Overview

Section 1002.85, Florida Statutes (F.S.) gives authority to the Department of Education to adopt rules setting School Readiness (SR) Program plan standardized format and required content as necessary for a coalition or other qualified entity to administer the SR Program.

Complete school readiness plans or amendments submitted to the department must:

- Describe and contain the coalition’s procedures for implementing the School Readiness (SR) Program only;
- Be self-developed and cannot be a word-for-word copy of language in Florida Statutes, rule, and guidance for the SR program nor include screenshots of the single statewide information system; and
- Address the required components within this guide.

Any time a coalition amends a prescribed element of its SR Program Plan, the coalition must clearly indicate all revisions made unless the procedures are substantially rewritten. The coalition must identify (name and number) the elements in accordance with the SR Program Plan and ensure its policies and procedures meet each criterion specified in this form.

A SR Program plan a coalition submits must describe its procedures for implementing school readiness application and waiting list procedures (s. 1002.85(2)(b)1.-2., F.S., and Rule 6M-4.300, F.A.C.).

1.	<p>Coalitions will upload their current waiting list policies and procedures.</p> <p>Section 1002.82, F.S., and Rule 6M-4.300, F.A.C., require the statewide data information program to include a single point of entry.</p> <p>“Single point of entry” also known as the Family Portal, means the process established under Section 1002.81(13), F.S., for a parent wanting to apply for the school readiness program (<i>s. 1002.81(13), F.S.; Rule 6M-4.300, F.A.C.</i>).</p> <p>All parents requesting school readiness program services must first complete the prequalifying questions before completing the School Readiness Application, if applicable, and submit it through the single point of entry available at the following web address: https://familyservices.floridaeearlylearning.com.</p> <p>If the results of the prequalifying questions indicate that the family may be potentially eligible, the family will then be directed to complete the School Readiness Application.</p> <p>Upon completion of the School Readiness Application, parents must submit at least one document to complete the application process. The document may be a current paystub, a verification of employment statement, written statement from employer, school enrollment or class registration, or documentation of a temporary or permanent disability.</p>

The prequalification screening will be at a minimum the family’s statement of income, family size, and type of service requested.</p> <p>If the coalition determines that the family is potentially eligible based on their application and funding is available, the coalition will conduct an eligibility determination pursuant to Section 1002.87, F.S., and subsection 6M-4.200(2) or (3), F.A.C. Upon determining the family eligible for the school readiness program, the child is eligible for enrollment with a provider delivering the school readiness program. The coalition must indicate the required supporting documents for eligibility determination pursuant to Rule 6M-4.208, F.A.C.</p> <p>If the family is potentially eligible and funding is not available, the coalition will place the child on its waiting list.</p> <p>If the family is not potentially eligible, the coalition will offer the parent CCR&R services pursuant to Rule 6M-9.300, F.A.C.</p> <p><i>Please note: all families requesting services shall be provided CCR&R services.</i></p> <p>The early learning coalition must review each submitted application and required documentation within 20 calendar days of receipt to determine if the parent is potentially eligible pursuant to Section 1002.87(1), F.S. 3.	<p>The policy or procedure requires placing eligible children on the waiting list on a first-come, first-serve basis, based on the date of the submitted application, the potential eligibility category and priority categories specified in Section 1002.87(1), F.S., and the age of the child.</p> <p>The coalition’s policy or procedures must establish a methodology for prioritizing the waiting list according to eligibility category.</p>

	A coalition may establish local service priorities within one of the above referenced priority groups.
4.	<p>The policy establishes procedures for waiting list revalidation.</p> <p>At least once every six (6) months from the date the family was initially placed on the waiting list or from the last revalidation date the coalition must contact the parent and request the parent to submit updated information regarding eligibility status.</p> <p>The coalition must notify the parent within 30 calendar days prior to the revalidation date.</p>
5.	<p>The policy establishes procedures for removal from the waiting list.</p> <p>Notification must include the reason why the family was not placed on the waiting list or why the family or child was removed from the waiting list.</p> <p>A family will be removed from the waiting list under the following circumstances:</p> <ol style="list-style-type: none"> 1. Failure to maintain accurate contact information; 2. Failure to meet the school readiness eligibility requirements as specified in s. 1002.87(1), F.S.; 3. The parent does not respond to the notification for available funding by the due date; 7. The family no longer resides in the coalition's service delivery area; or 8. Funding becomes available for the child to receive school readiness services and the child is enrolled with a school readiness provider. Actual eligibility determination will be conducted prior to authorization for enrollment, which will be based on available funding. Enrollment in the school readiness program will be on a first-come, first-serve basis pursuant to s. 1002.87(1), F.S.
6.	<p>The policy and procedures establish a process for reapplication to the waiting list.</p> <p>If a family is removed from the waiting list, a parent must reapply for school readiness services and will be screened for eligibility according to subsection (3) to be placed back onto the waiting list and receive a new waiting list date.</p> <p>If a family on the waiting list of a coalition moves out of the coalition's service area, the family must reapply for eligibility services with the coalition operating in the family's new location. The family will receive a new waiting list date with the coalition offering services in the new location.</p>
