IX SUPPORTING DOCUMENTATION

Submit the following documentation with the completed application to substantiate the descriptions/statements:

- 1) A completed Provider Network Checklist for each county being requested. Also note any access restrictions to the contracted network of providers.
- 2) An excel spreadsheet with the location of the facilities/providers at which health care services shall be regularly available to subscribers. The listing should indicate the name, address, telephone number and specialty of all contracted primary care physicians, specialty physicians, ancillary services and hospital facilities and should be grouped by county.
- 3) Complete and executed provider contracts for all providers in each requested county. Each provider contract must be a separate electronic document. Letters of Agreement must be converted to executed contracts before the expansion is approved.
- 4) A scale map(s) of each service area which shows the location of primary care physicians, specialty physicians, hospitals, and applicable ancillary services. The boundary of the service area should be within 30 minutes average travel time for primary care physicians and hospitals, and within 60 minutes for specialty physicians.

Only the following information is required for **Medicare, Medicaid and Florida Healthy Kids** expansions:

- 1) Requests for Medicare expansions must include the Health Plan Management System (HPMS) View Service Area Report that shows the County, Effective Date, Status and Full/Partial County. The report cannot be accepted until the status for each requested county is listed as approved.
- 2) Requests for Medicaid expansions must include the executed Medicaid contract or addendum.
- 3) Requests for Florida Healthy Kids expansions must include approval documentation from Florida Healthy Kids for the requested counties.
