G. THIRD PARTY CONTRACTORS. A third party contractor is an entity that is paid for services rendered to collect or transport marine organisms on behalf of a SAL holder, or paid to provide expertise as an agent or consultant for the collection or transport of marine organisms on behalf of a SAL holder. Salaried staff or faculty, non-salaried volunteers, students, interns, or visiting principle investigators who do not receive monetary compensation for their collection assistance are not third party contractors. A third party contractor may not serve as an agent for a SAL applicant during the application process.

In order for a third party contractor to conduct activities pursuant to a SAL, the following requirements must be met:

1. A third party contractor must be identified as such on the SAL application.
2. The SAL applicant must submit with the application a copy of the signed contractual agreement between the third party contractor and the applicant that outlines the services to be rendered. The agreement must denote payment for services rendered during the specific time period requested on the SAL application. Contractual agreements referencing payment schedules for individual marine organisms will not be accepted.

List **legal name**, date of birth, and company name for all third party contractors, and submit a copy of the contract for services with this application form. All third party contractors must meet the eligibility requirements in 68B-8.003, Florida Administrative Code (F.A.C.).

K. REPORTING REQUIREMENTS.

A Nonprofit Corporation SAL holder must submit the following documentation during the 12th month, 24th month, and within 30 days of expiration of the SAL or during the renewal application process if the SAL is requested for renewal:

1. An activity report documenting the harvest of all specifically named marine organisms authorized for harvest pursuant to a Nonprofit Corporation SAL, and of all marine organisms not reported via the Marine Fisheries Trip Ticket (MFTT) system, by the marine organism's common name and scientific classification, amount harvested, and, if sold, the entity to whom sold.
2. Marine Fisheries Trip Tickets (through the MFTT system), except that a marine organism must not be reported via a trip ticket if one or more of the following apply:
 - a. The marine organism is specifically named in the Nonprofit Corporation SAL.
 - b. The marine organism has no species code in the MFTT system.
 - c. The marine organism is subject to a seasonal restriction on its commercial harvest and sale.
 - d. The commercial licensing requirements for the marine organism have not been met.

A SAL will not be issued or renewed unless all conditions of a prior SAL held by the applicant were met, and the reporting requirements for the prior SAL were properly and timely submitted.

L. NOTIFICATION REQUIREMENTS. All SAL holders must notify the nearest FWC Law Enforcement regional Communication Center not later than 24 hours prior to conducting activities under a SAL. Notification may consist of a float plan detailing locations, dates, and times of activities. Deviations from the float plan are permitted only after 24-hour advance notification to the nearest FWC Law Enforcement Regional Communication Center. Float plans are valid for the duration of the SAL unless rescinded by the SAL holder.

M. LICENSE COPIES. Please be aware that all authorized personnel or third party contractors must have a copy of the SAL signed by both FWC and the license holder (applicant) in his or her possession while conducting SAL authorized activities.
