Table with 2 columns: Initial box, Item description. Items include: 1. List of all vessels offered by the livery for lease or rent; 2. Proof of current insurance coverage; 3. Business creation records; 4. Current local business license; 5. A copy of government-issued photographic identification card; 6. Completed and signed Livery Permit Certification form.

<sup>1</sup> An applicant is not required by law to provide this contact information. Providing the information will help to expedite communications between the program and the individual requesting the permit. Under Florida law, e-mail addresses and phone numbers as well as most other portions of records provided to public agencies are public records. If you do not want your e-mail address or phone number released in response to a public records request, do not include this information. Instead, contact this office in writing.
