 12D-9.014 Prehearing Checklist
 12D-9.019 Scheduling and Notice of a Hearing

12D-9.020 Exchange of Evidence
 12D-9.025 Procedures for Conducting a Hearing; Presentation of Evidence; Testimony of Witnesses
 12D-9.026 Procedures for Conducting a Hearing by Electronic Media

PURPOSE AND EFFECT: The purpose of the proposed amendments is to implement statutory changes regarding hearings conducted by value adjustment boards provided in Chapter 2025-208, L.O.F.

SUMMARY: Section 194.011, F.S., as amended by section 7 of Chapter 2025-208, L.O.F., requires the property appraiser to provide evidence to a value adjustment board (VAB) petitioner at least 15 days before the hearing and removes the requirement that the petitioner must provide a written request to the property appraiser for their evidence. The proposed amendments to Rules 12D-9.020 and 12D-9.025, F.A.C., update the exchange of evidence process.

Section 194.032, F.S., as amended by section 10 of Chapter 2025-208, L.O.F., provides for availability of remote hearings using electronic equipment, and the taxpayer’s right to be notified of such right to remote hearings using electronic equipment. The proposed amendments to Rule 12D-9.001, F.A.C., add to the list of taxpayer rights, the availability of remote hearings using electronic equipment, and the right to be notified of such right to remote hearings using electronic equipment. The proposed amendment to Rule 12D-9.014, F.A.C., incorporates, into the prehearing checklist, a provision for the VAB to ensure sufficiency of electronic equipment for hearings and for counties to opt out if their population is less than 75,000. The proposed amendment to Rule 12D-9.019, F.A.C., incorporates, into the notice of hearing, the provision for the VAB to ensure sufficiency of electronic equipment for hearings and for counties to opt out if their population is less than 75,000. The proposed amendment to Rule 12D-9.026, F.A.C., incorporates criteria for VAB hearings requested and conducted by electronic media and updates the rule title to reflect new requirements.

Additional proposed amendments to Rule 12D-9.025, F.A.C., provide additional instructions to the VAB and special magistrate when revising a petition to increase or decrease the just value.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) no requirement for a SERC was triggered under Section 120.541(1), F.S.; and, 2) based on past experiences with activities for providing the public tax information and rules of this nature, the adverse impact or regulatory cost, if any, do not exceed nor would exceed any one of the economic analysis criteria in a SERC, as set forth in Section 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

12D-9.020 Exchange of Evidence.

(1)(a)1. At least 15 days before a petition hearing, the petitioner shall provide to the property appraiser a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented at the hearing. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner in writing by the property appraiser.

2. At least 15 days before a petition hearing, the property appraiser shall provide to the petitioner a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented at the hearing. The property appraiser’s evidence list must contain the current property record card. This provision does not preclude use of rebuttal evidence by the property appraiser. If the property appraiser does not provide the information to the petitioner within the time required, the hearing shall be rescheduled to allow the petitioner additional time to review the property appraiser’s evidence.

(b)2: To calculate the fifteen (15) days, the petitioner and property appraiser shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing, using the calendar day before the hearing as day 1. The last day of the fifteen (15) day period shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period runs shall run until the end of the next previous day that is neither a Saturday, Sunday, or legal holiday.

(b) A petitioner’s noncompliance with paragraph (1)(a), does not affect the petitioner’s right to receive a copy of the current property record card from the property appraiser as described in Section 194.032(2)(a), F.S.

(c) No petitioner may present for consideration, nor may a board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. If the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in this section. A petitioner’s ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. A petitioner’s noncompliance with paragraph (1)(a), does not authorize a value adjustment board or special magistrate to exclude the petitioner’s evidence. However, under Section 194.034(1)(h), F.S., if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser a reasonable time before the hearing, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. Reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. These requirements are more specifically described in subsection (8), of this rule, and in paragraphs 12D-9.025(4)(a) and (f), F.A.C.

(2)(a) If the property appraiser receives the petitioner’s documentation as described in paragraph (1)(a), and if requested in writing by the petitioner, the property appraiser shall, no later than seven (7) days before the hearing, provide to the petitioner a list of evidence to be presented at the hearing, a summary of evidence to be presented by witnesses, and copies of all documentation to be presented by the property appraiser at the hearing. The evidence list must contain the current property record card. There is no specific form or format required for the petitioner’s written request.

(b) To calculate the seven (7) days, the property appraiser shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day which is neither a Saturday, Sunday, or legal holiday.

~~(3)(a) If the petitioner does not provide the information to the property appraiser described in paragraph (1)(a), the property appraiser need not provide the information to the petitioner as described in subsection (2).~~

~~(b) If the property appraiser does not provide the information to the petitioner within the time required by paragraph (2)(b), the hearing shall be rescheduled to allow the petitioner additional time to review the property appraiser's evidence.~~

~~(4) through (6) Renumbered as (2) through (4) No change.~~

~~(7) A property appraiser shall not use at a hearing evidence that was not supplied to the petitioner as required. The remedy for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.~~

~~(8) No petitioner may present for consideration, nor may a board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in this section. If provided to the property appraiser less than fifteen (15) days before the hearing, such materials shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing, as described in paragraph 12D-9.025(4)(f), F.A.C. A petitioner's ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser.~~

12D-9.025 Procedures for Conducting a Hearing; Presentation of Evidence; Testimony of Witnesses.

~~(1) through (3) No change.~~

~~(4)(a) No evidence shall be considered by the board or special magistrate except when presented and admitted during the time scheduled for the petitioner's hearing, or at a time when the petitioner has been given reasonable notice. The petitioner may still present evidence if he or she does not participate in the evidence exchange. However, if the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and~~

~~refuses to provide it to the property appraiser, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate. These requirements are more specifically described in paragraph (f), below.~~

~~(b) No change.~~

~~(c) In a hearing other than a remote hearing under Rule 12D-9.026, F.A.C., in order to be reviewed by the board or special magistrate, copies of any evidence filed with the board clerk shall be brought to the hearing by the party. This requirement shall not apply where:~~

~~1. through 2. No change.~~

~~(d) through (e) No change.~~

~~(f)1. No petitioner shall present for consideration, nor shall the board or special magistrate accept for consideration, testimony or other evidentiary materials that were specifically requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. If the property appraiser asks in writing for specific evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and refuses to provide it to the property appraiser, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate.~~

~~2. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in Rule 12D-9.020, F.A.C., and, if provided to the property appraiser less than fifteen (15) days before the hearing, shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing.~~

~~3. A petitioner's ability to introduce the evidence requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph.~~

~~4. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser. For purposes of this rule and Rule 12D-9.020, F.A.C., reasonableness shall be assumed if the property appraiser does not object. Otherwise, reasonableness shall be determined by whether the material can be reviewed, investigated, and responded to or rebutted in the time frame remaining before the hearing. If a petitioner has acted in good faith and not denied evidence to the property appraiser prior to the hearing, as provided by Section 194.034(1)(h), F.S., but wishes to submit evidence at the hearing which is of a nature that would require investigation or verification by the property appraiser, then the special magistrate may allow the hearing to be recessed and, if necessary, rescheduled so that the property appraiser may review such evidence.~~

~~5.2.~~ No change.

(g) No change.

(5) No change.

(6)(a) By agreement of the parties entered in the record, the board or special magistrate may leave the record open and postpone completion of the hearing to a date certain to allow a party to collect and provide additional relevant and credible evidence. Such postponements shall be limited to instances where, after completing original presentations of evidence, the parties agree to the collection and submittal of additional, specific factual evidence for consideration by the board or special magistrate. In lieu of completing the hearing, upon agreement of the parties the board or special magistrate is authorized to consider such evidence without further hearing.

(b) No change.

(c) In a petition to decrease the just value, the board or special magistrate may not revise the value above the property appraiser's presented value. In a petition to decrease the just value, the following limitations shall apply if the property appraiser seeks to present additional evidence that was unexpectedly discovered and that would increase the assessment.

1. through 6. No change.

(d) In a petition to increase the just value, the property appraiser may provide an increased just value to the petitioner before the hearing or at the hearing. In such case, if the petitioner agrees with the property appraiser's increased just value, the petitioner may settle or withdraw the petition. If the petitioner does not agree with the property appraiser's increased just value, the hearing shall not be canceled on that ground. This provision applies only in petitions to increase the just value. In a petition to increase the just value, the board or special magistrate may not revise the value below the property appraiser's presented value.

(7) through (10) No change.

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that the Construction Industry Licensing Board has issued an order disposing of the petition for declaratory statement filed by Mike Lugo, on behalf of Temperature Data Collection Service on January 06, 2026. The following is a summary of the agency's disposition of the petition:

Petitioner asked the Board, "Do the business activities outlined-specifically, placing wireless temperature sensors in residences, collecting temperature data over a 7-day period, and providing data analysis reports to licensed HVAC contractors, require licensure as an HVAC contractor under Chapter 489, Florida Statutes?" The Notice of Petition for Declaratory Statement was published in Vol. 52, No. 10, on January 15, 2026, in the Florida Administrative Register. The Boards Order was filed on February 23, 2026. The Board, at its meeting held on February 13, 2026, denied the Petition for Declaratory Statement, finding that the Petitioner does not meet the definition of a "substantially affected person" as required by the Statute and therefore lacks appropriate standing to bring the present Petition. Additionally, the Petition does not contain a particular set of circumstances required by the statute and rule cited.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Amanda Ackermann, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, Florida 32399-1039 or telephone: (850)487-1395, or by electronic mail to Amanda.Ackermann@myfloridalicense.com.

The Notice of Petition for Declaratory Statement was published in Vol. 52, No. 20, on January 30, 2026, in the Florida Administrative Register. The Boards Order was filed on February 18, 2026. The Board, at its meeting held on January 16, 2026, denied the Petition for Declaratory Statement, finding that the present petition is a request by the Petitioner regarding the duties and responsibilities of another person, namely the City of Dunedin. A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Amanda Ackermann, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, Florida 32399-1039 or telephone: (850)487-1395, or by electronic mail to Amanda.Ackermann@myfloridalicense.com

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that the Construction Industry Licensing Board has issued an order disposing of the petition for declaratory statement filed by Anthony Manzella, on January 05, 2026. The following is a summary of the agency's disposition of the petition:

Petitioner sought a declaratory statement regarding the roofing scope of authority for Certified Building Contractors. Petitioner requested that the Board consider one or more of the following: "(1) Issuance of a declaratory interpretation regarding roofing work performed by Certified Building Contractors; (2) Recommendation of statutory clarification to the Legislature where appropriate; (3) Consideration of a limited endorsement or qualification pathway for CBCs to perform roofing work outside new construction; or (4) Such other guidance as the Board deems consistent with its statutory authority and the public interest." The Notice of Petition for Declaratory

Statement was published in Vol. 52, No. 08, on January 13, 2026, in the Florida Administrative Register. The Board's Order was filed on February 24, 2026. The Board, at its meeting held on February 13, 2026, denied the Petition for Declaratory Statement, finding that the Petition does not contain a particular set of circumstances required by the statute and rule cited. Additionally, the Board finds that the Present petition does request the Board of opine on certain statutory and rule provisions as it is primarily a request for legislative change and for the Board to provide an interpretation of the statutes which is contrary to the plain language of the statute.

Commerce Final Order No. COM-26-011

FINAL ORDER

APPROVING MONROE COUNTY ORDINANCE NO. 028-2025

The Florida Department of Commerce (“Department”) hereby issues its Final Order, pursuant to sections 380.05(6) and 380.0552(9), Florida Statutes, approving land development regulations adopted by Monroe County, Florida (the “County”), Ordinance No. 028-2025 (the “Ordinance”).

FINDINGS OF FACT

The Florida Keys Area is designated by section 380.0552, Florida Statutes, as an area of critical state concern. The County is a local government within the Florida Keys Area.

The Ordinance was adopted by the County on December 10, 2025, and rendered to the Department on January 12, 2026.

The Ordinance amends regulations governing community meetings under Sections 102-158, 102-169, 110-3, and 110-70 of the County’s Land Development Code. Specifically, the Ordinance removes the requirement that community meetings be held 45 to 120 days prior to the first public hearing and instead requires that such meetings occur prior to review of the application by the Development Review Committee (DRC). The Ordinance also clarifies that community meetings may be conducted either in person or via electronic means.

CONCLUSIONS OF LAW

The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. See Section 380.05(6), Florida Statutes.

“Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land, Section 380.031(8) Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

6. The Ordinance is consistent with the Monroe County Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically, with Objective 1302.1, Policy 1302.1.4, and Policy 1302.1.5.

7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area sections 380.05(6) and 380.0552(7), Florida Statutes. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in Section 380.0552(7), Florida Statutes.

8. The Ordinance is consistent with the Principles for Guiding Development as a whole, and specifically complies with the following:

(a) Strengthening local government capabilities for managing land use and development so that local government can achieve these objectives without continuing the area of critical state concern designation.

(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource. Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that Monroe County Ordinance No. 028-2025 is consistent with the Monroe County Comprehensive Plan and Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register, unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.

FINAL ORDER APPROVING ISLAMORADA, VILLAGE OF ISLANDS

ORDINANCE NO. 25-23

The Department of Commerce (“Department”) hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, approving land development regulations adopted by Islamorada, Village of Islands, Florida (“Village”), by Ordinance No. 25-23 (the “Ordinance”).

FINDINGS OF FACT

1.The Florida Keys Area is designated by Section 380.0552, Florida Statutes, as an area of critical state concern. The Village is a local government within the Florida Keys Area.

2.The Ordinance was adopted by the Village on January 8, 2026, and rendered to the Department on January 9, 2026.

3.The Ordinance amends Sections 30-504 and 30-506 of the Village Land Development Code to revise procedures and eligibility criteria for the Transfer of Development Rights (TDR) program. The Ordinance allows for TDRs to now be transferrable between receiver sites that contain the same environmental sensitivity as the sender site rather than only to receiver sites that are less environmentally sensitive than the sender site. Additionally, the Ordinance expands the number of eligible TDR receiver sites by adding an exception to the existing habitat classification limitations. As a result, TDRs may now be transferred to parcels that contain a Class I habitat classification. Additionally, the exception now allows the transfer of a Class III parcel to a Class II parcel.

4.The Ordinance also removes the table within the Code that provided a list of zoning districts eligible as residential sender sites and receiver sites. Instead, the Ordinance provides that residential dwelling units may be transferred from any land use district to any land use district that in which residential dwelling units are allowed as a permitted use, so long as specified conditions are met.

5.Lastly, the Ordinance removes a condition on the transfer of residential TDRs that prohibited any structure from being placed in a VE flood zone on a receiver site.

9. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. See Section 380.05(6), Florida Statutes. The Principles for Guiding Development for the Village are set forth in Section 380.0552(7), Florida Statutes.
