**One form must be completed for each class registration.**

All training classes offered by the LP Gas Program are eligible for continuing education credits (CEU's). In order to earn these credits, the entire class session must be attended. No partial credits will be given for attending only part of a class session. All participants will be required to sign-in before, during, and upon completion of the class session. A certificate will be provided to only those persons completing the entire class session. This certificate should be retained for your records and may be utilized to verify CEU compliance. Classroom materials are available on-line at [www.FreshFromFlorida.com/LPGasTraining](http://www.FreshFromFlorida.com/LPGasTraining).

The LP Gas Program publishes a class description and the location, time, place, and date of all classes offered via the Department's internet site. Please go to [www.fl-ag-online.com](http://www.fl-ag-online.com) for a listing of all classes. Please use this information to complete this registration form. NOTE: You may register to take either a class followed by administration of a state exam, or a class only with no examination.

**SPACE IS LIMITED AND WILL BE GRANTED BASED UPON A FIRST-COME-FIRST-SERVED BASIS.** If taking a class followed by administration of a state exam, you may pay for the examination on-line with a credit card at [www.fl-ag-online.com](http://www.fl-ag-online.com). Persons who register on-line will be immediately registered for the seminar and will receive priority scheduling over those registering by mail. **TO REGISTER BY MAIL** – If taking a class with an exam, complete and return this form along with your examination fee to: Florida Department of Agriculture and Consumer Services, P. O. Box 6700, Tallahassee, FL 32314-6700. If taking a class for CEU hours only, you may fax the completed form to 850-921-1612 or mail to 2005 Apalachee Parkway, Tallahassee, FL 32399-6500.
