9. LIVESCAN PRIVACY STATEMENT

I have been provided and read the statement from the Florida Department of Law Enforcement regarding the sharing, retention, privacy and right to challenge incorrect criminal history records and the "Privacy Statement" document from the Federal Bureau of Investigation (found in the forms following this application).

The board will not receive your Livescan results if you do not confirm the above statement by checking the box.

All applicants, including out-of-state applicants, are required to submit their fingerprints electronically. The Department of Health accepts electronic fingerprinting offered by Livescan service providers that are approved by the Florida Department of Law Enforcement. For a list of approved vendors, visit our website at: <http://www.flhealthsource.gov/background-screening/>.

Typically, background results submitted by Livescan are received by the board within 24-72 hours of being processed. The ORI number for **CNAs** is **EDOH0380Z**. The ORI number for **LPNs, RNs, and APRNs** is **EDOH4420Z**. The board cannot accept hard fingerprint cards or results. All results must be submitted electronically by the Livescan service provider.

The Florida Department of Health retains fingerprints on any applicant in the Care Provider Clearinghouse. One of the requirements for your Livescan to be retained in the Care Provider Clearinghouse is a photograph must be taken by the Livescan service provider at the time of fingerprinting. Your background screening results will be retained for five years. Licensees will be notified when their retention date is approaching and will be provided instructions on how to retain their fingerprints to avoid having to submit a new background screening.

IMPORTANT NOTICE: Beginning July 1, 2025, applicants seeking initial licensure in health care professions must comply with background screening requirements of s. 456.0135, Florida Statutes. To ensure that all health care practitioners practicing in the health care professions subject to the background screening requirements for initial licensure under s. 456.0135, Florida Statutes, are screened, health care practitioners who were already licensed in such health care professions before July 1, 2025, must submit to background screening in accordance with s. 456.0135, Florida Statutes, by their next licensure renewal that takes place on or after July 1, 2025, notwithstanding the fact that s. 456.0135, Florida Statutes, applies to initial licensure only. - **RIGHT TO CHALLENGE AN INCORRECT CRIMINAL HISTORY RECORD**

This notice is to inform you that when you submit a set of fingerprints to the Florida Department of Law Enforcement (FDLE) for the purpose of conducting a search for any Florida and national criminal history records that may pertain to you, the results of that search will be returned to the Care Provider Background Screening Clearinghouse. By submitting fingerprints, you are authorizing the dissemination of any state and national criminal history record to be employed, licensed, work under contract, or serve as a volunteer, pursuant to the National Child Protection Act of 1993, as amended, and section 943.0542, Florida Statutes. "Specified agency" means the Department of Health, the Department of Children and Family Services, the Division of Vocational Rehabilitation within the Department of Education, the Agency for Health Care Administration, the Department of Elder Affairs, the Department of Juvenile Justice, and the Agency for Person with Disabilities when these agencies are conducting state and national criminal history background screening on persons who provide care for children or persons who are elderly or disabled. The fingerprints submitted will be retained by FDLE and the Clearinghouse will be notified if FDLE receives Florida arrest information on you.

Your Social Security Number (SSN) is needed to keep records accurate because other people may have the same name and birth date. Disclosure of your SSN is imperative for the performance of the Clearinghouse agencies' duties in distinguishing your identity from that of other persons whose identification information may be the same or similar to yours.

Licensing and employing agencies are allowed to release a copy of the state and national criminal record information to a person who requests a copy of his or her own record if the identification of your record was based on submission of the person's fingerprints. Therefore, if you wish to review your record, you may request that the agency that is screening the record provide you with a copy. After you have reviewed the criminal history record, if you believe it is incomplete or inaccurate, you may conduct a personal review as provided in s. 943.056, Florida Statutes, and Rule 11C-8.001, F.A.C. If national information is believed to be in error, the FBI should be contacted at 304-625-2000. You can receive any national criminal history record that may pertain to you directly from the FBI, pursuant to 28 CFR Sections 16.30-16.34. You have the right to obtain a prompt determination as to the validity of your challenge before a final decision is made about your status as an employee, volunteer, contractor, or subcontractor.

Until the criminal history background check is completed, you may be denied unsupervised access to children, the elderly, or persons with disabilities.

The FBI's Privacy Statement follows on a separate page and contains additional information.
