Our records indicate that you are the holder of an **Amusement Machine Certificate(s)** (Form DR-18C) that will **expire on June 30**. Florida law requires every business location that operates amusement machines display an *Amusement Machine Certificate*. A penalty of \$250 per machine may be imposed on an operator who fails to obtain and display the required *Amusement Machine Certificate*.

The **Previously Registered Machine Location Worksheet** on the following page(s) contains a listing of your *Amusement Machine Certificates* for each of your registered locations.

To complete the certificate renewal process:

- Review all information on the **Previously Registered Machine Location Worksheet**. Make any necessary changes.
- If you have additional machines to add that are not previously listed, an **Additional Amusement Machine Location Worksheet** is provided. To complete this worksheet, you must have an active sales and use tax *Certificate of Registration* (Form DR-11) for each county in which you operate machines. If you do not have a sales tax number for each county where your machines are located for operation, you can register to collect and report tax through our website at ~~www.floridarevenue.com~~ or by completing a paper *Florida Business Tax Application* (Form DR-1).
- Place worksheet totals in the summary box on each page and total all pages in the **Grand Total** box below.
- Attach a check or money order, payable to Florida Department of Revenue, for the registration fee (\$30 per machine). **Do not send cash.**
- Return this signed renewal application and your payment to:
