

FBPE Application for Recognition in the Florida Structural Engineer Recognition Program

In accordance with Section 471.055, Florida Statutes, an engineer who meets the criteria specified in Rule 61G15-20.0011, F.A.C., can apply for recognition in the Florida Structural Engineer Recognition Program. Please review the statute and rule cited.

If you wish to apply for recognition in the program, you **must** complete this application and submit it to the Florida Board of Professional Engineers. The Board must approve your application.

YOU MUST ATTACH TO THIS FORM PROOF OF PASSAGE OF THE REQUIRED EXAMINATION(S) INDICATED BELOW OR DOCUMENTATION SUPPORTING 5 YEARS OF POST-LICENSURE EXPERIENCE WORKING ON SIGNIFICANT STRUCTURAL ENGINEERING PROJECTS. If proof of passage of the examination OR documentation of experience is not attached or cannot be verified, the Application for Recognition will be rejected.

NAME	Last:	First:	Middle:
