

## CAPTIVE WILDLIFE INVENTORY REPORT FORM (REPTILES) INSTRUCTIONS

This form is to be completed and submitted upon annual renewal of the License to Sell or Exhibit Class III Wildlife and again six months thereafter. A reporting period shall consist of six months. Each report will include requested data from the previous six months. Individuals that possess non-native venomous reptiles or reptiles of concern may also use this form to report changes in inventory.

Data shall include the total number of births, deaths, acquisitions and sales or transfers that occurred during the reporting period for each reptile of concern and each venomous reptile, including subspecies or hybrids thereof. Data for venomous reptiles, including subspecies or hybrids thereof, shall be entered according to the biological family to which the species belongs.

1. **REPORTING PERIOD:** Enter reporting period in a MM - MM/YYYY format.
2. **LICENSEE NAME:** Enter full name as indicated on the License to Sell or Exhibit Class III Wildlife.
3. **BUSINESS NAME:** Enter Business name, if applicable, as indicated on the License to Sell or Exhibit Class III Wildlife.
4. **LICENSE TYPE:** Enter the three letter code for the license type (as indicated below), or select the license type from the drop down menu if filing electronically.
  - ESC (License to Sell or Exhibit Class III Wildlife)
  - VRC (License to Possess or Exhibit Venomous Reptiles and/or Reptiles of Concern)
5. **LICENSE ID NUMBER:** Enter the ID Number as indicated on the license that corresponds to the license type.
6. **BIRTHS:** Enter the total number of specimens born during the reporting period.
7. **DEATHS:** Enter the total number of specimens that died during the reporting period.
8. **ACQUISITION:**
  - **IN-STATE:** Enter the total number of specimens that were acquired from entities or suppliers within the state of Florida. This does not include the number of specimens produced (born) at your facility.
  - **OUT-OF-STATE:** Enter the total number of specimens that were acquired from entities or suppliers outside of the state of Florida or the Continental United States during the reporting period.
9. **SALES OR TRANSFERS:**
  - **IN-STATE:** Enter total number of specimens sold or otherwise transferred to entities within the state Florida.
  - **OUT-OF-STATE:** Enter the total number of specimens sold or otherwise transferred to entities outside of the state of Florida or the Continental United States.
10. **CURRENT INVENTORY:**
  - In addition to this change of inventory form a complete inventory of the numbers and species of all wildlife possessed shall accompany any initial or renewal application for licensure.
