Instructions For Filing Regulatory Assessment Fee Return (Natural Gas Transmission Pipeline Company)

1. **WHEN TO FILE:** To avoid payment of penalties and interest, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

*On or before July 30 for the six-month period January 1 through June 30, and
On or before January 30 for the six-month period July 1 through December 31.*

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee Return may be filed or postmarked on the next business day.

2. **FEES:** Each utility ~~must~~ shall pay the currently authorized percentage, as indicated on Line 7 on the reverse side, of its gross operating revenues derived from intrastate business. Gross Operating Revenues are defined as the total revenues before expenses. The currently authorized percentage was implemented by Section 25-7.101(1), Florida Administrative Code. Annual revenue amounts are to be reported on the return for the period ended December 31.
3. **FAILURE TO FILE BY DUE DATE:** A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report. Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 8). In addition, interest will ~~shall~~ be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year.
4. **EXTENSION:** A utility, for good cause shown in a written request, may be granted up to a 30 day extension. A request should be made by filing the enclosed *Regulatory Assessment Fee Extension Request* form (PSC 1037) (~~PSC/AIT 124~~), two weeks prior to the filing date. If an extension is granted, a charge will ~~shall~~ be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, *or*
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a utility may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the utility will ~~shall~~ be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

5. **REGULATORY ASSESSMENT FEE DUE:** Amounts are due and payable to the Commission by either January 30 or July 30 depending on the reporting period. If there are no revenues **OR** if revenues are insufficient to generate a minimum annual fee, remit the minimum fee. **A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.**
6. **FEE ADJUSTMENTS:** The utility will be notified as to the amount and reason for any adjustment. Penalty and interest charges may be applicable to additional amounts owed to the Commission by reason of the adjustment. A utility may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.
