Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF HEALTH

Board of Dentistry

NOTICE IS HEREBY GIVEN that Board of Dentistry has declined to rule on the petition for declaratory statement filed by Dr. Dmitriy Volotensko on January 12, 2026. The following is a summary of the agency's declination of the petition:

The Notice of Petition for Declaratory Statement was published in Volume 52, No. 13, on January 21, 2026, of the Florida Administrative Register. Petitioner sought the Board's opinion on the following inquiry: Can a dentist, not licensed to practice dentistry in Florida, own and operate a pediatric and orthodontic practice in Florida if he does not see or treat patients himself, but rather, contracts with Florida licensed pediatric dentists and orthodontists as independent contractors to treat the patients? The Board considered the Petition at a duly-noticed public meeting held on February 13, 2026, in Gainesville, Florida. The Board's Order, filed on February 27, 2026, finds that Petitioner failed to identify any statutes, rules or order that

he believes may apply to circumstances. The Petition only makes an inquiry and seems to leave it to the board as to what statutes, rules or orders may apply. Accordingly, the Petition is legally insufficient and the Board declines to respond to his inquiry.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Traci Zeh, Executive Director, Board of Dentistry/MQA, 4052 Bald Cypress Way, Bin #C04, Tallahassee, Florida 32399-3258; (850)488-0595 or Traci.Zeh@flhealth.gov
