacks the authority to issue a declaratory statement regarding the request presented in the Petition.

The Petition sought a declaratory statement from FloridaCommerce as to whether the phrase "highest currently allowed, or allowed on July 1, 2023, height ... within 1 mile," in § 166.04151(7)(d)1., Florida Statutes, refer to the maximum height permitted by zoning regulations within that radius, rather than the height of the tallest existing building? In addition, if the phrase refers to zoning allowances, must the municipality consider the most permissive height permitted in any commercial or residential zoning district within one mile, regardless of current use or whether a parcel presently contains a building? On February 2, 2026, a Final Order on the Petition was issued denying Petitioner's request for declaratory statement because FloridaCommerce lacks the authority to issue a declaratory statement regarding the request presented in the Petition.

Pilotage Rate Review Committee

Pilotage Rate Review Committee

The Pilotage Rate Review Committee (PRRC) announces that a petition for a change in the rates of pilotage charged by the licensed state pilots and certified deputy pilots at the Port of Pensacola, Florida, or Naval Air Station Pensacola, has been filed with the PRRC, pursuant to Section 310.151, Florida Statutes, and Chapter 61G14-22, Florida Administrative Code. The last rate change granted for the Port of Pensacola was August 19, 2011. The PRRC intends to consider the requested rate changes submitted by the Pensacola Pilots LLC on the dates and times noticed.

The petition filed by Pensacola Pilots LLC on November 6, 2025, requests the following changes:

The formula for calculating base pilotage rate shall be modified from the existing box formula of $((LOA \times Beam/100) \times Pilotage Unit Rate)$ plus $(Draft \times Draft Rate)$

To a proposed base pilotage rate of $(LOA \times LOA Rate) + (Beam \times Beam Rate) + (Draft \times Draft Rate) + (GT \times GT Rate)$

LOA= length overall (rounded up to the nearest foot)

Beam = extreme beam (rounded up to the nearest foot)

Draft = deepest draft (rounded up to the nearest foot)

GT = gross tonnage (maximum value if differing tonnages are listed)

Notes:

Dead ship movement: defined as the movement of any vessel equipped with motive power and/or steering capability when such motive power and/or steering capability is or becomes unavailable, for any reason, during any part of the vessel's transit.

The LOA Fee is determined using the maximum length overall, rounded up to the nearest foot. The LOA for conventional tug and barge combinations, whether towing astern, alongside, or pushing ahead, shall be the combined length overall of the tug and barge(s).

The Beam Fee is determined using the maximum waterline beam, rounded up to the nearest foot. The beam for tug and barge combinations shall be the maximum waterline beam of the widest vessel in the unit.

The Draft Fee is determined by using the deepest draft, rounded up to the nearest foot.

The GT Fee is determined by using the ITC Gross Registered Tonnage and will be the maximum value if differing tonnages are listed.

A \$25 fee per each vessel movement for port control duties.

A \$250 per each vessel movement to help defray cross-licensed pilot coverage when required.

Second pilot: may be assigned to any vessel, dead ship tow, abnormal transit, or when there are special weather circumstances. When Pensacola Pilots deem that a second pilot is required, that vessel will be charged two base pilotage rates+ applicable additional fees.

Late payment charge: 3% interest per month charged on the unpaid balance of all monies unpaid after 30 days from date of service, compounded monthly.

All rates and fees shall increase by 3% per year beginning on the one-year anniversary of approved rate implementation.

*Pilotage Unit consisted of length overall multiplied by the beam, divided by 100. Pilotage unit rate x pilotage unit= unit charge.

** A delay in departure caused by a medical emergency will not be considered a detention. A delay in arrival, departure, or shift caused by weather conditions inside Pensacola Bay and/or the area offshore of Pensacola including the pilot boarding area will not be considered a detention.

*** In the event the sole Pensacola Pilot is carried to sea with another vessel ready for transit, the fee will also apply to fund a cross-licensed pilot to travel to Pensacola to pilot the other vessel.

All interested parties may file an answer, an additional or alternative application, or any other applicable pleading or response, including all documentation, by March 6, 2026.

DATE, TIME, LOCATION OF SITE VISIT: The PRRC's site visit to the Port of Pensacola will occur on Wednesday, March 25, 2026, at 2:00 p.m. (CDT), 700 S. Barracks Street, Pensacola, FL 32502.
