By filing this form on time, you are applying for a \$25,000 tangible personal property exemption for each county you operate in.

History and Corporate Information form with fields for FEI Number, Contact name, Title, Address 1, Address 2, City, State, Zip, Phone1, and Ph2.

I declare that I have read the foregoing document and that the facts stated in it are true.

Signature, Title, Date, Print name

The Department cannot grant deadline extensions beyond the April 1 filing date. We must have complete car description, cost data, and total system miles, both loaded and empty, for your fleet operating in Florida. If you do not submit mileage data by April 1, we will use data submitted by Florida railroads.

Instructions for Completing the Car Description and Cost Data Worksheet, page 2

- Column A Year Acquired or Capital Improvement Made: Date the reporting company acquired or made the capital improvement, regardless of year originally built.
Column B No. Cars Owned and/or Leased: List number of cars corresponding to Column A (year acquired).
Column C Original Cost to Present Owner: Include actual cost to present owner, regardless of original cost at date built.
Column D Capital Improvements. Include all capital improvements associated with car fleet since their acquisition. Enter the cost data on the date the actual improvement was made. Include all cost of additions, such as protective equipment, racks and special apparatus, in this column.
Column E Add Columns C and D.
Column F Depreciation Factor.
Column G Fair Market Value (Depreciated Cost.) Multiply Columns E and F.
