**Section 5: Written Proposal (for Telemetry Projects Only)**

For eradication and control projects involving the release of nonnative species for telemetry purposes, a written proposal is required. This proposal must state with particularity the management objectives, methodology, duration, and planned safeguards to ensure proper containment and recovery of all specimens. Please indicate in the proposal the total quantity of each nonnative species you plan to possess.

See <https://myfwc.com/wildlifehabitats/nonnatives/conditional-species-list/> for a list of Conditional species.  
See <https://myfwc.com/wildlifehabitats/nonnatives/prohibited-species-list/> for a list of Prohibited species.

For renewal applications, applicants must submit an annual record of progress toward the project objectives.

A written proposal is not required for eradication and control projects that do not involve any release of nonnative species, including systematic trapping or capture efforts.
