The Grant Award Agreement is specific to the type of project being assisted.
2. For all funded Projects, any changes to the Scope of Work and Project Budget submitted with the application must be reviewed and approved by the Division prior to execution of a Grant Award Agreement.
3. For Projects funded in FY2025 and after, Project work may not be initiated prior to the Effective Date of the Grant Award Agreement, unless:
 - a) The Division may authorize initiation of Project work prior to the Effective Date of the Grant Award Agreement if damage to or loss of the Cemetery that is the subject of the proposed Project would likely otherwise occur. Such authorization must be secured prior to the initiation of work and shall apply only to work to be undertaken during the period after legislative appropriation for funding is made.
 - a. The Grantee must request such authorization in writing and must document the imminent threat to the resource by submission of a letter or report from a licensed landscape architect,

All such work shall be undertaken solely at the applicant organization's risk.

- c) Division authorization does not entail disbursement of any payment prior to the Effective Date of the Grant Award Agreement.

4. Grant Encumbrance Period and Expenditure Period:

- i. During the encumbrance period, but not later than the end date of the encumbrance period as outlined in the Grant Award Agreement, the Grantee shall execute all required contracts for all or part of the work to be accomplished with grant funds. - ii. Exception: The encumbrance period for an Abandoned African-American Cemeteries Grant project can be extended by written approval of the Division if requested in writing as indicated below and if the Grantee demonstrates to the satisfaction of the Division that partial encumbrance of grant funding by binding contract(s) is achievable by the end of the requested extended encumbrance period. The Grantee's written request for extension of the encumbrance deadline must be submitted to the Division as outlined in the Grant Award Agreement.
- iii. For Projects not involving contract services, but to be conducted by Grantee's internal staff, the Grantee and the Division shall consult on a case-by-case basis to develop an Acceptable encumbrance schedule.
