WITHOUT **EDUCATION** HE LIVES WITHIN THE NARROW, DARK AND GRIMY WALLS OF IGNORANCE. ... EDUCATION, ON THE OTHER HAND, MEANS EMANCIPATION. IT **MEANS LIGHT AND LIBERTY**. IT MEANS THE UPLIFTING OF THE SOUL OF MAN INTO THE GLORIOUS LIGHT OF TRUTH, THE LIGHT BY WHICH MEN CAN ONLY BE MADE FREE. **TO DENY EDUCATION TO ANY PEOPLE IS ONE OF THE GREATEST CRIMES AGAINST HUMAN NATURE**. IT IS EASY TO DENY THEM THE MEANS OF FREEDOM AND THE RIGHTFUL PURSUIT OF HAPPINESS AND TO DEFEAT THE VERY END OF THEIR BEING.

-FREDERICK DOUGLASS

BLESSINGS OF LIBERTY AND EDUCATION. SPEECH. 1894.

Introduction

On January 31, 2019, Governor DeSantis issued Executive Order 19-32, outlining a path for Florida to improve its education system by eliminating Common Core and paving the way for Florida students to receive a world-class education to prepare them for jobs of the future. The task from Governor DeSantis to Commissioner Corcoran was clear: Create literacy standards for our Florida students that will shape their education and secure their position as leading the charge to make Florida the most literate state in the nation. The outcome is Florida's Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards for English Language Arts (ELA), a product of Florida literacy experts, Florida educators, and vested stakeholders.

Florida's B.E.S.T. Standards encourage educators to act on Douglass' reminder of the ultimate purpose of education. His words confirm that education must be enlightening, noble, and good. He speaks from a tradition that holds education in the highest regard. The Latin root of the word *education* is *educare*, which means "to bring forth, to bring up." Douglass understood that education is the way to bring forth our greatest capacities. Knowledge is the pathway to liberty, which is a fundamental value guaranteed by our government.

Florida's B.E.S.T. Standards promote Douglass' noble view of education. The implementation of these standards will encourage schools, districts, and educators to adopt and build a rich, deep, and meaningful curriculum that "uplifts the soul." It is important to note that these standards are only the framework. It is up to Florida educators to use these standards to build knowledge-rich curricula that will nurture students by immersing them in the study of great works of literature, history, and the arts. The goal of these standards is to restore teachers to their true calling: educating the hearts, souls, and minds of their students, bringing them "into the glorious light of truth." In the words of John Adams, "Let us tenderly and kindly cherish, therefore, the means of knowledge. Let us dare to read, think, speak, and write."

What Matters: Cornerstones of Reading Comprehension

These standards emphasize that literacy is not achievable merely through a skills-based approach to reading comprehension. Lessons designed to instill background knowledge and a deep respect for literary works that transcend time because of the truth of their content and the beauty of their craft are critical to building life-long learners.

Foundational Instruction Matters

In the early grades, the standards emphasize explicit, systematic phonics instruction as the foundation of literacy. Decoding and fluency are essential to creating proficient readers. “Readers who have strong decoding skills can figure out unfamiliar words so quickly that the process requires no conscious effort,” says Dr. Holly Lane, Director, University of Florida Literacy Institute. When decoding is effortless, a reader’s limited working memory is freed up so the reader can focus on meaning.

Knowledge Matters

Reading comprehension depends more on relevant background knowledge than on mastery of reading strategies. Knowledge acquisition should be the primary purpose of any reading approach, starting at the earliest grades. The systematic building of a wide range of knowledge across domains is a prerequisite to higher literacy. Knowledge builds upon knowledge. Reading comprehension develops as students engage with literary and informational text selections that are complex, rich, and meaningful.

The greatest reading comprehension tool is not a set of strategies or tools that are content-free; rather, it is a well-stocked mind. Critical thinking cannot be separated from the object of that thinking. We cannot think deeply, creatively, or critically about a subject if we have little knowledge of it. Thus, the key to developing real critical thinking skills in our students is to increase knowledge about a breadth of subjects by reading rich texts on the subjects.

Curriculum Matters

If knowledge acquisition is a core component of reading comprehension, then how the content is organized and presented to students is the foundation of an effective curriculum. The specificity of these standards, along with the clarifications and appendices, will make it easier for educators, schools, and districts to build or select a coherent, cumulative, and knowledge-based curriculum that is vertically aligned across grades and horizontally aligned across subjects within a grade.

These standards are the foundation on which a robust curriculum will be built with a full appreciation of history, art, music, and other disciplines that were sidelined in favor of a focus on abstract reading strategies. These standards encourage a broader view of literacy that promotes knowledge-building across varied domains and subjects, making the integration of content and collaboration among teachers much easier to achieve.

Leadership Matters

Governor DeSantis, upon taking office, realized that for an education system to be successful, choice and excellence had to be the pillars of the system. Recognizing that our students and their families required and deserved more from their education, he issued the executive order to create the best standards in the nation. The Florida B.E.S.T. Standards are the pathway. In moving forward, the Florida Department of Education is committed to maximizing student potential and creating citizens well-poised to shape the future of Florida and the world.

Design of Standards

The standards are designed to be user-friendly, so every stakeholder will understand what students are expected to master. Taken together, the benchmarks, clarifications, and appendices represent the expected outcomes for the students of Florida and carry the full weight of the standards.

Florida's B.E.S.T. Standards for ELA are built on the following premises:

- English Language Arts is not a discrete set of skills, but a rich discipline with meaningful, significant content, the knowledge of which helps all students actively and fully participate in our society.
- The standards are clear and concise so they are easily understood by every stakeholder.
- The texts students read are meaningful and thought-provoking, preparing them to be informed, civic-minded members of their community.
- Standards should not stand alone as a separate focus for instruction, but should be combined purposefully.

The benchmarks for the standards are mastery goals that students are expected to attain by the end of the year. To build mastery, students will continue to review and apply earlier grade-level benchmarks and expectations. If skills are not mastered, students will be given instruction and practice opportunities to address skill gaps from previous grades.

The reading and writing standards have been written in such a way that they progress together and students are able to use the texts they are reading as accompanying texts for their writing. As a part of that focus, rhetoric will be introduced earlier, now during 6th grade, so that students will have an understanding of the appeals – logos, pathos, and ethos – when starting argumentative writing. It is vital that students have the tools of understanding how argumentation works as they are learning to write arguments. Foundational reading standards are included for secondary students who have a reading deficiency and need targeted instruction. These standards will apply to elective intensive reading and intensive language arts course codes, not core ELA courses. The goal is for targeted skill instruction, outlined by the standards, to make proficient readers of all of Florida's students, no matter their grade level.

Throughout this year-long process of evaluating, listening, rethinking, and ultimately, rewriting Florida's standards, the Florida Department of Education repeatedly engaged numerous stakeholders, including many educators, through a multi-faceted public input process. The success of this process was

rooted in the collective thought and input of many Floridians who held student-centered results close to heart. It is also recommended that this review process be repeated every seven years, if not sooner.

Florida's B.E.S.T. Standards for English Language Arts – Organization and Coding Scheme

Organization

The ELA Expectations are those overarching skills that run through every component of language arts. These are skills that students should be using throughout the strands. For purposes of instruction, the ELA Expectations are interconnected and should be developed over time. See ELA Expectations in [Appendix A](#) for incorporating the Expectations into instruction of the standards.

ELA Expectation	
ELA.K12.EE.1.1	Cite evidence to explain and justify reasoning.
ELA.K12.EE.2.1	Read and comprehend grade-level complex texts proficiently.
ELA.K12.EE.3.1	Make inferences to support comprehension.
ELA.K12.EE.4.1	Use appropriate collaborative techniques and active listening skills when engaging in discussions in a variety of situations.
ELA.K12.EE.5.1	Use the accepted rules governing a specific format to create quality work.
ELA.K12.EE.6.1	Use appropriate voice and tone when speaking or writing.

The mastery standards themselves represent end-of-the-year goals students should master and are divided into four strands: Foundations, Reading, Communication, and Vocabulary.

- *Foundations*
The Foundations Strand has been adapted to meet the needs of the traditional beginning reader and expanded to include remediation for secondary students who are not yet proficient readers. Additional resources related to the Foundations standards are in [Appendix E](#).
- *Reading*
The Reading Strand is divided into three standards: reading prose and poetry, reading informational text, and reading across genres. For all Reading standards, when evaluating text complexity to determine if a text is appropriate to the grade level, quantitative, qualitative, and student-centered demands should be considered together. See [Text Complexity](#). Additional resources related to the Reading standards are in [Appendix B](#).
- *Communication*
The Communication Strand is divided into five standards: communicating through writing, communicating orally, following conventions, researching, and creating and collaborating. Additional resources related to the Communication standards are in [Appendix C](#).

- *Vocabulary*

The Vocabulary Strand is comprised of one standard: finding meaning. Vocabulary is a building block of knowledge and essential to a thorough understanding of text. Additional resources related to the Vocabulary standards are in [Appendix D](#).

Coding Scheme

The Florida Department of Education would like to thank all of the Floridians who contributed to this project. In particular, we would like to thank the teacher experts who served on review committees to represent Florida teachers and students.

Spiraled Standards in a Vertical Progression

For each standard in the reading, communication, and vocabulary strands, the benchmarks are listed starting from grade 12 and ending at kindergarten to assist with vertical planning. Since all content in kindergarten is new, the entire benchmark is bolded. Moving up from kindergarten, the bolded language shows the new concept added at that grade level. This chart can help with vertical planning within a district or school system. It also helps to provide a framework for teachers to enable scaffolds for students who may need remediation.

Kindergarten

“Oh, magic hour, when a child first knows she can read printed words!” – Betty Smith

Instruction at this grade level should be characterized by a focus on explicit and systematic approaches to teaching phonemic awareness, phonics, vocabulary, fluency, and comprehension.

Foundational Skills

ELA.K.F.1 Learning and Applying Foundational Reading Skills

Print Concepts

ELA.K.F.1.1: Demonstrate knowledge of the basic concepts of print.

- a. Locate a printed word on a page.
- b. Distinguish letters from words within sentences.
- c. Match print to speech to demonstrate that language is represented by print.
- d. Identify parts of a book (front cover, back cover, title page).
- e. Move top to bottom and left to right on the printed page, returning to the beginning of the next line.
- f. Identify all upper- and lowercase letters of the alphabet.
- g. Recognize that print conveys specific meaning and pictures may support meaning.

Benchmark Clarifications:

Clarification 1: Matching print to speech involves making a one-to-one correspondence between a spoken word and the print on the page. This can be accomplished by having the child point to each word in a sentence as it is read by an adult.

Phonological Awareness

ELA.K.F.1.2: Demonstrate phonological awareness.

- a. Blend and segment syllables in spoken words.
- b. Identify and produce alliterative and rhyming words.
- c. Blend and segment onset and rimes of single-syllable words.
- d. Identify the initial, medial, and final sound of spoken words.
- e. Add or delete phonemes at the beginning or end of a spoken word and say the resulting word.
- f. Segment and blend phonemes in single-syllable spoken words.

Benchmark Clarifications:

Clarification 1: Phonological awareness only refers to what can be done orally at the syllable, onset-rime, and phoneme levels. It does not involve print or letter knowledge.

Phonics and Word Analysis

ELA.K.F.1.3: Use knowledge of grade-appropriate phonics and word-analysis skills to decode words accurately.

- a. Demonstrate knowledge of the most frequent sound for each consonant.
- b. Demonstrate knowledge of the short and long sounds for the five major vowels.
- c. Decode consonant-vowel-consonant (CVC) words.
- d. Encode consonant-vowel-consonant (CVC) words.

Benchmark Clarifications:

Clarification 1: Phonics refers to the relationship between graphemes (letters or letter combinations) and phonemes (speech sounds).

Clarification 2: Students will decode decodable high frequency words appropriate to the grade level. See K.F.1.4 and [Dolch](#) and [Fry](#) word lists. Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Fluency

ELA.K.F.1.4: Recognize and read with automaticity grade-level high frequency words.

Benchmark Clarifications:

Clarification 1: See [Dolch](#) and [Fry](#) word lists.

Clarification 2: Many of the high frequency words at this grade level are either irregularly spelled and therefore not decodable or are temporarily irregular, meaning that students have not yet learned the phonics rule that would enable them to decode the word. Those words that are decodable should be introduced to students using appropriate phonics rules. See K.F.1.3. Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Reading

ELA.K.R.1 Reading Prose and Poetry

Literary Elements

ELA.K.R.1.1: Describe the main character(s), setting, and important events in a story.

Benchmark Clarifications:

Clarification 1: In describing the main character, students can describe appearance, actions, feelings, and thoughts of the character. Students will explain what in the text their description is based on.

Clarification 2: For setting, students will discuss where the events of the story are happening. The time element of setting should only be addressed in texts where it is explicitly indicated.

Clarification 3: Descriptions can be oral, either in response to a question or through discussion.

Perspective and Point of View

ELA.K.R.1.3: Explain the roles of author and illustrator of a story.

Benchmark Clarifications:

Clarification 1: Students will explain that the author writes the words and the illustrator creates the pictures, recognizing that sometimes one person does both jobs, as in Dr. Seuss' *Hop on Pop* where Dr. Seuss performs both roles.

Clarification 2: Students should also explain that both authors and illustrators contribute to the meaning of the text.

Poetry

ELA.K.R.1.4: Identify rhyme in a poem.

Benchmark Clarifications:

Clarification 1: This benchmark builds on the skills from the phonological awareness benchmark

K.F.1.2(b): Identify and produce alliterative and rhyming words. The expectation is that students identify rhyming words in a poem that is read aloud.

Clarification 2: Students will also note where the rhyme is coming, e.g., at the end of a line.

ELA.K.R.2 Reading Informational Text

Structure

ELA.K.R.2.1: Use titles, headings, and illustrations to predict and confirm the topic of texts.

Benchmark Clarifications:

Clarification 1: The step of confirming the prediction is essential to mastery of this benchmark.

Central Idea

ELA.K.R.2.2: Identify the topic of and multiple details in a text.

Benchmark Clarifications:

Clarification 1: The topic is the general subject of the text, a word or a short phrase describing what the text is about. For example, the main topic of the book, *Why Should I Recycle?*, is recycling.

Argument

ELA.K.R.2.4: Explain the difference between opinions and facts about a topic.

Benchmark Clarifications:

Clarification 1: Students will explain which statements are fact and which are opinion within a text.

Clarification 2: Students will orally explain that facts are things that a person knows about something and that can be proven true or false. Students will orally explain that opinions are what a person thinks about something, often related to feelings or beliefs. Opinions cannot be proven true or false.

Example: "Dogs need food and water to survive" is a fact. It can be proven to be true.

"Dogs are the best pets" is an opinion. It's what someone may think, but it can't be proven.

ELA.K.R.3 Reading Across Genres***Interpreting Figurative Language***

ELA.K.R.3.1: Identify and explain descriptive words in text(s).

Benchmark Clarifications:

Clarification 1: Students will explain examples of descriptive words in text and how they add meaning.

Clarification 2: Students will be introduced to the academic vocabulary word “adjective.” However, students are not expected to use the word independently. Discussion should focus on how the descriptive words add meaning to the text.

Paraphrasing and Summarizing

ELA.K.R.3.2: Retell a text orally to enhance comprehension:

- a. Use main character(s), setting, and important events for a story.
- b. Use topic and details for an informational text.

Benchmark Clarifications:

Clarification 1: Most grade-level texts are appropriate for this benchmark.

Comparative Reading

ELA.K.R.3.3: Compare and contrast characters’ experiences in stories.

Benchmark Clarifications:

Clarification 1: Students will orally compare and contrast the experiences that characters have had, comparing them to those experienced by other characters, in the same story or a different story. Those experiences can be expressed as events, feelings, or behaviors.

Communication**ELA.K.C.1 Communicating Through Writing*****Handwriting***

ELA.K.C.1.1: Print many upper- and lowercase letters.

Benchmark Clarifications:

Clarification 1: Students should attend to spacing between letters.

Clarification 2: Of the many letters students need to be able to print, all vowels must be included. For example, a student who can print 22 letters, both upper- and lowercase, but not “a” or “A” has not mastered the benchmark.

Narrative Writing

ELA.K.C.1.2: Using a combination of drawing, dictating, and/or writing, create narratives with the events in chronological order.

Benchmark Clarifications:

Clarification 1: The product can be written, drawn, dictated, or a combination of all.

Clarification 2: See [Writing Types](#).

Argumentative Writing

ELA.K.C.1.3: Using a combination of drawing, dictating, and/or writing, express opinions about a topic or text with at least one supporting reason.

Benchmark Clarifications:

Clarification 1: The product can be written, oral, drawn, dictated, or a combination of all.

Clarification 2: See [Writing Types](#).

Expository Writing

ELA.K.C.1.4: Using a combination of drawing, dictating, and/or writing, provide factual information about a topic.

Benchmark Clarifications:

Clarification 1: The product can be written, drawn, dictated, or a combination of all.

Clarification 2: Some opinion can be added to the information, but it should mostly be factual. It is important that students understand the difference between writing to explain and writing to express an opinion.

Clarification 3: See [Writing Types](#).

Improving Writing

ELA.K.C.1.5: With guidance and support from adults, improve drawing and writing, as needed, by planning, revising, and editing.

Benchmark Clarifications:

Clarification 1: “As needed” refers to the fact that sometimes instruction will focus on a specific skill or part of the process. For example, a lesson may focus on planning. In those instances, only the planning step would be focused on. By the end of the year, students should have ample opportunities to engage in planning, revising, and editing.

■ ELA.K.C.2 Communicating Orally

Oral Presentation

ELA.K.C.2.1: Present information orally using complete sentences.

Benchmark Clarifications:

Clarification 1: For further guidance, see the [Elementary Oral Communication Rubric](#).

ELA.K.C.3 Following Conventions

Conventions

ELA.K.C.3.1: Follow the rules of standard English grammar, punctuation, capitalization, and spelling appropriate to grade level.

Benchmark Clarifications:

Clarification 1: Skills to be mastered at this grade level are as follows:

- Begin each sentence with a capital letter and use ending punctuation.
- Capitalize the days of the week, the months of the year, and the pronoun I.
- Form regular plural nouns orally by adding /s/ or /es/.
- Use interrogatives to ask questions.

Skills to be implemented but not yet mastered are as follows:

- Capitalize proper nouns.
- Form and use simple verb tenses for regular verbs by adding the affix -ed.
- Form and use complete simple sentences.
- Use possessives.
- Use subject-verb agreement in simple sentences.

Clarification 2: See [Convention Progression by Grade Level](#) for more information.

ELA.K.C.4 Researching

Researching and Using Information

ELA.K.C.4.1: Recall information to answer a question about a single topic.

ELA.K.C.5 Creating and Collaborating

Multimedia

ELA.K.C.5.1: Use a multimedia element to enhance oral or written tasks.

Benchmark Clarifications:

Clarification 1: Multimedia elements may include, but are not limited to, a drawing, picture, artifact, and audio or digital representation. At this grade level, the element should relate to the task, but that relationship may be tangential. It does not require, but can include, the use of computers.

Vocabulary

■ ELA.K.V.1 Finding Meaning

Academic Vocabulary

ELA.K.V.1.1: Use grade-level academic vocabulary appropriately in speaking and writing.

Benchmark Clarifications:

Clarification 1: Grade-level academic vocabulary consists of words that are likely to appear across subject areas for the current grade level and beyond, are vital to comprehension, critical for academic discussions and writing, and usually require explicit instruction.

Morphology

ELA.K.V.1.2: Ask and answer questions about unfamiliar words in grade-level content.

Context and Connotation

ELA.K.V.1.3: Identify and sort common words into basic categories, relating vocabulary to background knowledge.

Benchmark Clarifications:

Clarification 1: Instruction for this benchmark should include text read-alouds and think-alouds aimed at building and activating background knowledge. Review of words learned in this way is critical to building background knowledge and related vocabulary. Texts read aloud can be two grade levels higher than student reading level.

Clarification 2: See [Context Clues](#) and [Word Relationships](#).

1st Grade

“I have a passion for teaching kids to become readers, to become comfortable with a book, not daunted. Books shouldn’t be daunting, they should be funny, exciting and wonderful; and learning to be a reader gives a terrific advantage.” – Roald Dahl

Students will continue to receive instruction in recognizing grapheme-phoneme correspondences, and they will begin decoding and encoding longer words. There is a greater focus on finding meaning in text. Students are able to identify which details are more important, a beginning step in identifying relevancy. They are also including a sense of closure in their writing.

Foundational Skills

ELA.1.F.1 Learning and Applying Foundational Reading Skills

Print Concepts

ELA.1.F.1.1: Locate the title, table of contents, names of author(s) and illustrator(s), and glossary of books.

Phonological Awareness

ELA.1.F.1.2: Demonstrate phonological awareness.

- Segment spoken words into initial, medial, and final phonemes, including words with digraphs, blends, and trigraphs.
- Orally blend initial, medial, and final phonemes together to produce a single-syllable word that includes digraphs, blends, or trigraphs.
- Blend single-syllable spoken words with at least five phonemes.
- Segment single-syllable spoken words with at least five phonemes.
- Segment and blend phonemes in multi-syllable spoken words.

Benchmark Clarifications:

Clarification 1: Phonological awareness only refers to what can be done orally at both the sound and syllabic level. This includes isolating sounds, blending sounds, and orally segmenting words based on syllables. It does not involve print or letter knowledge.

Phonics and Word Analysis

ELA.1.F.1.3: Use knowledge of grade-appropriate phonics and word-analysis skills to decode words accurately.

- Decode words using knowledge of spelling-sound correspondences for common consonant digraphs, trigraphs, and blends.
- Decode simple words with r-controlled vowels.
- Decode and encode regularly spelled one-syllable words.
- Decode words with inflectional endings.
- Decode two-syllable words with regular patterns by breaking the words into syllables.
- Decode words that use final –e and vowel teams to make long-vowel sounds.

Benchmark Clarifications:

Clarification 1: Phonics refers to the relationship between graphemes (letters or letter combinations) and phonemes (speech sounds).

Clarification 2: Students will decode decodable high frequency words appropriate to the grade level. See 1.F.1.4 and [Dolch](#) and [Fry](#) word lists. Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Fluency

ELA.1.F.1.4: Read grade-level texts with accuracy, automaticity, and appropriate prosody or expression.

- a. Recognize and read with automaticity the grade-level sight words.

Benchmark Clarifications:

Clarification 1: See [Dolch](#) and [Fry](#) word lists.

Clarification 2: Many of the high frequency words at this grade level are either irregularly spelled and therefore not decodable or are temporarily irregular, meaning that students have not yet learned the phonics rule that would enable them to decode the word. Those words that are decodable should be introduced to students using appropriate phonics rules. See 1.F.1.3. Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Clarification 3: See [Fluency Norms](#) for grade-level norms. Norms are expressed as words correct per minute (WCPM), a measure that combines accuracy with speed.

Clarification 4: “Appropriate prosody” refers to pausing patterns during oral reading that reflect the punctuation and meaning of a text. See [Sample Oral Reading Fluency Rubrics](#) for prosody.

Clarification 5: Grade-level texts, for the purposes of fluency, are those [within the grade band on quantitative text complexity measures](#) and appropriate in content and qualitative measures.

Reading

Literary Elements

ELA.1.R.1.1: Identify and describe the main story elements in a story.

Benchmark Clarifications:

Clarification 1: Main story elements for the purpose of this benchmark are the setting, characters, and sequence of events of a story.

Clarification 2: In describing the characters, students can describe appearance, actions, feelings, and thoughts of the characters. Students will explain what in the text their description is based on.

Clarification 3: For setting, students will discuss where the events of the story are happening. The time element of setting should only be addressed in texts where it is explicitly indicated.

Theme

ELA.1.R.1.2: Identify and explain the moral of a story.

Benchmark Clarifications:

Clarification 1: This benchmark introduces the moral of a story as a precursor to theme in 2nd grade. A moral is the lesson of a story. During instruction, let students know that not all stories have a lesson by referring to stories read that did not have a moral or a lesson.

Perspective and Point of View

ELA.1.R.1.3: Explain who is telling the story using context clues.

Benchmark Clarifications:

Clarification 1: Students will use the term narrator to refer to the speaker telling the story. Students will determine if the narrator is a character in the story or a speaker outside of the story. Students will give reasons why they know who is speaking.

Poetry

ELA.1.R.1.4: Identify stanzas and line breaks in poems.

Benchmark Clarifications:

Clarification 1: This benchmark can be paired with R.1.1, R.1.2, R.1.3, and R.3.2 for instruction with story poems.

■ ELA.1.R.2 Reading Informational Text

Structure

Purpose and Perspective

ELA.1.R.2.3: Explain similarities and differences between information provided in visuals and words in an informational text.

Benchmark Clarifications:

Clarification 1: When explaining similarities and differences, students will also explain how the visuals and words help the reader make sense of the topic.

Clarification 2: During instruction, give students opportunities to see visual representations of similarities and differences using tools such as Venn diagrams or T-charts.

Argument

ELA.1.R.2.4: Identify an author's opinion(s) about the topic.

Paraphrasing and Summarizing

ELA.1.R.3.2: Retell a text in oral or written form to enhance comprehension.

- a. Use main story elements at the beginning, middle, and end for a literary text.
- b. Use topic and important details for an informational text.

Benchmark Clarifications:

Clarification 1: Most grade-level texts are appropriate for this benchmark.

Comparative Reading

ELA.1.R.3.3: Compare and contrast two texts on the same topic.

Benchmark Clarifications:

Clarification 1: Students are being asked to compare and contrast. During instruction, give students opportunities to see visual representations of similarities and differences using tools such as Venn diagrams or T-charts.

2nd Grade

“To learn to read is to light a fire; every syllable that is spelled out is a spark.” – Victor Hugo

Students should have mastered print concepts and phonological awareness. The foundational skills emphasized at this grade level are phonics and fluency. The concept of theme is introduced in 2nd grade, building on the finding of a moral from 1st grade. Author’s purpose is introduced for informational text. Students are now printing legibly and writing narratives that include transitional words.

Foundational Skills

ELA.2.F.1 Applying Foundational Reading Skills

Phonics and Word Analysis

ELA.2.F.1.3: Use knowledge of grade-appropriate phonics and word-analysis skills to decode words.

- Decode words with variable vowel teams (e.g., oo, ea, ou) and vowel diphthongs (e.g., oi, oy, ow).
- Decode regularly spelled two-syllable words with long and short vowels.
- Decode words with open (e.g., hi, baby, moment) and closed (e.g., bag, sunshine, chop) syllables and consonant -le (e.g., purple, circle, stumble).
- Decode words with common prefixes and suffixes.
- Decode words with silent letter combinations (e.g., knight, comb, island, ghost).

Benchmark Clarifications:

Clarification 1: Phonics refers to the relationship between graphemes (letters or letter combinations) and phonemes (speech sounds).

Clarification 2: Students will decode decodable high frequency words appropriate to the grade level. See 2.F.1.4 and [Dolch](#) and [Fry](#) word lists. Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Fluency

ELA.2.F.1.4: Read grade-level texts with accuracy, automaticity, and appropriate prosody or expression.

Benchmark Clarifications:

Clarification 1: See [Dolch](#) and [Fry](#) word lists.

Clarification 2: Many of the high frequency words at this grade level are either irregularly spelled and therefore not decodable or are temporarily irregular, meaning that students have not yet learned the phonics rule that would enable them to decode the word. Those words that are decodable should be introduced to students using appropriate phonics rules. See 2.F.1.3. Students will read grade-level appropriate high frequency words, decodable or not, with automaticity.

Clarification 3: See [Fluency Norms](#) for grade-level norms. Norms are expressed as words correct per minute (WCPM), a measure that combines accuracy with rate.

Clarification 4: Appropriate prosody refers to pausing patterns during oral reading that reflect the punctuation and meaning of a text. See [Sample Oral Reading Fluency Rubrics](#) for prosody.

Clarification 5: Grade-level texts, for the purposes of fluency, are those [within the grade band on quantitative text complexity measures](#) and appropriate in content and qualitative measures.

Reading

ELA.2.R.1 Reading Prose and Poetry

Literary Elements

ELA.2.R.1.1: Identify plot structure and describe main story elements in a literary text.

Benchmark Clarifications:

Clarification 1: Main story elements for the purpose of this benchmark are the setting, characters, and sequence of events of a story.

Clarification 2: For setting, students will describe where and when the events of the story are happening. The time element of setting will be addressed even when not explicitly indicated in the text.

Clarification 3: For character, students will describe characters' traits, feelings, and behaviors.

Theme

ELA.2.R.1.2: Identify and explain a theme of a literary text.

Perspective and Point of View

ELA.2.R.1.3: Identify different characters' perspectives in a literary text.

Benchmark Clarifications:

Clarification 1: The term perspective means "a particular attitude toward or way of regarding something." The term point of view is used when referring to the person of the narrator. This is to prevent confusion and conflation.

Poetry

ELA.2.R.1.4: Identify rhyme schemes in poems.

Benchmark Clarifications:

Clarification 1: Students will mark rhyme scheme and recognize rhyme scheme notation. Rhyme scheme notation uses capital letters, starting with A to mark the end of each line, repeating the letter for each line in the poem that rhymes with that line and progressing through the alphabet for each new end rhyme. Lines designated with the same letter all rhyme with each other.

Examples:

I never saw a Purple Cow,	A	Little Miss Muffet	A
I never hope to see one;	B	Sat on a tuffet,	A
But I can tell you, anyhow,	A	Eating her curds and whey;	B
I'd rather see than be one!	B	Along came a spider	C
– Gelett Burgess		Who sat down beside her	C
		And frightened Miss Muffet away.	B
		– Traditional Nursery Rhyme

3rd Grade

“Reading is a basic tool in the living of a good life.” – Mortimer J. Adler

In 3rd grade, foundational reading skills are still a focus. Reading comprehension becomes a primary focus at this grade level. Students are learning how all of the elements of a text work together to create meaning and how that meaning develops in the text. Students are beginning to write in cursive and experiment with dialogue in their narrative writing. Students are doing their own research, either independently or with teacher-provided materials.

Foundational Skills

ELA.3.F.1 Learning and Applying Foundational Reading Skills

Phonics and Word Analysis

ELA.3.F.1.3: Use knowledge of grade-level phonics and word-analysis skills to decode words.

- Decode words with common Greek and Latin roots and affixes. (See 3.V.1.2)
- Decode words with common derivational suffixes and describe how they turn words into different parts of speech. (e.g., -ful, -less, -est).
- Decode multisyllabic words.

Benchmark Clarifications:

Clarification 1: See [Common Greek and Latin Roots 3-5](#) and [Affixes](#).

4th Grade

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.” – Dr. Seuss

In 4th grade, reading comprehension is still a primary focus. An important distinction between narrator point of view and character perspective is addressed. Writing instruction increases and logical reasons, sequencing, and organization are emphasized. Students study plot and the ways in which it is impacted by other story elements. This is also the first time students are working with implied themes. Problem and solution and description are added as text structures for informational text. Students are also determining which sources in their research are valid.

Foundational Skills

ELA.4.F.1 Learning and Applying Foundational Reading Skills

Phonics and Word Analysis

ELA.4.F.1.3: Use knowledge of grade-level phonics and word-analysis skills to decode words.

- a. Apply knowledge of all letter-sound correspondences, syllabication patterns, and morphology to read and write unfamiliar single-syllable and multisyllabic words in and out of context.

Benchmark Clarifications:

Clarification 1: At this level of reading, a student who is decoding at the phoneme level (i.e., “e-n-t-e-r-tai-n”) may decode a given text, but will struggle with fluency and comprehension. As such, phonics instruction should move toward decoding at the syllabication and morpheme level. For example, when a 4th grader encounters the word “entertain” in text, we want him or her to segment by syllable (i.e., “en-ter-tain”) or by morphological structure (i.e., “enter-tain”).

Fluency

ELA.4.F.1.4: Read grade-level texts with accuracy, automaticity, and appropriate prosody or expression.

Benchmark Clarifications:

Clarification 1: See [Fluency Norms](#) for grade-level norms. Norms are expressed as words correct per minute (WCPM), a measure that combines accuracy with rate.

Clarification 2: Appropriate prosody refers to pausing patterns during oral reading that reflect the punctuation and meaning of a text. See [Sample Oral Reading Fluency Rubrics](#) for prosody.

Clarification 3: Grade-level texts, for the purposes of fluency, are those [within the grade band on quantitative text complexity measures](#) and appropriate in content and qualitative measures.

Reading

Theme

ELA.4.R.1.2: Explain a stated or implied theme and how it develops, using details, in a literary text.

Benchmark Clarifications:

Clarification 1: An explanation of how the theme develops should include how characters respond to situations and how the speaker reflects upon a topic in a literary text.

Perspective and Point of View

ELA.4.R.1.3: Identify the narrator's point of view and explain the difference between a narrator's point of view and character perspective in a literary text.

Benchmark Clarifications:

Clarification 1: The term perspective means "a particular attitude toward or way of regarding something." The term point of view is used when referring to the person of the narrator. This is to prevent confusion and conflation.

Poetry

ELA.4.R.1.4: Explain how rhyme and structure create meaning in a poem.

Purpose and Perspective

ELA.4.R.2.3: Explain an author's perspective toward a topic in an informational text.

Benchmark Clarifications:

Clarification 1: The term perspective means "a particular attitude toward or way of regarding something."

Argument

ELA.4.R.3 Reading Across Genres***Interpreting Figurative Language***

ELA.4.R.3.1: Explain how figurative language contributes to meaning in text(s).

Benchmark Clarifications:

Clarification 1: Figurative language for the purposes of this benchmark refers to metaphor, simile, alliteration, personification, hyperbole, and idiom. Other examples can be used in instruction.

Clarification 2: See [Elementary Figurative Language](#).

■ ELA.4.C.2 Communicating Orally

Oral Presentation

ELA.4.C.2.1: Present information orally, in a logical sequence, using nonverbal cues, appropriate volume, and clear pronunciation.

Benchmark Clarifications:

Clarification 1: Nonverbal cues appropriate to this grade level are posture, tone, expressive delivery, focus on the audience, and facial expression. Clear pronunciation should be interpreted to mean an understanding and application of phonics rules and sight words as well as care taken in delivery. A student's speech impediment should not be considered as impeding clear pronunciation.

Clarification 2: For further guidance, see the [Elementary Oral Communication Rubric](#).

Researching and Using Information

ELA.4.C.4.1: Conduct research to answer a question, organizing information about the topic and using multiple valid sources.

Benchmark Clarifications:

Clarification 1: While the benchmark does require that students consult multiple sources, there is no requirement that they use every source they consult. Part of the skill in researching is discernment—being able to tell which information is relevant and which sources are trustworthy enough to include.

■ ELA.4.C.5 Creating and Collaborating

Multimedia

ELA.4.C.5.1: Arrange multimedia elements to create emphasis in oral or written tasks.

Benchmark Clarifications:

Clarification 1: Multimedia elements may include, but are not limited to, drawings, pictures, artifacts, and audio or digital representation. At this grade level, students are using more than one element. The elements may be of the same type (for example, two pictures or a picture and an audio recording). The elements should relate directly to the task and emphasize a point made within the task, perhaps by showing examples or data to emphasize a point. The elements should be smoothly integrated.

5th Grade

“There is more treasure in books than in all the pirate’s loot on Treasure Island.” – Walt Disney

Reading comprehension is still a focus, but analysis comes to the fore. In literary texts, students analyze how story elements contribute to the plot; in informational texts, they analyze the author’s purpose. Writing is a focus as well. Students are working to master the skills they have already learned. They are improving their organization, varying their transitions, and using elaboration effectively.

Foundational Skills

ELA.5.F.1 Learning and Applying Foundational Reading Skills

Phonics and Word Analysis

ELA.5.F.1.3: Use knowledge of grade-appropriate phonics and word-analysis skills to decode words.

- a. Apply knowledge of all letter-sound correspondences, syllabication patterns, and morphology to read and write unfamiliar single-syllable and multisyllabic words in and out of context.
-

Fluency

ELA.5.F.1.4: Read grade-level texts with accuracy, automaticity, and appropriate prosody or expression.

Benchmark Clarifications:

Clarification 1: See [Fluency Norms](#) for grade-level norms. Norms are expressed as words correct per minute (WCPM), a measure that combines accuracy with rate.

Clarification 2: Appropriate prosody refers to pausing patterns during oral reading that reflect the punctuation and meaning of a text. See [Sample Oral Reading Fluency Rubrics](#) for prosody.

Clarification 3: Grade-level texts, for the purposes of fluency, are those [within the grade band on quantitative text complexity measures](#) and appropriate in content and qualitative measures.

Reading

ELA.5.R.1 Reading Prose and Poetry

Literary Elements

Benchmark Clarifications:

Clarification 1: The term perspective means “a particular attitude toward or way of regarding something.”

Poetry

ELA.5.R.1.4: Explain how figurative language and other poetic elements work together in a poem.

Benchmark Clarifications:

Clarification 1: Figurative language for the purposes of this benchmark refers to metaphor, simile, alliteration, personification, hyperbole, imagery, and idiom. Other examples can be used in instruction.

Clarification 2: Poetic elements to be used for the purposes of this benchmark are form, rhyme, meter, line breaks, and imagery.

ELA.5.R.2 Reading Informational Text*Structure*

ELA.5.R.2.1: Explain how text structures and/or features contribute to the overall meaning of texts.

Benchmark Clarifications:

Clarification 1: For more information, see [Text Structures](#) and [Text Features](#).

Central Idea

ELA.5.R.2.2: Explain how relevant details support the central idea(s), implied or explicit.

Purpose and Perspective

ELA.5.R.2.3: Analyze an author's purpose and/or perspective in an informational text.

Benchmark Clarifications:

Clarification 1: The term perspective means “a particular attitude toward or way of regarding something.”

Argument

ELA.5.R.2.4: Track the development of an argument, identifying the specific claim(s), evidence, and reasoning.

Benchmark Clarifications:

Clarification 1: A claim is a statement that asserts something is true. A claim can either be fact or opinion. Claims can be used alone or with other claims to form a larger argument.

ELA.5.R.3 Reading Across Genres*Interpreting Figurative Language*

ELA.5.R.3.1: Analyze how figurative language contributes to meaning in text(s).

Paraphrasing and Summarizing

ELA.5.R.3.2: Summarize a text to enhance comprehension.

- a. Include plot and theme for a literary text.
- b. Include the central idea and relevant details for an informational text.

Benchmark Clarifications:

Clarification 1: Most grade-level texts are appropriate for this benchmark.

Comparative Reading

ELA.5.R.3.3: Compare and contrast primary and secondary sources related to the same topic.

Communication

ELA.5.C.1 Communicating Through Writing

Handwriting

ELA.5.C.1.1: Demonstrate fluent and legible cursive writing skills.

Benchmark Clarifications:

Clarification 1: Students will use cursive writing to produce legible works within the same timeframe as they would use for writing in print.

Narrative Writing

ELA.5.C.1.2: Write personal or fictional narratives using a logical sequence of events and demonstrating an effective use of techniques such as dialogue, description, and transitional words and phrases.

Benchmark Clarifications:

Clarification 1: See [Writing Types](#).

ELA.5.C.2 Communicating Orally

Oral Presentation

ELA.5.C.2.1: Present information orally, in a logical sequence, using nonverbal cues, appropriate volume, clear pronunciation, and appropriate pacing.

Benchmark Clarifications:

Clarification 1: Nonverbal cues appropriate to this grade level are posture, tone, expressive delivery, focus on the audience, and facial expression. Clear pronunciation should be interpreted to mean an understanding and application of phonics rules and sight words as well as care taken in delivery. A student's speech impediment should not be considered as impeding clear pronunciation. This is the initial grade level that introduces appropriate pacing. Appropriate pacing is adhering to the pauses dictated by punctuation and speaking at a rate that best facilitates comprehension by the audience. Too fast a pace will lose listeners and too slow can become monotonous. This element will also help students address the nervousness that may make them speak too fast during presentations.

Clarification 2: For further guidance, see the [Elementary Oral Communication Rubric](#).

- Use appositives, main clauses, and subordinate clauses.
- Recognize and correct inappropriate shifts in tense and number.
- Use conjunctions correctly to join words and phrases in a sentence.

Skills to be implemented but not yet mastered are as follows:

At this grade level, students are using more than one element. The elements may be of the same type (for example, two pictures or a picture and an audio recording). The elements should relate directly to the task and emphasize or clarify a point made within the task, perhaps by showing examples to clarify a claim or data to emphasize a point. The elements should be smoothly integrated.

6th-8th Grade

“Ah, how good it is to be among people who are reading.” – Rainer Maria Rilke

In grades 6-8, analysis and writing are the primary foci. Rhetoric is introduced in 6th grade. In this grade band, students go from explaining theme to analyzing it. Students progress from examining character perspective to working with complex narrator types. Students are also being introduced to literature from historic time periods. This framework should help students in building a body of knowledge useful in being able to interpret multiple layers of meaning. In middle school, those periods are as follows:

- Colonial and Early National Period (1600–1830) *American Literature*
- Romantic Period (1790–1870)
- Realism and Naturalism Period (1870–1930)
- Modernist Period (1910–1945)
- Contemporary Period (1945–present)

6th Grade Reading

ELA.6.R.1 Reading Prose and Poetry

Literary Elements

ELA.6.R.1.1: Analyze how the interaction between characters contributes to the development of a plot in a literary text.

Theme

ELA.6.R.1.2: Analyze the development of stated or implied theme(s) throughout a literary text.

Benchmark Clarifications:

Clarification 1: For the purposes of this benchmark, theme is not a one- or two-word topic, but a complete thought that communicates the author's message. See Theme in Glossary.

Clarification 2: Students should be introduced to the concept of universal themes, although mastery isn't expected until 9th grade. A universal theme is an idea that applies to anyone, anywhere, regardless of cultural differences. Examples include, but are not limited to, an individual's or a community's confrontation with nature; an individual's struggle toward understanding, awareness, and/or spiritual enlightenment; the tension between the ideal and the real; the conflict between human beings and advancements in technology/science; the impact of the past on the present; the inevitability of fate; the struggle for equality; and the loss of innocence.

Perspective and Point of View

ELA.6.R.1.3: Explain the influence of multiple narrators and/or shifts in point of view in a literary text.

Benchmark Clarifications:

Clarification 1: When referring to the person of the narrator, the term point of view is used. Students focused on perspective in 5th grade, so they should differentiate between point of view and perspective when working on this benchmark.

Poetry

ELA.6.R.1.4: Describe the impact of various poetic forms on meaning and style.

Benchmark Clarifications:

Clarification 1: Poetic forms used for this benchmark are sonnet and villanelle.

■ ELA.6.R.2 Reading Informational Text

Structure

ELA.6.R.2.1: Explain how individual text sections and/or features convey meaning in texts.

Central Idea

ELA.6.R.2.2: Analyze the central idea(s), implied or explicit, and its development throughout a text.

Benchmark Clarifications:

Clarification 1: Various types of support could include an author's use of facts, definitions, concrete details, and/or quotations to develop the central idea(s) in a text.

Purpose and Perspective

ELA.6.R.2.3: Analyze authors' purpose(s) in multiple accounts of the same event or topic.

Argument

ELA.6.R.2.4: Track the development of an argument, identifying the types of reasoning used.

Benchmark Clarifications:

Clarification 1: For more information on types of reasoning, see [Types of Logical Reasoning](#).

Clarification 2: Instruction in types of reasoning will include an introduction to fallacies in reasoning. Fallacies that are related to content, informal fallacies, will be the focus. See [Fallacies in Reasoning \(Informal\)](#).

■ ELA.6.R.3 Reading Across Genres

Interpreting Figurative Language

ELA.6.R.3.1: Explain how figurative language contributes to tone and meaning in text(s).

Benchmark Clarifications:

Clarification 1: Figurative language use that students will analyze are metaphor, simile, alliteration, onomatopoeia, personification, hyperbole, and idiom. Other examples can be used in instruction.

Clarification 2: See [Secondary Figurative Language](#).

Paraphrasing and Summarizing

Benchmark Clarifications:

Clarification 1: Most grade-level texts are appropriate for this benchmark.

Comparative Reading

ELA.6.R.3.3: Compare and contrast how authors from different time periods address the same or related topics.

Benchmark Clarifications:

Clarification 1: Texts for this benchmark should be selected from the following literary periods:

- Colonial and Early National Period (1600–1830) *American Literature*
- Romantic Period (1790–1870)
- Realism and Naturalism Period (1870–1930)
- Modernist Period (1910–1945)
- Contemporary Period (1945–present)

Understanding Rhetoric

ELA.6.R.3.4: Identify rhetorical appeals in a text.

Benchmark Clarifications:

Clarification 1: Students will identify the appeals of logos, ethos, and pathos.

Clarification 2: See [Rhetorical Appeals](#).

Communication

ELA.6.C.1 Communicating Through Writing

Narrative Writing

ELA.6.C.1.2: Write personal or fictional narratives using narrative techniques, precise words and phrases, and figurative language.

Benchmark Clarifications:

Clarification 1: See [Writing Types](#) and [Narrative Techniques](#).

Clarification 2: Figurative language at this grade level should include any on which students have received instruction in this or previous grades. See [Figurative Language Standard](#).

Argumentative Writing

ELA.6.C.1.3: Write and support a claim using logical reasoning, relevant evidence from sources, elaboration, and a logical organizational structure with varied transitions.

Benchmark Clarifications:

Clarification 1: See [Writing Types](#) and [Elaborative Techniques](#).

Expository Writing

ELA.6.C.1.4: Write expository texts to explain and/or analyze information from multiple sources, using a logical organizational structure, relevant elaboration, and varied transitions.

Benchmark Clarifications:

Clarification 1: See [Writing Types](#) and [Elaborative Techniques](#).

Improving Writing

ELA.6.C.1.5: Improve writing by planning, revising, and editing, considering feedback from adults and peers.

■ ELA.6.C.2 Communicating Orally***Oral Presentation***

ELA.6.C.2.1: Present information orally, in a logical sequence, using nonverbal cues, appropriate volume, clear pronunciation, and appropriate pacing.

Benchmark Clarifications:

Clarification 1: Nonverbal cues appropriate to this grade level are posture, tone, expressive delivery, focus on the audience, and facial expression. Clear pronunciation should be interpreted to mean an understanding and application of phonics rules and sight words as well as care taken in delivery. A student's speech impediment should not be considered as impeding clear pronunciation. Appropriate pacing is adhering to the pauses dictated by punctuation and speaking at a rate that best facilitates comprehension by the audience. Too fast a pace will lose listeners and too slow can become monotonous. This element will also help students address the nervousness that may make them speak too fast during presentations.

Clarification 2: For further guidance, see the [Secondary Oral Communication Rubric](#).

■ ELA.6.C.3 Following Conventions***Conventions***

ELA.6.C.3.1: Follow the rules of standard English grammar, punctuation, capitalization, and spelling appropriate to grade level.

Benchmark Clarifications:

Clarification 1: Skills to be mastered at this grade level are as follows:

- Use verbals including gerunds, infinitives, and participial phrases.
- Use comparative and superlative forms of adjectives.
- Use pronouns correctly with regard to case, number, and person, correcting for vague pronoun reference.

Skills to be implemented but not yet mastered are as follows:

- Appropriately use colons.
- Appropriately use dangling modifiers.
- Appropriately use ellipses.
- Appropriately use hyphens.
- Vary sentence structure.

Clarification 2: See [Convention Progression by Grade Level](#) for more information.

■ ELA.6.C.4 Researching***Researching and Using Information***

ELA.6.C.4.1: Conduct research to answer a question, drawing on multiple reliable and valid sources and refocusing the inquiry when appropriate.

Benchmark Clarifications:

Clarification 1: While the benchmark does require that students consult multiple sources, there is no requirement that they use every source they consult. Part of the skill in researching is discernment—being able to tell which information is relevant and which sources are trustworthy enough to include.

■ ELA.6.C.5 Creating and Collaborating

Multimedia

ELA.6.C.5.1: Integrate diverse digital media to enhance audience engagement in oral or written tasks.

Benchmark Clarifications:

Clarification 1: Multimedia elements may include, but are not limited to, drawings, pictures, artifacts, and audio or digital representation. At this grade level, students are using more than one element. The elements may be of the same type (for example, two pictures or a picture and an audio recording). The elements should relate directly to the task and complement the information being shared, meaning that the multimedia elements should add information to the presentation, not restate or reinforce it. The elements should be smoothly integrated into the presentation.

Technology in Communication

ELA.6.C.5.2: Use digital tools to produce writing.

Vocabulary

■ ELA.6.V.1 Finding Meaning

Academic Vocabulary

ELA.6.V.1.1: Integrate academic vocabulary appropriate to grade level in speaking and writing.

Benchmark Clarifications:

Clarification 1: To integrate vocabulary, students will apply the vocabulary they have learned to authentic speaking and writing tasks independently. This use should be intentional, beyond responding to a prompt to use a word in a sentence.

Clarification 2: Academic vocabulary appropriate to grade level refers to words that are likely to appear across subject areas for the current grade level and beyond, vital to comprehension, critical for academic discussions and writing, and usually require explicit instruction.

Morphology

Benchmark Clarifications:

Clarification 1: Review of words learned in this way is critical to building background knowledge and related vocabulary.

Clarification 2: See [Context Clues](#) and [Word Relationships](#).

Clarification 3: See 6.R.3.1 and [Secondary Figurative Language](#).

7th Grade Reading

ELA.7.R.1 Reading Prose and Poetry

Literary Elements

ELA.7.R.1.1: Analyze the impact of setting on character development and plot in a literary text.

Theme

ELA.7.R.1.2: Compare two or more themes and their development throughout a literary text.

Benchmark Clarifications:

Clarification 1: For the purposes of this benchmark, theme is not a one- or two-word topic, but a complete thought that communicates the author's message.

Clarification 2: Students should continue to work with the concept of universal themes, although mastery isn't expected until 9th grade. A universal theme is an idea that applies to anyone, anywhere, regardless of cultural differences. Examples include, but are not limited to, an individual's or a community's confrontation with nature; an individual's struggle toward understanding, awareness, and/or spiritual enlightenment; the tension between the ideal and the real; the conflict between human beings and advancements in technology/science; the impact of the past on the present; the inevitability of fate; the struggle for equality; and the loss of innocence.

Perspective and Point of View

ELA.7.R.1.3: Explain the influence of narrator(s), including unreliable narrator(s), and/or shifts in point of view in a literary text.

Benchmark Clarifications:

Clarification 1: An unreliable narrator is one who lacks credibility. Because all information is being conveyed through this untrustworthy source, readers have to use inferencing to establish what is likely to be true. Narrators can be unreliable for many reasons including purposeful dishonesty, a lack of information or background knowledge about what that information means, mental illness, or self-deception.

Clarification 2: "Shifts in point of view" refers to a change in the narrator's point of view done for effect. Changes can be in degree and/or person: for example, a shift from third-person limited to third-person omniscient or from first-person limited to third-person limited.

Poetry

ELA.7.R.1.4: Analyze the impact of various poetic forms on meaning and style.

Benchmark Clarifications:

Clarification 1: Poetic forms used for this benchmark are sonnet and villanelle.

Clarification 2: Instruction in this benchmark should focus on how the structure of each poetic form affects its meaning.

ELA.7.R.2 Reading Informational Text

Structure

ELA.7.R.2.1: Explain how individual text sections and/or features convey a purpose in texts.

Central Idea

ELA.7.R.2.2: Compare two or more central ideas and their development throughout a text.

Purpose and Perspective

ELA.7.R.2.3: Explain how an author establishes and achieves purpose(s) through diction and syntax.

Benchmark Clarifications:

Clarification 1: This benchmark focuses on the way in which diction (the author's word choice) and syntax (the way in which an author arranges those words) work together to achieve a purpose.

Argument

ELA.7.R.2.4: Track the development of an argument, analyzing the types of reasoning used and their effectiveness.

Benchmark Clarifications:

Clarification 1: For more information on types of reasoning, see [Types of Logical Reasoning](#).

Clarification 2: Instruction in types of reasoning will include fallacies in reasoning. Fallacies that are related to content, informal fallacies, will be the focus. See [Fallacies in Reasoning \(Informal\)](#).

■ ELA.7.R.3 Reading Across Genres

Interpreting Figurative Language

ELA.7.R.3.1: Analyze how figurative language contributes to tone and meaning and explain examples of allusions in text(s).

Benchmark Clarifications:

Clarification 1: Figurative language use that students will analyze are metaphor, simile, alliteration, onomatopoeia, personification, hyperbole, allusion, and idiom. Other examples can be used in instruction.

Clarification 2: See [Secondary Figurative Language](#).

Clarification 2: See [Secondary Figurative Language](#).

Argumentative Writing

ELA.7.C.1.3: Write and support a claim using logical reasoning, relevant evidence from sources, elaboration, a logical organizational structure with varied transitions, and acknowledging at least one counterclaim.

Benchmark Clarifications:

ELA.7.C.4 Researching

Researching and Using Information

ELA.7.C.4.1: Conduct research to answer a question, drawing on multiple reliable and valid sources and generating additional questions for further research.

Benchmark Clarifications:

Clarification 1: There is no requirement that students research the additional questions generated.

Clarification 2: While the benchmark does require that students consult multiple sources, there is no requirement that they use every source they consult. Part of the skill in researching is discernment—being able to tell which information is relevant and which sources are trustworthy enough to include.

ELA.7.C.5 Creating and Collaborating

Multimedia

ELA.7.C.5.1: Integrate diverse digital media to build cohesion in oral or written tasks.

8th Grade Reading

ELA.8.R.1 Reading Prose and Poetry

Literary Elements

ELA.8.R.1.1: Analyze the interaction between character development, setting, and plot in a literary text.

Theme

ELA.8.R.1.2: Analyze two or more themes and their development throughout a literary text.

Benchmark Clarifications:

9th-12th Grade

“If we encounter a man of rare intellect, we should ask him what books he reads.” – Ralph Waldo Emerson

In grades 9-12, students are moving beyond analysis and evaluating writing, looking at particular techniques an author uses to add levels of meaning. Students continue to be introduced to literature from historic time periods. This framework will help students in building a body of knowledge useful in being able to interpret multiple layers of meaning. In high school, those periods begin with the Classical Period and continue to the present:

- Classical Period (1200 BCE–455 CE)
- Medieval Period (455 CE–1485 CE)
- Renaissance Period (1300–1600)
- Restoration and 18th Century (1660–1790) *British Literature*
- Colonial and Early National Period (1600–1830) *American Literature*
- Romantic Period (1790–1870)
- Realism and Naturalism Period (1870–1930)
- Modernist Period (1910–1945)
- Contemporary Period (1945–present)

9th Grade Reading

ELA.9.R.1 Reading Prose and Poetry

Literary Elements

ELA.9.R.1.1: Explain how key elements enhance or add layers of meaning and/or style in a literary text.

Benchmark Clarifications:

Clarification 1: Key elements of a literary text are setting, plot, characterization, conflict, point of view, theme, and tone.

Clarification 2: For layers of meaning, any methodology or model may be used as long as students understand that text may have multiple layers and that authors use techniques to achieve those layers. A very workable model for looking at layers of meaning is that of I.A. Richards:

Layer 1) the literal level, what the words actually mean

Layer 2) mood, those feelings that are evoked in the reader

Layer 3) tone, the author's attitude

Layer 4) author's purpose (interpretation of author's purpose as it is often inferred)

Clarification 3: Style is the way in which the writer uses techniques for effect. It is distinct from meaning, but can be used to make the author's message more effective. The components of style are diction, syntax, grammar, and use of figurative language. Style helps to create the author's voice.

Theme

ELA.9.R.1.2: Analyze universal themes and their development throughout a literary text.

Benchmark Clarifications:

Clarification 1: A universal theme is an idea that applies to anyone, anywhere, regardless of cultural differences. Examples include, but are not limited to, an individual's or a community's confrontation with nature; an individual's struggle toward understanding, awareness, and/or spiritual enlightenment; the tension between the ideal and the real; the conflict between human beings and advancements in technology/science; the impact of the past on the present; the inevitability of fate; the struggle for equality; and the loss of innocence.

10th Grade Reading

ELA.10.R.1 Reading Prose and Poetry

Literary Elements

ELA.10.R.1.1: Analyze how key elements enhance or add layers of meaning and/or style in a literary text.

Benchmark Clarifications:

Clarification 1: Key elements of a literary text are setting, plot, characterization, conflict, point of view, theme, and tone.

Clarification 2: For layers of meaning, any methodology or model may be used as long as students understand that text may have multiple layers and that authors use techniques to achieve those layers. A very workable model for looking at layers of meaning is that of I.A. Richards:

Layer 1) the literal level, what the words actually mean

Layer 2) mood, those feelings that are evoked in the reader

Layer 3) tone, the author's attitude

Layer 4) author's purpose (interpretation of author's purpose as it is often inferred)

Clarification 3: Style is the way in which the writer uses techniques for effect. It is distinct from meaning, but can be used to make the author's message more effective. The components of style are diction, syntax, grammar, and use of figurative language. Style helps to create the author's voice.

Vocabulary

ELA.11.V.1 Finding Meaning

Academic Vocabulary

ELA.11.V.1.1: Integrate academic vocabulary appropriate to grade level in speaking and writing.

Benchmark Clarifications:

Clarification 1: To integrate vocabulary, students will apply the vocabulary they have learned to authentic speaking and writing tasks independently. This use should be intentional, beyond responding to a prompt to use a word in a sentence.

Clarification 2: Academic vocabulary appropriate to grade level refers to words that are likely to appear across subject areas for the current grade level and beyond, vital to comprehension, critical for academic discussions and writing, and usually require explicit instruction.

Morphology

ELA.11.V.1.2: Apply knowledge of etymology and derivations to determine meanings of words and phrases in grade-level content.

Benchmark Clarifications:

Clarification 1: Etymology refers to the study of word origins and the ways that words have changed over time.

Context and Connotation

ELA.11.V.1.3: Apply knowledge of context clues, figurative language, word relationships, reference materials, and/or background knowledge to determine the connotative and denotative meaning of words and phrases, appropriate to grade level.

Benchmark Clarifications:

Clarification 1: Review of words learned in this way is critical to building background knowledge and related vocabulary.

Clarification 2: See [Context Clues](#) and [Word Relationships](#).

Clarification 3: See 11.R.3.1 and [Secondary Figurative Language](#).

12th Grade Reading

ELA.12.R.1 Reading Prose and Poetry

Literary Elements

ELA.12.R.1.1: Evaluate how key elements enhance or add layers of meaning and/or style in a literary text and explain the functional significance of those elements in interpreting the text.

Benchmark Clarifications:

Clarification 1: Key elements of a literary text are setting, plot, characterization, conflict, point of view, theme, and tone.

Clarification 2: For layers of meaning, any methodology or model may be used as long as students understand that text may have multiple layers and that authors use techniques to achieve those layers. A very workable model for looking at layers of meaning is that of I.A. Richards:

Layer 1) the literal level, what the words actually mean

Layer 2) mood, those feelings that are evoked in the reader

Layer 3) tone, the author's attitude

Layer 4) author's purpose (interpretation of author's purpose as it is often inferred)

Clarification 3: Style is the way in which the writer uses techniques for effect. It is distinct from meaning, but can be used to make the author's message more effective. The components of style are diction, syntax, grammar, and use of figurative language. Style helps to create the author's voice.

Clarification 4: Functional significance refers to the role each element plays in creating meaning or effect for the reader.

Theme

ELA.12.R.1.2: Analyze two or more themes and evaluate their development throughout a literary text.

Benchmark Clarifications:

Clarification 1: For the purposes of this benchmark, theme is not a one- or two-word topic, but a complete thought that communicates the author's message.

Perspective and Point of View

ELA.12.R.1.3: Evaluate the development of character perspective, including conflicting perspectives.

Benchmark Clarifications:

Clarification 1: The term perspective means "a particular attitude toward or way of regarding something." The term point of view is used when referring to the person of the narrator. This is to prevent confusion and conflation.

Poetry

ELA.12.R.1.4: Evaluate works of major poets in their historical context.

Benchmark Clarifications:

Sample poets for this benchmark include:

- Emily Dickinson
- Langston Hughes
- Robert Frost
- Phillis Wheatley
- Edna St. Vincent Millay
- Countee Cullen
- Robert Burns
- Percy Bysshe Shelley

Clarification 1: A poet's historical context is the period in which the writing occurred, not when it was discovered or became resurgent.

Clarification 2: Evaluation of a poet in context may include similarity to or differences from the work of contemporaries and the literary period, critical reception at the time, and scope of work.

Clarification 3: For more information, see [Literary Periods](#).

ELA.12.R.2 Reading Informational Text

Structure

ELA.12.R.2.1: Evaluate the structure(s) and features in text(s), identifying how the author could make the text(s) more effective.

Benchmark Clarifications:

Clarification 1: Students will evaluate the use of the following structures: description, problem/solution, chronological, compare and contrast, cause and effect, and sequence.

Clarification 2: Students will evaluate the use of the following features: table of contents, headings, captions, photographs, graphs, charts, illustrations, glossary, footnotes, annotations, and appendices.

Central Idea

ELA.12.R.2.2: Evaluate how an author develops the central idea(s), identifying how the author could make the support more effective.

Purpose and Perspective

ELA.12.R.2.3: Evaluate an author's choices in establishing and achieving purpose(s).

Argument

ELA.12.R.2.4: Compare the development of multiple arguments in related texts, evaluating the validity of the claims, the authors' reasoning, use of the same information, and/or the authors' rhetoric.

Benchmark Clarifications:

Clarification 1: For more information on types of reasoning, see [Types of Logical Reasoning](#).

Clarification 2: See [Rhetorical Appeals](#) and [Rhetorical Devices](#).

Clarification 3: Validity refers to the soundness of the arguments.

ELA.12.R.3 Reading Across Genres

Interpreting Figurative Language

ELA.12.R.3.1: Evaluate an author's use of figurative language.

Benchmark Clarifications:

Clarification 1: Figurative language use that students will evaluate are metaphor, simile, alliteration, onomatopoeia, personification, hyperbole, meiosis (understatement), allusion, and idiom. Other examples can be used in instruction.

Clarification 2: See [Secondary Figurative Language](#).

Paraphrasing and Summarizing

ELA.12.R.3.2: Paraphrase content from grade-level texts.

Benchmark Clarifications:

Clarification 1: Most grade-level texts are appropriate for this benchmark.

Comparative Reading

ELA.12.R.3.3: Analyze the influence of classic literature on contemporary world texts.

Benchmark Clarifications:

Clarification 1: Classic literature for this benchmark should be drawn from and representative of the following periods:

- Classical Period (1200 BCE–455 CE)
- Medieval Period (455 CE–1485 CE)
- Renaissance Period (1300–1600)
- Restoration and 18th Century (1660–1790) *British Literature*
- Colonial and Early National Period (1600–1830) *American Literature*
- Romantic Period (1790–1870)
- Realism and Naturalism Period (1870–1930)
- Modernist Period (1910–1945)

Clarification 2: Contemporary world texts are those written after World War II that, through quality of form and expression, convey ideas of permanent or universal interest.

Understanding Rhetoric

ELA.12.R.3.4: Evaluate rhetorical choices across multiple texts.

Benchmark Clarifications:

Clarification 1: Students will evaluate the appropriateness of appeals and the effectiveness of devices. In this grade level, students are using and responsible for all four appeals; kairos was added in 11th grade. This differs from the 11th grade benchmark in that it is comparing the effectiveness of multiple texts.

Clarification 2: Rhetorical devices for the purposes of this benchmark are the figurative language devices from 12.R.3.1 with the addition of irony, rhetorical question, antithesis, zeugma, metonymy, synecdoche, asyndeton, and chiasmus.

Clarification 3: See [Secondary Figurative Language](#).

Clarification 4: See [Rhetorical Appeals](#) and [Rhetorical Devices](#).

Communication

ELA.12.C.1 Communicating Through Writing

Benchmark Clarifications:

Clarification 1: See [Writing Types](#) and [Elaborative Techniques](#).

Clarification 2: These written works will take longer and are meant to reflect thorough research and analysis.

Benchmark Clarifications:

Clarification 1: At this grade level, the emphasis is on the content, but students are still expected to follow earlier expectations: appropriate volume, pronunciation, and pacing. Students will be using [rhetorical devices](#) as introduced in the 11th grade benchmark. Added to this grade level is a responsiveness to the needs of the audience and adapting to audience response. Students will read the nonverbal cues of the audience to do this. Students first learned nonverbal cues in elementary for this benchmark.

Clarification 2: For further guidance, see the [Secondary Oral Communication Rubric](#).

ELA.12.C.3 Following Conventions

6-12 Foundational Reading Intervention Standards

“Once you learn to read, you will be forever free.” – Frederick Douglass

Foundational reading standards are included for secondary students who have a reading deficiency and need targeted instruction. These standards will apply to elective intensive reading and intensive language arts course codes, not core ELA courses. The goal is for targeted skill instruction, outlined by the standards, to make proficient readers of all of Florida's students, no matter their grade level.

ELA.612.F.2 Applying Foundational Reading Skills for Secondary

Phonological Awareness

ELA.612.F.2.1: Demonstrate an understanding of spoken words, syllables, and sounds.

- a. Orally produce single-syllable and multisyllabic words by accurately blending sounds.
- b. Accurately segment single-syllable and multisyllabic words.

Benchmark Clarifications:

Clarification 1: Phonological awareness only refers to what can be done orally at both the sound and syllabic level. This includes isolating sounds, blending sounds, and orally segmenting words based on syllables. It does not involve print or letter knowledge.

- a. Orally combine c-a-t to make cat/ orally combine trou-ser to make trouser.
- b. Orally break cat into c-a-t/ orally break trouser into trou-ser.

Phonics and Word Analysis

ELA.612.F.2.2: Know and apply phonics and word analysis skills in decoding words.

- a. Use an array of strategies to decode single-syllable and multisyllabic words.
- b. Accurately read multisyllabic words using a combined knowledge of all letter-sound correspondences and syllabication patterns.

Benchmark Clarifications:

Clarification 1: Phonics refers to the relationship between graphemes (letters or letter combinations) and phonemes (speech sounds). Since morphemes represent the smallest unit of language with meaning, morphology refers to the skill of recognizing morphemes as a unit when decoding and determining meaning.

Encoding

ELA.612.F.2.3: Know and apply phonics and word analysis skills in encoding words.

- a. Use an array of strategies to accurately encode single-syllable and multisyllabic words.

Benchmark Clarifications:

Clarification 1: Encoding refers to using the written word in order to communicate. It combines the skills of phonological awareness, phonics, and morphology to move from the oral to the written word.

- a. The process of encoding sounds through letters (s, r), consonant blends (sh, sk), digraphs (ay, ew), or trigraphs (sch, thr) using conventional spelling patterns to form words.
- b. The process of adding single units of sound with meaning to existing word parts to encode a given word.

Fluency

ELA.612.F.2.4: Read grade-level texts with accuracy, automaticity, and appropriate prosody or expression.

Benchmark Clarifications:

Clarification 1: See [Fluency Norms](#) for grade-level norms. Norms are expressed as words correct per minute (WCPM), a measure that combines accuracy with rate. The chart stops at 6th grade because it represents sufficient automaticity for proficient reading. For secondary students receiving reading interventions, teachers should use the 6th grade norms as a goal.

Clarification 2: Appropriate prosody refers to pausing patterns during oral reading that reflect the punctuation and meaning of a text. See [Sample Oral Reading Fluency Rubrics](#) for prosody.

Clarification 3: Grade-level texts, for the purposes of fluency, are those [within the grade band on quantitative text complexity measures](#) and appropriate in content and qualitative measures.

Appendix A: K-12 ELA Expectations for Students

K-12 ELA Expectations

ELA Expectation	Clarifications
ELA.K12.EE.1.1 Cite evidence to explain and justify reasoning.	<p>K-1 Students include textual evidence in their oral communication with guidance and support from adults. The evidence can consist of details from the text without naming the text. During 1st grade, students learn how to incorporate the evidence in their writing.</p> <p>2-3 Students include relevant textual evidence in their written and oral communication. Students should name the text when they refer to it. In 3rd grade, students should use a combination of direct and indirect citations.</p> <p>4-5 Students continue with previous skills and reference comments made by speakers and peers. Students cite texts that they've directly quoted, paraphrased, or used for information. When writing, students will use the form of citation dictated by the instructor or the style guide referenced by the instructor.</p> <p>6-8 Students continue with previous skills and use a style guide to create a proper citation.</p> <p>9-12 Students continue with previous skills and should be aware of existing style guides and the ways in which they differ.</p>
ELA.K12.EE.2.1 Read and comprehend grade-level complex texts proficiently.	See Text Complexity for grade-level complexity bands and a text complexity rubric.
ELA.K12.EE.3.1 Make inferences to support comprehension.	Students will make inferences before the words infer or inference are introduced. Kindergarten students will answer questions like "Why is the girl smiling?" or make predictions about what will happen based on the title page. Students will use the terms and apply them in 2nd grade and beyond.
ELA.K12.EE.4.1 Use appropriate collaborative techniques and active listening skills when engaging in discussions in a variety of situations.	<p>In kindergarten, students learn to listen to one another respectfully.</p> <p>In grades 1-2, students build upon these skills by justifying what they are thinking. For example: "I think _____ because _____." The collaborative conversations are becoming academic conversations.</p> <p>In grades 3-12, students engage in academic conversations discussing claims and justifying their reasoning, refining and applying skills. Students build on ideas, propel the conversation, and support claims and counterclaims with evidence.</p>
ELA.K12.EE.5.1 Use the accepted rules governing a specific format to create quality work.	Students will incorporate skills learned into work products to produce quality work. For students to incorporate these skills appropriately, they must receive instruction. A 3rd grade student creating a poster board display must have instruction in how to effectively present information to do quality work.
ELA.K12.EE.6.1 Use appropriate voice and tone when speaking or writing.	In kindergarten and 1st grade, students learn the difference between formal and informal language. For example, the way we talk to our friends differs from the way we speak to adults. In 2nd grade and beyond, students practice appropriate social and academic language to discuss texts.

Appendix B: Reading

What is a Text?

“In academic terms, a text is anything that conveys a set of meanings to the person who examines it.”

– *The Word on College Reading and Writing* by Carol Burnell, Jaime Wood, Monique Babin, Susan Pesznecker, and Nicole Rosevear

For the purposes of text within the standards, the full breadth of the term text is intended. The standards are meant to prepare students to interpret a variety of texts in a variety of formats. In planning instruction, make sure that students are exposed to a diverse selection of quality texts.

Text Complexity

There are three components of text complexity: qualitative, quantitative, and student-centered. Each of these factors is equally important. Singularly, they reveal a partial and potentially misleading impression of a text. The quantitative measures are divided by grade band and address the measurable data of a text such as sentence length, word length, and word frequency. Each readability measure has a different formula for calculating the readability of a text.

Text Complexity Quantitative Grade Bands

Quantitative Measures		
Grade Level	Flesch-Kincaid	Lexile
K – 1st	-1.3 – 2.18	BR – 430L
2nd – 3rd	1.98 – 5.34	420L – 820L
4th – 5th	4.51 – 7.73	740L – 1010L
6th – 8th	6.51 – 10.34	925L – 1185L
9th – 10th	8.32 – 12.12	1050L – 1335L
11th – 12th	10.34 – 14.2	1185L – 1385L

Text Complexity Rubric

This text complexity rubric provides an opportunity to examine the three components of text complexity all together as they relate to a specific text. The first section deals with the qualitative measures, those features of a text that are related to content and meaning. Texts that are higher here may be lower on the next measure, the quantitative, which measures statistical details of the text itself such as word frequency and sentence length. Finally, the last measure examines those features centered around the student. What is the student being asked to do? What are the student's capabilities? What are the knowledge demands of the text?

Low Complexity	Mid Complexity	High Complexity
Qualitative		
The text has a single layer of meaning explicitly stated.	Blend of explicit and implicit details; few uses of multiple meanings; isolated instances of metaphor.	The text has multiple levels of meaning and there may be intentional ambiguity.
The language of the text is literal, although there may be some rhetorical devices.	Figurative language is used to build on what has already been stated plainly in the text.	Figurative language is used throughout the text; multiple interpretations may be possible.
The author's purpose or central idea of the text is immediately obvious and clear.	The author's purpose may not be explicitly stated but is readily inferred from a reading of the text.	The author's purpose is obscure and subject to interpretation.
The text is organized in a straightforward manner with explicit transitions to guide the reader.	The text is largely organized in a straightforward manner, but may contain isolated incidences of shifts in time/place, focus, or pacing.	The text is organized in a way that initially obscures meaning and has the reader build to an understanding.
Graphics are simple and restate what is written in the text.	Graphics are not essential to understanding the text but do expand on the information found in the text.	Graphics are essential to the understanding of the text and contain information not expressed in the written text.
Vocabulary consists primarily of commonly used words. These words are used literally, not figuratively.	The text uses some domain-specific words, academic vocabulary, archaic terms, or terms that can be read with ambiguity.	The text frequently uses domain-specific words, academic vocabulary, archaic terms, or terms that can be read with ambiguity.
Quantitative		
Text is below or at the lower end of the grade-level band according to a quantitative reading measure.	Text is in the midrange of the grade-level band according to a quantitative reading measure.	Text is at the higher end of or above the grade-level band according to a quantitative reading measure.

Student-Centered		
Students can fully understand the text without specific background knowledge.	Students with limited background knowledge may understand the text, but some levels of meaning may be impeded by lack of prior exposure.	For students to fully understand the text, they must have background knowledge of the topic.
The text is understood by the student without the student consciously applying comprehension strategies.	The text is such that the student can read without fatigue and can apply comprehension strategies to understand the text.	The text may demand stamina, comprehension, and inferential skills at the upper boundary of the student's developmental level.
The themes and details in the text are well within the student's developmental level of understanding and appropriate to the student's age level.	The themes and details in the text are within the student's developmental level of understanding, and while some subject matter may be sensitive, it is appropriate to the student's age level.	The themes and details in the text are at the upper boundary of the student's developmental level of understanding. Some subject matter may be sensitive but is appropriate to the student's age level.
The task associated with the text is of a low content complexity level, involving one cognitive step.	The task associated with the text is of mid-level complexity, involving multiple cognitive steps, some of which are at the recall level.	The task associated with the text is of a high content complexity level, involving multiple cognitive steps.

Sample Titles of Complex Texts by Grade Level

There is no frigate like a book
To take us lands away,
Nor any coursers like a page
Of prancing poetry.
This traverse may the poorest take
Without oppress of toll;
How frugal is the chariot
That bears a human soul!

– Emily Dickinson

Employ your time in improving yourself by other men's writings so that you shall come easily by what others have labored hard for. – Socrates

This sample list of texts includes selections ranging from the Classical Period of ancient Greece and Rome to contemporary texts, representing a full spectrum of genres: classic literature, folktales, poetry, satire, memoirs, essays, speeches, plays, narratives, treatises, founding documents, and histories.

The reading and writing standards have been constructed so that the sample texts serve as mentor texts for students, demonstrating exemplar writing. In many instances, they have also been selected to provide students with background knowledge in topics covered by other content areas, helping students to build the vocabulary and schema that will help them be successful in all of their academic endeavors.

These texts are by authors whose works comprise a rich literary tradition, a tradition with which all students should become familiar. The list should serve as a guide for teachers, curriculum developers, and test makers as they prepare their instructional units and materials for Florida students. It is not intended to be exhaustive but to serve as a foundation for educators when selecting additional rich and meaningful texts.

This sample book list is organized into grades for text complexity guidance. The texts listed here have been selected based on both quantitative and qualitative measures. There are instances in which a student-centered consideration would indicate that a text be used at a lower or higher grade level than indicated here. Further, as students become independent readers—and especially when they are intrigued with a topic—they are often eager and ready to read texts that may be listed here at a higher grade level. Educators should encourage students to wrestle with such complex texts—with proper scaffolding—when they deem it appropriate.

Background Knowledge

Florida is committed to helping students build background knowledge, so much so that it is codified in statute. Giving students the opportunity to read nonfiction and literary texts that reinforce and scaffold what they are learning in their content areas will give them the schema to which they can tie new learning.

Civic Literacy Reading List

These civic-focused texts are the source of building background knowledge and vocabulary in the lower grades and a rich study in rhetoric, reasoning, and argumentation in the upper grades. They are designed to reinforce civics instruction by providing quality texts to which students can apply their developing reading and reasoning skills.

As a result; as such; because of; cause; consequently; due to; for this reason; led to; since; so; reason; result of; therefore; unless.	An article explains the effects of increasing construction on the habitats of endangered species.

<ul style="list-style-type: none"> • Begins with a premise • Uses a given fact or set of facts to deduce other facts • Does not provide new information • Follows a pattern, “if this is true, then this is also true” • Begins with the general and moves to the specific 	<ul style="list-style-type: none"> • Begins with a specific observation and applies to a broad conclusion 	<ul style="list-style-type: none"> • Begins with a pattern or a trend • Uses a pattern to extrapolate information consistent with the given pattern • Begins with the specific and moves to generalize
<i>Examples:</i>		
Premise: Whales are mammals. Fact: A beluga is a type of whale. Conclusion: A beluga is a mammal.	Observation: The bakery across the street always has a line out the door. Conclusion: The bakery sells delicious treats.	Pattern: My grandparents all have gray hair. Conclusion: All elderly people have gray hair.

Fallacies in Reasoning (Informal)

Logical fallacies are errors found in the reasoning of an argument. The errors are often in the form of invalid arguments or are irrelevant or flawed points that undermine or weaken the argument. The table below contains descriptions and examples of several common logical fallacies.

<i>Type</i>	<i>Description</i>	<i>Example in Literature</i>
Ad hominem	An attack on or criticism of someone's character rather than the logic or content of the argument	"Excessive pride and envy have destroyed Jean-Jacques, my illustrious philosopher. That monster dares speak of education!" – Voltaire to d'Alembert, June 17, 1762
Ad populum	Also referred to as the "bandwagon fallacy;" appeals to the popularity of a practice or concept as a method of persuasion	"Do you not consider yourself already refuted, Socrates, when you put forward views that nobody would accept? Why, ask anyone present!" – <i>Gorgias</i> , Plato, 380 BC
Hasty Generalization	A general statement or conclusion that is made without sufficient evidence	"Danforth, <i>finishing the reading</i> : '...You have no legal training, Mr. Corey?' Giles, <i>very pleased</i> : 'I have the best, sir—I am thirty-three time in court in my life. And always plaintiff, too.' Danforth: 'Oh, then you're much put-upon.'" – Act III, <i>The Crucible</i> , Arthur Miller
Red Herring	A tactic that is used to distract from an argument by avoiding key issues or ignoring opposing views	"I have found that there are so many deserving stenographers and secretaries in Washington that needed the work that I just didn't feel it was right to put my wife on the pay roll. My wife sitting over there. She is a wonderful stenographer. She used to teach stenography and she used to teach shorthand in high school. That was when I met her. And I can tell you folks that she has worked many hours on Saturdays and Sundays in my office, and she has done a fine job, and I am proud to say tonight that in the six years I have been in the Senate of the United States Pat Nixon has never been on the Government pay roll." – "Checkers" Speech, Richard Nixon, September 23, 1952
Slippery Slope	A conclusion based on the premise, "if this, then that" Often, the assembly of a causal chain of events that result in an unlikely or extreme outcome	"What we see in El Salvador is an attempt to destabilize the entire region and eventually move chaos and anarchy toward the American border." – "Address to the Nation on United States Policy in Central America," Ronald Reagan, May 9, 1984

<i>Type</i>	<i>Description</i>	<i>Example in Literature</i>
Strawman	The oversimplification of and subsequent attack on the viewpoint of another or the misrepresentation of the viewpoint of another	“It was a little cocker spaniel dog in a crate that he’d sent all the way from Texas. Black and white spotted. And our little girl—Tricia, the 6-year-old—named it Checkers. And you know, the kids, like all kids, love the dog and I just want to say this right now, that regardless of what they say about it, we’re gonna keep it.” – “Checkers” Speech, Richard Nixon, September 23, 1952
False Analogy	An analogy that incorrectly connects two things based on other shared characteristics	“I must frame the argument like this: if his position is furthered, his character will fulfill these predictions. And therefore we should liken him to a serpent’s egg—once it has hatched, it becomes dangerous, like all serpents. Thus we must kill him while he’s still in the shell.” – Paraphrased from <i>Julius Caesar</i> , William Shakespeare, 1599
Circular Reasoning	The use of an argument’s conclusion as a premise for proving the argument (assuming what it is attempting to prove)	“There’s ne’er a villain dwelling in all Denmark / But he’s an arrant knave.” – <i>Hamlet</i> , William Shakespeare, 1600
Non sequitur	A conclusion or reply that does not follow the previous statement in a logical manner	“Comrades!’ he cried. ‘You do not imagine, I hope, that we pigs are doing this in a spirit of selfishness and privilege? Many of us actually dislike milk and apples. I dislike them myself. Our sole object in taking these things is to preserve our health. Milk and apples (this has been proved by Science, comrades) contain substances absolutely necessary to the well-being of a pig. We pigs are brainworkers. The whole management and organisation of this farm depend on us. Day and night we are watching over your welfare. It is for your sake that we drink the milk and eat those apples.” – <i>Animal Farm</i> , George Orwell, August 17, 1945

Appendix C: Communication

Communicating Through Writing Writing Types

Narrative Writing is a type of composition that tells a story, the elements of which may be fiction or nonfiction. Narration of the story may take various forms (first, second, third person, etc.). The story events may be presented sequentially or in an order that stimulates reader interest. Narrative writing includes the writer's use of genre-specific elements, including but not limited to: characterization through dialogue, vivid description, sensory details, foreshadowing, and flashback.

Note: Narrative elements as described above are introduced to students within the grade-appropriate narrative writing standards.

Non-Exhaustive List of Examples: Autobiography/Biography including Memoir; Epic; Folktale; Historical Account; Myth; Novel; Play; Short Story; Speech.

Argumentative Writing is a type of composition in which the author presents a reasoned, logical argument supported by evidence, often with the intention of changing the reader's perspective, or appealing to the reader to accept the writer's belief about an issue, problem, or concept. In literary argumentation, the writer may support claims that evaluate the value or meaning of a literary work. In any form of argumentation, the writer defends a position with evidence from sources relative to the text(s) or subject(s) that he or she is writing about.

Note: In grades K-5, the term opinion refers to the evolving form of argument.

Non-Exhaustive List of Examples: Appeals; Editorials; Essays; Letters; Literary Analyses; Proposals; Speeches.

Expository Writing is a type of composition in which the writer seeks to present or report on information accurately for the purpose of improving the reader's understanding of an issue, problem, or concept. In expository writing, the writer uses a variety of techniques to convey information, including the use of an organizational structure appropriate to the subject. The writer may compare and/or contrast concepts; list, name, describe, or define different parts for the reader; or incorporate relevant anecdotes, examples, facts, and details to develop a central idea.

Note: Students' proficient use of organizational structures in expository writing is introduced beginning in Grade 4, in alignment with the progression of Reading Informational Text Standards (R.2.1–2.4).

Non-Exhaustive List of Examples: Comparative Analyses; Historical Reports; Manuals; Magazine and/or Newspaper Articles; Memorandums; Research and/or Scientific Reports.

Narrative Techniques

Narrative techniques refer to the methods writers use to tell a story, deliver content, or convey a message. Narrative techniques are distinguished from literary elements as they are not *all* specific to literary text.

<u>Technique</u>	<u>Descriptor</u>	<u>Note</u>
Description	The details a writer uses to convey a message or develop literary elements	Description includes (but is not limited to) sensory details, literal language, and figurative language.
Dialogue	A conversation between two or more characters	Dialogue can be used for multiple purposes including the advancement of a plot or development of a character.
Flashback	A writing technique used to alter time in order to convey a past event or significant occurrence	While many instances of flashback are incorporated overtly, some uses are more subtle, requiring inferential readership.
Foreshadowing	A writing technique used to subtly suggest or indicate something ahead of time in a text	Foreshadowing is commonly used to create suspense and/or advance the plot of a story.
Juxtaposition	A writer's side-by-side placement of two descriptions, ideas, characters, actions, or events in a text	Authors use juxtaposition to compare and/or contrast elements within a text.
Narration	The method(s) used to tell a story	The provided descriptor is only one function of narration. Narration can serve multiple purposes, including the advancement of a plot or development of a character.
Pacing	The methods or strategies a writer uses to advance a plot or create tension, mood, and/or tone in a text	Pacing techniques cut across genres and therefore serve varying purposes, for example: a speech writer may utilize pacing by incorporating intentional breaks and emphatic phrasing.
Perspective	The view of a text and/or its elements, as created by a writer	Perspective is to be distinguished from narrator point of view.
Stream of Consciousness	A method of narration in which writing is organized around the internal thoughts of the narrator	Stream of consciousness is less structured than interior monologue. Stream of consciousness can be written from various points of view (first person, third person, etc.).

Elaborative Techniques

Sample detail: Pythons are an invasive species causing many problems.

Type of Elaboration	Example
Example – provide more specific information about the detail to illustrate the detail	For instance, pythons have reduced several populations of small mammals like the raccoon and eradicated animals like the marsh rabbit.
Definition – provide meaning of an unfamiliar word or concept	An invasive species is an organism that causes ecological or economic harm in a new environment where it is not native.
Statistic & Data – the numbers or data that support the detail	According to “ How Have Invasive Pythons Impacted Florida’s Ecosystem ,” a study in 2012 showed an 87.5% drop in the population of bobcats since 1997 as a result of pythons inhabiting Everglades National Park.
Quote or Citation – using the exact words of a text	In the text “ How Have Invasive Pythons Impacted Florida’s Ecosystem ,” “Non-native Burmese pythons have established a breeding population in South Florida and are one of the most concerning invasive species in Everglades National Park.”
Paraphrase – use your own words to summarize a portion of a text	The USGS presented a study in 2012 showing an 87.5% drop in the population of bobcats since 1997 as a result of pythons inhabiting the Everglades National Park.
Facts – give specific information that can be proven	As an invasive species in the United States, Burmese pythons are widely distributed in Everglades National Park.
Description – a way to create vivid images for the reader	An apex predator, Burmese pythons are wreaking havoc on the ecosystem with their ability to consume prey larger than themselves due to their unhinged jaw.
Explanation – explain the detail by thinking about who, what, where, how, why	Pythons have shown the ability to adapt to cooler climates, causing some scientists to fear that they might spread to regions north of the Everglades even making it as far as Georgia.
Personal Anecdote – a short story that makes a point	When visiting Everglades National Park last summer, I viewed a film showing a python even eating an alligator. The park ranger said that the python is an eating machine, leaving few animals off its menu, including bobcats, deer, and alligators.

Appendix E: Reading Foundations

Introduction

English is an alphabetic language. It has 26 letters and 44 sounds. The alphabetic principle is that students need to know there is a sound/symbol relationship before they can learn to read. It is important to teach phonological awareness, phonics, morphology and etymology (history of origin), syntax, text reading fluency, vocabulary, semantics, and written expression in an explicit, sequential, systematic, and cumulative manner. Explicit means that the initial introduction of a sound/symbol relationship should be directly stated. Sequential and systematic means that instruction should be from the easiest to the more difficult skills with much repetition and review. Cumulative means instruction builds upon prior learning. Learning is multisensory in that it involves the use of **visual, auditory, and kinesthetic-tactile** pathways simultaneously to enhance memory and learning of written language.

Phonological awareness, alphabetic skills, and language skills are the best predictors of early reading success. Phonological awareness is the ability to segment sounds in speech at the syllable, onset-rime, and phoneme level. Alphabetic skills are knowledge of letter names and sounds, the ability to identify and recognize words, as well as spell them correctly. Words vary in the consistency of their sound-spelling patterns, with some words being highly inconsistent or irregular. Learning to automatically recognize irregular words and regular words makes them “sight” words that can support fluency development. Practicing reading using decodable texts with some irregular words is important. As students consolidate their alphabetic skills, they should practice reading familiar text to build fluency.

When readers who are not fluent attend to each letter of a word instead of reading with automaticity, valuable working memory is being used. With reduced working memory bandwidth, comprehension is negatively impacted. Because this link is so strong, any work with fluency should also include a comprehension component.

When older readers who are not fluent learn how to decode words, their fluency rate and comprehension are paradoxically reduced. This is because instead of skipping unknown words, they are using their newly acquired skill of decoding, which slows them down initially until they decode with automaticity. Increased time on text with independent level materials, as well as engaging in repeated readings, helps develop automaticity and fluency.

Students who are not proficient in reading should be assessed and progress monitored for their foundational skill strengths and weaknesses in the components of reading (phonological awareness, phonics/morphology, syntactic knowledge, fluency, vocabulary, and comprehension). Secondary teachers should use the assessment data to determine which of the Foundational Reading benchmarks must be addressed and select appropriate interventions.

Measures of Fluency

Fluency Norms

The Hasbrouck-Tindal Norms Chart indicates words correct per minute by grade level, time of year, and percentile rank. Fluency measures should always be combined with comprehension checks such as a retelling of the passage or comprehension questions to strengthen the link between fluency and comprehension. Oral reading fluency rubrics that consider other factors of fluency should also be considered.

Sample Oral Reading Fluency Rubrics

NAEP Fluency Scale

Fluent	Level 4	Reads primarily in larger, meaningful phrase groups. Although some regressions, repetitions, and deviations from text may be present, these do not appear to detract from the overall structure of the story. Preservation of the author's syntax is consistent. Some or most of the story is read with expressive interpretation.
	Level 3	Reads primarily in three- or four-word phrase groups. Some small groupings may be present. However, the majority of phrasing seems appropriate and preserves the syntax of the author. Little or no expressive interpretation is present.
Non-fluent	Level 2	Reads primarily in two-word phrases with some three- or four-word groupings. Some word-by-word reading may be present. Word groupings may seem awkward and unrelated to larger context of sentence or passage.
	Level 1	Reads primarily word-by-word. Occasional two-word or three-word phrases may occur—but these are infrequent and/or they do not preserve meaningful syntax.

Multidimensional Fluency Scale

	1	2	3	4
EXPRESSION & VOLUME	Reads words as if simply to get them out. Little sense of trying to make text sound like natural language. Tends to read in a quiet voice.	Begins to use voice to make text sound like natural language in some areas of the text, but not in others. Focus remains largely on pronouncing the words. Still reads in a quiet voice.	Makes text sound like natural language throughout the better part of the passage. Occasionally slips into expressionless reading. Voice volume is generally appropriate throughout the text.	Reads with good expression and enthusiasm throughout the text. Varies expression and volume to match his or her interpretation of the passage.
PHRASING	Reads in a monotone with little sense of boundaries; frequently reads word-by-word.	Frequently reads in two- and three-word phrases, giving the impression of choppy reading; improper stress and intonation fail to mark ends of sentences and clauses.	Reads with a mixture of run-ons, mid-sentence pauses for breath, and some choppiness; reasonable stress and intonation.	Generally reads with good phrasing, mostly in clause and sentence units, with adequate attention to expression.
SMOOTHNESS	Makes frequent extended pauses, hesitations, false starts, sound-outs, repetitions, and/or multiple attempts.	Experiences several "rough spots" in text where extended pauses or hesitations are more frequent and disruptive.	Occasionally breaks smooth rhythm because of difficulties with specific words and/or structures.	Generally reads smoothly with some breaks, but resolves word and structure difficulties quickly, usually through self-correction.
PACE	Reads slowly and laboriously.	Reads moderately slowly.	Reads with an uneven mixture of fast and slow pace.	Consistently reads at conversational pace; appropriate rate throughout reading.

Interventions for Secondary Students

Reading Intervention must target the area(s) of need as determined by diagnostic assessment data on the components of reading, and progress must be monitored with an appropriate assessment tool that measures growth in the target area(s) until the student becomes proficient.

Learner Profiles

There are three common profiles of non-proficient decoders in the secondary grades. Some students may fit more than one profile. Educators should conduct regular collaborative problem-solving meetings to consider additional factors such as vision, hearing, attention, memory, health concerns, years in an English language program, and home life.

Profile 1 consists of students who have irregular gaps in their foundational reading skills sometimes due to interrupted schooling. This might mean a gap in knowledge of vowel sounds for one student, blends for another, and decoding multisyllabic words for another. Once the specific gap(s) is/are identified and addressed, these students often quickly catch up to their peers.

Profile 2 consists of students who are English Language Learners. These students can further be divided: *Profile 2A*: Students who have a strong background in literacy in their home language and can apply that knowledge to English with the support of ESOL strategies in the general curriculum. *Profile 2B*: Students without a strong background in literacy in any language and may need support beyond ESOL strategies and could have an unidentified learning disability.

Profile 3 consists of students with persistent reading difficulties and may include students with phonological processing deficiencies or those with learning disabilities.

Students with Profile 1, 2, or 3 require systematic, explicit, differentiated, and multisensory instruction in order to become proficient readers regardless of age or grade level.

Learning Environment Considerations

1. Non-proficient readers are given opportunities to practice foundational skills in reading using independent-level text and instructional-level text.
2. The teacher preserves the dignity of adolescent, non-proficient readers by using developmentally appropriate materials, instruction, and assessment.
3. The teacher has a growth mindset toward adolescent, non-proficient readers and develops a growth mindset in the students by providing appropriate scaffolding.
4. Strategies and supports are removed as students become proficient in decoding and fluently reading grade level text.
