DEPARTMENT OF HEALTH**Board of Nursing Home Administrators**

RULE NO.: RULE TITLE:

64B10-15.0021 Approved Providers

PURPOSE AND EFFECT: The Board proposed the rule amendment to update the rule language for approved continuing education providers.

SUMMARY: The proposed rule amendment updates the rule language for approved providers.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

RULE NO.: RULE TITLE:

64B10-16.003 Facility at Which Training Takes Place

PURPOSE AND EFFECT: The Board proposed the rule amendment to update the rule language for facilities where trainings are held.

SUMMARY: The proposed rule amendment updates the rule language for facilities where trainings are held.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described

herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Accountancy

RULE NO.: RULE TITLE:

61H1-28.0052 Number of Sittings, and Granting of Credit, Release of Grades and Completion of Examination, Transition Rules

The Board of Accountancy hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, filed on December 15, 2025, by Alex Lavelle. The Notice of Petition for Waiver or Variance was published in Vol. 51, No. 247, of the December 23, 2025, Florida Administrative Register. Petitioner sought a waiver or variance of paragraph 61H1-28.0052(1)(b), F.A.C., entitled, “Number of Sittings, and Granting of Credit, Release of Grades and Completion of Examination, Transition Rules,” which requires that each candidate must pass all four test sections of the CPA Examination within a rolling eighteen-month period, which begins on the NASBA grade release date for the first test section(s) passed.

The Board considered the instant Petition at a duly-noticed public meeting held on January 9, 2026, in Tampa, Florida.

The Board’s Order, filed on February 10, 2026, granted the petition, finding that Petitioner established that the Board’s strict application of paragraph 61H1-28.0052(1)(b), F.A.C., to his circumstances, would violate principles of fairness or would impose a substantial hardship on him. The Board further established that, if he were granted the variance, the purpose of the accountancy examination statute would be met as required by Section 473.306, Florida Statute.

A copy of the Order or additional information may be obtained by contacting: Roger Scarborough, Division Director, Board of Accountancy, 240 NW 76th Dr., Suite A, Gainesville, Florida 32607, (850)487-1395 or by email at Roger.Scarborough@myfloridalicense.com.
