6480. Multiple MPIDs for Quoting and Trading in OTC Equity Securities

The Rule

Notices

(a) Any member that is required to obtain, or otherwise wishes to use, more than one Market Participant Symbol ("MPID") for purposes of quoting and trading OTC Equity Securities or for reporting trades to the OTC Reporting Facility must submit a written request, in the form required by FINRA, to, and obtain approval from, FINRA Market Operations for such additional MPID(s).

(b) A member that posts a quotation in an OTC Equity Security and reports to a FINRA system a trade resulting from such posted quotation must utilize the same MPID for reporting purposes.

(c) Except as set forth in paragraph (d), an OTC Reporting Facility Participant that operates an alternative trading system ("ATS"), as that term is defined in Rule 300 of SEC Regulation ATS, must obtain a single, separate MPID for each such ATS designated for exclusive use for reporting each ATS's transactions. The member must use such separate MPID to report all transactions executed within the ATS to the OTC Reporting Facility, except if the member is submitting a clearing-only, non-regulatory report pursuant to Rule 7330(h)(4). The member shall not use such separate MPID to report any transaction that is not executed within the ATS. Any member that operates multiple ATSs must obtain a separate MPID for each ATS. Members must have policies and procedures in place to ensure that trades reported with a separate MPID obtained under this paragraph are restricted to trades executed within the ATS.

(d) An ATS is permitted to use two separate MPIDs only if one MPID is used exclusively for reporting transactions to TRACE and the other MPID is used exclusively for reporting transactions to the equity trade reporting facilities (the Alternative Display Facility, the OTC Reporting Facility, the FINRA/Nasdaq TRF, or the FINRA/NYSE TRF).

••• Supplementary Material: -----

.01 FINRA considers the issuance of, and trade reporting with, multiple MPIDs to be a privilege and not a right. A member must identify the purpose(s) and system(s) for which the multiple MPIDs will be used. If FINRA determines that the use of multiple MPIDs is detrimental to the marketplace, or that a member is using one or more additional MPIDs improperly or for other than the purpose(s) identified by the member, FINRA staff retains full discretion to limit or withdraw its grant of the additional MPID(s) to such member.

6490. Processing of Company-Related Actions

The Rule

Notices

(a) General

(1) In furtherance of FINRA's obligations to foster cooperation and coordination of the clearing, settling and processing of transactions in equity and debt securities of any issuer with a class of publicly traded, non-exchange listed, securities in the OTC market and, in general, to protect investors and the public interest, FINRA's Operations Department ("Department") reviews and processes documents related to announcements for SEA Rule 10b-17 Actions and Other Company-Related Actions to facilitate the orderly trading and settlement of OTC securities.

(2) For purposes of this Rule, the term "SEA Rule 10b-17 Actions" includes, dividends or other distributions in cash or kind, stock splits or reverse stock splits, or rights or other subscription offerings, and such other actions as are provided for in SEA Rule 10b-17; and the term "Other Company-Related Actions" includes, but is not limited to, any issuance or change to a symbol or name, mergers, acquisitions, dissolutions or other company control transactions; and bankruptcy or liquidations.

(3) This Rule details the advance notification, supporting documentation and fees required by FINRA to process documentation related to such requests.

(b) Request for FINRA Action

(1) An issuer or other duly authorized representative of the issuer may request that FINRA process documentation related to an SEA Rule 10b-17 Action or Other Company-Related Action by submitting a signed request in the manner and form required by FINRA ("Requesting Party"). Initial symbol set up requests may also be submitted by members or associated persons of members in order to comply with regulatory reporting requirements.

(2) All requests to process documentation related to an SEA Rule 10b-17 Action must be complete and submitted to the Department, in the manner and form required, no later than the time frame specified in SEA Rule 10b-17. A Requesting Party that does not submit a completed request to the Department, in the manner and form required, within the time frame specified in SEA Rule 10b-17, shall be deemed "late" and, as set forth in this Rule, subject to an additional fee before the request may be processed. Nothing in the Rule shall alter the obligations of an issuer under SEA Rule 10b-17 and the processing of documentation related to a "late" SEA Rule 10b-17 Action request by FINRA shall not relieve an issuer of any violations under such rule.

(3) All requests to process documentation related to Other Company-Related Actions must be complete and submitted to the Department, in the manner and form required, no later than the time period prescribed for such Other Company-Related Action by FINRA. Notice and information submitted for Other Company-Related Actions must be submitted no later than 10 calendar days prior to the effective date of the company action. A Requesting Party that does not submit a completed FINRA action form to the Department, in the manner and form prescribed, at least ten (10) calendar days prior to the proposed effective date of the company action, shall be deemed "late" and as set forth in this Rule, subject to an additional fee before being processed.

(4) The Department may request such additional information or documentation as may be necessary for the Department to review the request to process documentation related to an SEA Rule 10b-17 Action or Other Company-Related Action and verify the accuracy of the information submitted.

(c) Fees

The Requesting Party shall pay the following non-refundable fees for the review and processing of documentation related to an SEA Rule 10b-17 Action and Other Company-Related Action:

SEA Rule 10b-17 Action	Fee
Timely SEA Rule 10b-17 Notification	\$200

Late SEA Rule 10b-17 Notification Submitted at least 5 calendar days prior to Corporate Action Date	\$1,000
Late SEA Rule 10b-17 Notification Submitted at least 1 calendar day prior to Corporate Action Date	\$2,000
Late SEA Rule 10b-17 Notification Submitted on or after Corporate Action Date	\$5,000
Other Company-Related Action	Fee
Voluntary Symbol Request Change	\$500
Initial Symbol Set Up	No Charge
Symbol Deletion	No Charge
Appeals	Fee
Action Determination Appeal Fee	\$4,000

(d) Procedures for Reviewing Submissions

(1) Review

The Department shall review all requests to process documentation related to SEA Rule 10b-17 Actions and Other Company-Related Actions that are submitted pursuant to this Rule, including any additional documents or information requested in accordance with paragraph (b) above. All such requests must be accompanied by proof of payment of the requisite fee when appropriate in accordance with paragraph (c) above.

(2) Lapsed Requests

Where a Requesting Party does not, in the reasonable determination of the Department, sufficiently respond to any request by the Department for additional information or documentation pursuant to paragraph (b)(3) above within 90 calendar days following such Department request, such party's request shall be deemed "lapsed" and be closed.

(3) Deficiency Determination

In circumstances where an SEA Rule 10b-17 Action or Other Company-Related Action is deemed deficient, the Department may determine that it is necessary for the protection of investors, the public interest and to maintain fair and orderly markets, that documentation related to such SEA Rule 10b-17 Action or Other Company-Related Action will not be processed. In instances where the Department makes such a deficiency determination, the request to process documentation related to the SEA Rule 10b-17 Action or Other Company-Related Action, as applicable, will be closed, subject to paragraphs (d)(4) and (e) of this Rule. The Department shall make such deficiency determinations solely on the basis of one or more of the following factors: (1) FINRA staff reasonably believes the forms and all supporting documentation, in whole or in part, may not be complete, accurate or with proper authority; (2) the issuer is not current in its reporting requirements, if applicable, to the SEC or other regulatory authority; (3) FINRA has actual knowledge that the issuer, associated persons, officers, directors, transfer agent, legal adviser, promoters or other persons connected to the issuer or the SEA Rule 10b-17 Action or Other Company-Related Action are the subject of a pending, adjudicated or settled regulatory action or investigation by a federal, state or foreign regulatory agency, or a self-regulatory organization; or a civil or criminal action related to fraud or securities laws violations; (4) a state, federal or foreign authority or self-regulatory organization has provided information to FINRA, or FINRA otherwise has actual knowledge indicating that the issuer, associated persons, officers, directors, transfer agent, legal adviser, promoters or other persons connected with the issuer or the SEA Rule 10b-17 Action or Other Company-Related Action may be potentially involved in fraudulent activities related to the securities markets and/or pose a threat to public investors; and/or (5) there is significant uncertainty in the settlement and clearance process for the security.

(4) Notice Regarding Determination

If the Department determines that a request to process documentation related to a SEA Rule 10b-17 Action or a Other Company-Related Action is deficient, FINRA staff shall provide written notice to the Requesting Party. Any notice issued under this paragraph shall state

the specific factor(s) that caused the request to be deemed deficient and the Requesting Party may appeal a determination pursuant to paragraph (e) of this Rule.

(5) Notice Issuance

A notice issued under this paragraph shall be issued by facsimile or electronic mail, or pursuant to Rule 9134.

(e) Request for an Appeal to Subcommittee of Uniform Practice Code Committee

A Requesting Party issued a notice under this Rule may appeal a determination made under paragraph (d)(3) of this Rule to a three-member subcommittee composed of current or former industry members of FINRA's Uniform Practice Code Committee in writing via electronic mail, unless an alternative method of service is ordered by the Adjudicator, within seven calendar days after service of the notice. Service of the appeal by electronic mail shall be deemed complete upon sending. The written request for an appeal must be accompanied by proof of payment of the non-refundable Action Determination Appeal Fee. A request for an appeal must set forth with specificity any and all defenses to the Department's determination that a request was unacceptable or otherwise deficient. An appeal to the subcommittee shall operate to stay the processing of the company-related action (i.e., the requested company-related action shall not be processed during the period that the Requesting Party requests an appeal or while any such appeal is pending). Once a written appeal has been received, the Requesting Party may submit any additional supporting written documentation via electronic mail, unless an alternative method of service is ordered by the Adjudicator, up until the time the appeal is considered by the subcommittee. The subcommittee shall convene once each calendar month to consider all appeals received under this Rule during the prior month. The subcommittee shall render a determination within three business days following the day the appeal is considered by the subcommittee. The subcommittee's determination shall constitute final action by FINRA. The subcommittee's determination shall not constitute an estoppel as to FINRA nor bind FINRA in any subsequent administrative, civil, or disciplinary proceeding. If the Requesting Party fails to file a written request for an appeal within seven calendar days after service of the notice by the Department, the Department's determination shall constitute final action by FINRA.

••• Supplementary Material: -----

.01 SEA Rule 10b-17 Fee Accumulations. In accordance with the time-frames specified in SEA Rule 10b-17, OTC issuers must provide FINRA with written notice prior to a dividend or any other distribution in cash or in kind, rights or other subscription offerings, forward stock splits, and reverse stock splits. In addition, pursuant to Rule 6490 OTC issuers must pay any applicable fees. Notwithstanding the timeliness of the SEA Rule 10b-17 Action submission or the failure to pay applicable fees, FINRA will make its best efforts to process documentation related to SEA Rule 10b-17 Actions that are not otherwise deemed incomplete or otherwise deficient by FINRA because of the critical nature of this information to the marketplace. Although FINRA may process documentation related to SEA Rule 10b-17 Actions even if a fee remains unpaid, FINRA accumulates all unpaid SEA Rule 10b-17 Action fees associated with a specific OTC issuer symbol. Regardless of the current ownership status or transaction history of an OTC issuer, FINRA will not process documentation related to Voluntary Symbol Request Changes until all unpaid accumulated late fees have been paid for the associated OTC symbol.

.02 Requests by Third-Parties. Pursuant to SEA Rule 10b-17, OTC issuers must provide FINRA with written notice generally within the time-frames specified in SEA Rule 10b-17. In certain circumstances, FINRA is contacted by a third-party, such as DTCC, foreign exchanges or regulators, members or associated persons, regarding an SEA Rule 10b-17 Action or Other Company Related Action. In such cases, FINRA requests that the third-party contact the issuer in question regarding its obligations under SEA Rule 10b-17 or other rules and regulations, as applicable, and instruct such issuer to contact FINRA directly to provide notice and complete the requisite forms. However, FINRA may in its discretion review and process an SEA Rule 10b-17 Action or Other Company-Related Action based on information from a third-party when it believes such action is necessary for the protection of the market and investors and/or FINRA has been unable to obtain notification from the issuer.

6622. Transaction Reporting

The Rule

Notices

(a) When and How Transactions are Reported

(1) OTC Reporting Facility Participants shall, as soon as practicable but no later than 10 seconds after execution, transmit to the OTC Reporting Facility, or if the OTC Reporting Facility is unavailable due to system or transmission failure, by telephone to the Operations Department, last sale reports of transactions in OTC Equity Securities executed during normal market hours. Transactions not reported within 10 seconds after execution shall be designated as late.

(2) Transaction Reporting Outside Normal Market Hours

(A) Last sale reports of transactions in OTC Equity Securities executed between 8:00 a.m. and 9:30 a.m. Eastern Time shall be reported as soon as practicable but no later than 10 seconds after execution and be designated with the unique trade report modifier, as specified by FINRA, to denote their execution outside normal market hours.

(B) Last sale reports of transactions in OTC Equity Securities executed between 4:00 p.m. and 8:00 p.m. Eastern Time shall be reported as soon as practicable but no later than 10 seconds after execution and be designated with the unique trade report modifier, as specified by FINRA, to denote their execution outside normal market hours.

(C) Last sale reports of transactions in OTC Equity Securities executed between midnight and 8:00 a.m. Eastern Time shall be reported by 8:15 a.m. Eastern Time on trade date and be designated with the unique trade report modifier, as specified by FINRA, to denote their execution outside normal market hours.

(D) Last sale reports of transactions in OTC Equity Securities executed (i) between 8:00 p.m. and midnight Eastern Time or (ii) on any non-business day (i.e., weekend or holiday) shall be reported the following business day by 8:15 a.m. Eastern Time, be designated "as/of" trades to denote their execution on a prior day and be designated with the unique trade report modifier, as specified by FINRA, to denote their execution outside normal market hours.

(3) Transaction Reporting for Restricted Equity Securities

(A) Last sale reports of transactions in Restricted Equity Securities effected under Securities Act Rule 144A and executed between midnight and 8:00 p.m. Eastern Time shall be reported on the same business day as the transaction.

(B) Last sale reports of transactions in Restricted Equity Securities effected under Securities Act Rule 144A executed (i) between 8:00 p.m. and midnight Eastern Time or (ii) on any non-business day (i.e., weekend or holiday) shall be reported the following business day by 8:00 p.m. Eastern Time and be designated "as/of" trades to denote their execution on a prior day.

(4) Transactions not reported within 10 seconds after execution, or such other time period prescribed by rule, shall be designated as late. Any transaction that is required to be reported on trade date, but is not reported on trade date, must be reported on an "as/of" basis on a subsequent date (T+N) and shall be designated as late. Any transaction that is required to be reported on an "as/of" basis the following business day (T+1), but is not reported T+1, must be reported on a subsequent date (T+N) and shall be designated as late. A pattern or practice of late reporting without reasonable justification or exceptional circumstances may be considered conduct inconsistent with high standards of commercial honor and just and equitable principles of trade in violation of [Rule 2010](#).

(5) Members also shall append the applicable trade report modifiers as specified by FINRA to all last sale reports, including reports of "as/of" trades:

- (A) if the trade is executed during normal market hours and it is reported later than 10 seconds after execution;
- (B) if the trade is a Seller's Option Trade, denoting the number of days for delivery;
- (C) if the trade is a Cash Trade;
- (D) if the trade is a Next Day Trade;
- (E) if the trade occurs at a price based on an average weighting or another special pricing formula;

(F) if the trade is a Stop Stock Transaction (as defined in [Rule 6420](#)) (Note: the transaction report shall include both the time of execution of the trade and the time at which the member and the other party agreed to the Stop Stock Price; if the Stop Stock Transaction is executed and reported within 10 seconds of the time the member and the other party agree to the Stop Stock Price, the designated modifier shall not be appended and only the time of execution of the trade shall be reported);

(G) if the transaction report reflects a price different from the current market when the execution price is based on a prior reference point in time (Note: the transaction report shall include both the time of execution of the trade and the prior reference time; if the trade is executed and reported within 10 seconds from the prior reference point in time, the designated modifier shall not be appended and only the time of execution of the trade shall be reported); and

(H) to identify pre-opening and after-hours trades (executed between 8:00 a.m. and 9:30 a.m. Eastern Time or between 4:00 p.m. and 8:00 p.m. Eastern Time) reported more than 10 seconds after execution.

To the extent that any of the modifiers required by this Rule conflict, FINRA shall provide guidance regarding the priorities among modifiers and members shall report in accordance with such guidance, as applicable.

(6) The OTC Reporting Facility will append the appropriate modifier to indicate that a trade was executed outside normal market hours or that a report was submitted late to the OTC Reporting Facility, where such report contains the time of execution, but does not contain the appropriate modifier.

(7) To identify pre-opening and after-hours trades in OTC Equity Securities reported late, the OTC Reporting Facility will convert to the late modifier, as applicable, on any pre-opening or after-hours report submitted to the OTC Reporting Facility more than 10 seconds after execution.

(8) All members shall report as soon as practicable to the Market Regulation Department on Form T, last sale reports of transactions in OTC Equity Securities or Restricted Equity Securities for which electronic submission to the OTC Reporting Facility is not possible (e.g., the ticker symbol for the security is no longer available or a market participant identifier is no longer active). Transactions that can be reported to the OTC Reporting Facility, whether on trade date or on a subsequent date on an "as/of" basis (T+N), shall not be reported on Form T.

(b) Which Party Reports Transaction

(1) In transactions between two members, the executing party shall report the transaction.

(2) In transactions between a member and a non-member or customer, the member shall report the transaction.

For purposes of this paragraph (b), "executing party" shall mean the member that receives an order for handling or execution or is presented an order against its quote, does not subsequently re-route the order, and executes the transaction. In a transaction between two members where both members may satisfy the definition of executing party (e.g., manually negotiated transactions via the telephone), the member representing the sell-side shall report the transaction, unless the parties agree otherwise and the member representing the sell-side contemporaneously documents such agreement.

(c) Information To Be Reported

Each last sale report shall contain the following information:

(1) Symbol of the OTC Equity Security or Restricted Equity Security;

(2) Number of shares;

(3) Price of the transaction as required by paragraph (d) below;

(4) A symbol indicating whether the transaction is a buy, sell or cross, and if applicable, sell short; and

(5) The time of execution expressed in hours, minutes, and seconds based on Eastern Time, unless another provision of FINRA rules requires that a different time must be included on the report.

(d) Procedures for Reporting Price, Volume, Capacity and Identification of Other Members

Members that are required to report pursuant to paragraph (b) above shall transmit last sale reports for all purchases and sales in OTC Equity Securities and Restricted Equity Securities in the following manner:

(1) Reporting Agency Transactions

For agency transactions, report the number of shares and the price excluding the commission charged.

(2) Reporting Dual Agency Transactions

For dual agency transactions, report the number of shares only once, and report the price excluding the commission charged.

(3) Reporting Principal and Riskless Principal Transactions

(A) For principal transactions, except as provided in subparagraph (B) hereof, report each purchase and sale transaction separately and report the number of shares and the price. For principal transactions that are executed at a price that includes a mark-up, mark-down or service charge, the price reported shall exclude the mark-up, mark-down or service charge. Such reported price shall be reasonably related to the prevailing market, taking into consideration all relevant circumstances including, but not limited to, market conditions with respect to the OTC Equity Security, the number of shares involved in the transaction, the published bids and offers with size displayed in any inter-dealer quotation system at the time of the execution (including the reporting firm's own quotation), the cost of execution and the expenses involved in clearing the transaction.

(B) Exception: A "riskless" principal transaction in which a member, after having received an order to buy a security, purchases the security as principal at the same price to satisfy the order to buy or, after having received an order to sell, sells the security as principal at the same price to satisfy the order to sell, shall be reported as one transaction in the same manner as an agency transaction, excluding the mark-up or mark-down, commission-equivalent, or other fee. Alternatively, a member may report a riskless principal transaction by submitting the following report(s) to the OTC Reporting Facility:

(i) The member with the obligation to report the transaction pursuant to paragraph (b) above must submit a last sale report for the initial leg of the transaction.

(ii) Regardless of whether a member has a reporting obligation pursuant to paragraph (b) above, the firm must submit, for the offsetting, "riskless" portion of the transaction, either:

a. a clearing-only report with a capacity indicator of "riskless principal," if a clearing report is necessary to clear the transaction; or

b. a non-tape, non-clearing report with a capacity indicator of "riskless principal," if a clearing report is not necessary to clear the transaction.

Example:

SELL as a principal 100 shares to another member at 40 to fill an existing order;

BUY as principal 100 shares from a customer at 40 minus a mark-down of \$12.50;

REPORT 100 shares at 40 by submitting to the OTC Reporting Facility either a single trade report marked with a "riskless principal" capacity indicator or by submitting the following reports:

(1) where required by this Rule, a tape report marked with a "principal" capacity indicator; and

(2) either a non-tape, non-clearing report or a clearing-only report marked with a "riskless principal" capacity indicator.

(4) Identification of Other Members for Agency and Riskless Principal Transactions

Any member that has a reporting obligation pursuant to paragraph (b) above and is acting in a riskless principal or agency capacity on behalf of one or more other members shall submit to FINRA one or more non-tape (either non-tape, clearing-only or non-tape, non-clearing) report(s) identifying such other member(s) as a party to the transaction, if such other member(s) is not identified on the initial trade report submitted to FINRA or a report submitted to FINRA pursuant to Rule 6622(d)(3)(B) for the offsetting leg of a riskless principal transaction. Nothing in this Rule 6622(d)(4) shall negate or modify the riskless principal transaction reporting requirements set forth in Rule 6622(d)(3)(B).

Example #1:

Member A, as agent or riskless principal on behalf of Member B, BUYS 100 shares from Member C at 40 (no mark-down included)

Member A has the reporting obligation under Rule 6622(b)

(e) Reporting Requirements For Certain Transactions and Transfers of Securities

(1) The following shall not be reported to the OTC Reporting Facility:

(A) transactions that are part of a primary distribution by an issuer or a registered secondary distribution (other than "shelf distributions") or of an unregistered secondary distribution; for purposes of this subparagraph, the term "distribution" has the meaning set forth under Rule 100 of SEC Regulation M;

(B) transactions made in reliance on Section 4(2) of the Securities Act;

(C) transactions reported on or through an exchange;

(D) transfers of securities made pursuant to an asset purchase agreement (APA) that is subject to the jurisdiction and approval of a court of competent jurisdiction in insolvency matters, provided that the purchase price under the APA is not based on, and cannot be adjusted to reflect, the current market prices of the securities on or following the effective date of the APA; and

(E) the transfer of equity securities for the sole purpose of creating or redeeming an instrument that evidences ownership of or otherwise tracks the underlying securities transferred (e.g., an American Depositary Receipt or exchange-traded fund).

(2) The following shall not be reported to the OTC Reporting Facility for publication purposes, but shall be reported for regulatory transaction fee assessment purposes under [Rule 7330\(g\)](#):

(A) Transactions where the buyer and seller have agreed to trade at a price substantially unrelated to the current market for the security;

(B) Purchases or sales of securities effected upon the exercise of an option pursuant to the terms thereof or the exercise of any other right to acquire securities at a pre-established consideration unrelated to the current market; and

(C) Transfers of proprietary securities positions where the transfer (1) is effected in connection with a merger or direct or indirect acquisition and (2) is not in furtherance of a trading or investment strategy. Members must provide FINRA at least three business days advance written notice of their intent to use this exception, including the basis for their determination that the transfer meets the terms of the exception.

(f) Reporting Cancelled and Reversed Trades

(1) Obligation and Party Responsible for Reporting Cancelled and Reversed Trades

With the exception of trades cancelled in accordance with the [Rule 11890](#) Series, members shall report to the OTC Reporting Facility the cancellation or reversal of any trade previously submitted to the OTC Reporting Facility. The member responsible under Rule 6622 for submitting the original trade report shall submit the cancellation or reversal report in accordance with the procedures set forth in paragraphs (f)(2), (3) and (4).

(2) Deadlines for Reporting Cancelled and Reversed Trades in OTC Equity Securities

(A) For trades executed between 9:30 a.m. and 4:00 p.m. Eastern Time and cancelled at or before 4:00 p.m. on the date of execution, the member responsible under paragraph (f)(1) shall report the cancellation as soon as practicable but no later than 10 seconds after the time the trade is cancelled.

(B) For trades executed between 9:30 a.m. and 4:00 p.m. Eastern Time and cancelled after 4:00 p.m., but before 8:00 p.m. on the date of execution, the member responsible under paragraph (f)(1) shall use its best efforts to report the cancellation not later than 8:00 p.m. on the date of execution, and otherwise it shall report the cancellation on the following business day by 8:00 p.m.

(C) For trades executed between 9:30 a.m. and 4:00 p.m. Eastern Time and cancelled at or after 8:00 p.m. on the date of execution, the member responsible under paragraph (f)(1) shall report the cancellation on the following business day by 8:00 p.m.

(D) For trades executed outside the hours of 9:30 a.m. to 4:00 p.m. Eastern Time and cancelled prior to 8:00 p.m. on the date of execution, the member responsible for reporting under paragraph (f)(1) shall report the cancellation by 8:00 p.m.

(E) For trades executed outside the hours of 9:30 a.m. to 4:00 p.m. Eastern Time and cancelled at or after 8:00 p.m. on the date of execution, the member responsible under paragraph (f)(1) shall report the cancellation on the following business day by 8:00 p.m.

(F) For any trade cancelled or reversed on any date after the date of execution, the member responsible under paragraph (f)(1) shall report the cancellation (or reversal) (i) by 8:00 p.m. on the date of cancellation (or reversal) if the trade is cancelled (or reversed) before 8:00 p.m., or (ii) by 8:00 p.m. on the following business day if the trade is cancelled (or reversed) at or after 8:00 p.m.

(G) For purposes of determining the deadline by which a trade cancellation (or reversal) must be reported to the OTC Reporting Facility pursuant to paragraph (f) of this Rule, the term "cancelled" (or "reversed," as applicable) shall mean the time at which (i) the member with the reporting responsibility informs its contra party, or is informed by its contra party, that a trade is being cancelled (or reversed), (ii) the member with the reporting responsibility and its contra party agree to cancel (or reverse) a trade if neither party can unilaterally cancel (or reverse) the trade, or (iii) the member with the reporting responsibility takes an action to cancel (or reverse) the trade on its books and records, whichever event occurs first.

(3) Deadlines for Reporting Cancelled and Reversed Trades in Restricted Equity Securities

(A) For trades previously submitted to the OTC Reporting Facility and cancelled before 8:00 p.m. Eastern Time on the date of execution, the member responsible under paragraph (f)(1) shall report the cancellation by 8:00 p.m.

(B) For trades cancelled at or after 8:00 p.m. Eastern Time on the date of execution, the member responsible under paragraph (f)(1) shall report the cancellation on the following business day by 8:00 p.m.

(C) For any trade cancelled or reversed on any date after the date of execution, the member responsible under paragraph (f)(1) shall report the cancellation or reversal

(i) by 8:00 p.m. on the date of cancellation if the trade is cancelled before 8:00 p.m., or

(ii) by 8:00 p.m. on the following business day if the trade is cancelled at or after 8:00 p.m.

(4) When submitting a report of a reversal to the OTC Reporting Facility, members must identify the original report of the previously submitted trade by including the original report date and the control number assigned by the OTC Reporting Facility to the original trade report.

(g) Transactions in Foreign Equity Securities

(1) For purposes of this paragraph, the term "foreign equity security" means any OTC Equity Security that is issued by a corporation or other entity incorporated or organized under the laws of any foreign country.

(2) Transactions in foreign equity securities shall be reported to the OTC Reporting Facility unless:

(A) the transaction is executed on and reported to a foreign securities exchange; or

(B) the transaction is executed over the counter in a foreign country and is reported to the regulator of securities markets for that country.

(h) A member may agree to allow another member to report and lock-in trades on its behalf, if both parties have completed an agreement to that effect (a "give up agreement") as specified by FINRA and submitted it to the OTC Reporting Facility. However, the member with the reporting obligation remains responsible for the transaction submitted on its behalf. Further, both the member with the reporting obligation and the member submitting the trade to the OTC Reporting Facility are responsible for ensuring that the information submitted is in compliance with all applicable rules and regulations.

• • • Supplementary Material: -----

.01 For purposes of reporting secondary market transactions in non-exchange-listed DPP securities pursuant to this Rule 6622, the following definitions shall apply. "Date of execution" means the date when the parties to a transaction in a DPP have agreed to all of the essential terms of the transaction, including the price and number of the units to be traded. "Time of execution" means the time when the parties to a transaction in a DPP have agreed to all of the essential terms of the transaction, including the price and number of the units to be traded.

.02 Members that would otherwise have the trade reporting obligation under paragraph (b) of this Rule must provide to FINRA notice that they are relying on the exception from trade reporting under paragraph (e)(1)(A) of this Rule for transactions that are part of an unregistered secondary distribution. For each transaction that is part of the unregistered secondary distribution and not trade reported, the member must provide the following information to FINRA: security name and symbol, execution date, execution time, number of shares, trade price and parties to the trade. Such notice and information must be provided no later than three (3) business days following trade date and in such form as specified by FINRA. If the trade executions will occur over multiple days, then initial notice and available information must be provided no later than three (3) business days following the first trade date and final notice and information must be provided no later than three (3) business days following the last trade date. The member must retain records sufficient to document the basis for relying on this trade reporting exception, including but not limited to, the basis for determining that the definition of "distribution" under Rule 100 of SEC Regulation M has been satisfied, as well as evidence of compliance with applicable notification requirements under [Rule 5190](#).

.03 Trade Reporting Time Frame

(a) With respect to the requirement under paragraphs (a) and (f) of this Rule that members report trades and trade cancellations "as soon as practicable," a member with the trade reporting obligation under paragraph (b) of this Rule must adopt policies and procedures reasonably designed to comply with this requirement and must implement systems that commence the trade reporting process without delay upon execution (or cancellation, as applicable). Where a member has such reasonably designed policies, procedures and systems in place, the member generally will not be viewed as violating the "as soon as practicable" requirement because of delays in trade reporting that are due to extrinsic factors that are not reasonably predictable and where the member does not purposely intend to delay the reporting of the trade. In no event may a member purposely withhold trade reports, e.g., by programming its systems to delay reporting until the last permissible second.

(b) FINRA recognizes that a very small universe of trades are reported manually, and as a result, even where a member does not purposely withhold trade reports, the trade reporting process may not be completed within 10 seconds following execution. In these cases, for purposes of determining whether "reasonable justification" exists to excuse what otherwise may be deemed to be a pattern or practice of late trade reporting under this Rule and [Rule 6623](#), FINRA will take into consideration such factors as the complexity and manual nature of the execution and reporting of the trade, where the trade details must be manually entered into the trade reporting system following execution.

.04 All time fields required by this Rule must be reported in hours, minutes, seconds and milliseconds, if the member's system captures time in milliseconds. Pursuant to the FINRA Rule 6800 Series (Consolidated Audit Trail Compliance Rule), Industry Members must report the execution of an order, in whole or in part ("order execution events") to the Central Repository. Industry Members must report time fields required by this Rule using the same timestamp granularity that they use to report order execution events to the Central Repository, in accordance with [Rule 6860](#).

6623. Timely Transaction Reporting

[The Rule](#)[Notices](#)

FINRA emphasizes the obligations of members to report securities transactions within the required time period. All reportable transactions not reported within the required time period shall be marked late, and FINRA routinely monitors members' compliance with the reporting requirements. If FINRA finds a pattern or practice of unexcused late reporting, that is, repeated reports of executions submitted after the required time period without reasonable justification or exceptional circumstances, the member may be found to be in violation of Rule 2010. Exceptional circumstances will be determined on a case-by-case basis and may include instances of system failure by a member or service bureau, or unusual market conditions, such as extreme volatility in a security, or in the market as a whole. Timely reporting of all transactions is necessary and appropriate for the fair and orderly operation of the marketplace, and FINRA will view noncompliance as a rule violation.
