By submitting fingerprints, you are authorizing the dissemination of any state and national criminal history record that may pertain to you to the agency from which you are seeking approval to be employed, licensed, or have access to their facility. FDLE does not require a SSAN but it could cause a delay in processing your criminal history record check.

Authorized agencies are allowed to release a copy of the state and national criminal record information to a person who requests a copy of his or her own record if the identification of the record was based on submission of the person's fingerprints. Therefore, if you wish to review your record, you may request a copy of your record from the screening agency. After you have reviewed the criminal history record, if you believe it is incomplete or inaccurate, you may conduct a personal review as provided in s. 943.056, F.S., and Rule 11C-8.001, F.A.C. by calling FDLE at (850) 410-7898. If you believe the national information is in error, you may contact the FBI at (304) 625- 2000. You can receive any national criminal history record that may pertain to you directly from the FBI, pursuant to 28 CFR Sections 16.30-16.34. Applicant's Social Security Number: _____

The requirement for the applicant's social security is mandatory.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency's duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office of Insurance Regulation. The duties of the Office of Insurance Regulation in background investigation are extensive in order to ensure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year. In establishing these qualifications and the Office of Insurance Regulation's responsibility to ensure that individuals meet these qualifications, the legislature recognized that owners, officers, and directors of an insurance company are in a position to cause great harm to the public should they be untrustworthy or have a criminal background. These individuals control vast amount of funds that belong to policyholders. To meet the legislative intent that these people are qualified to be trusted, having the identifying social security number is essential for the Office of Insurance Regulation to adequately perform the background investigative duty. There are many individuals with the same name, without this identifying number it would be difficult if not impossible to be reasonably sure that the correct individuals are identified and verify they meet the statutorily required conditions.
