Section 1: Plan Choice

You understand that your one-time 2nd Election is irrevocable and that you must remain in the plan you chose on page 1 until your FRS-covered employment ends and you retire.

If you selected Option 1 (Page 1): You understand that the FRS Pension Plan is a defined benefit plan, which will provide you with benefit payments at retirement if you meet certain criteria. As of the most recent actuarial valuation date, the FRS actuarial liability exceeded the actuarial value of its assets yielding an unfunded actuarial liability. This liability may increase or decrease in the future. The Legislature may increase or decrease the amount that you and your employer contribute to this plan to keep it actuarially funded. You have elected to switch to the Pension Plan and understand there may be a buy-in cost to make this plan change. You can find out the buy-in cost by calling the MyFRS Financial Guidance Line, Option 3, to connect to the Division of Retirement. You understand you may be required to pay an additional amount if the buy-in cost is greater than your current FRS Investment Plan account balance. You authorize the Investment Plan Administrator to use any funds in your FRS Investment Plan account to activate your 2nd Election to switch to the Pension Plan. These funds may include prior-career benefits and rollover money in your account. You understand you have the ability to move your Investment Plan account balance into conservative investment options within the FRS Investment Plan in order to potentially reduce the volatility of your account balance prior to liquidation and movement to the FRS Pension Plan.

If you selected Option 2 (Page 1): You understand and acknowledge the following: You have elected to switch to the Investment Plan and that any accrued value you may have in the FRS Pension Plan will be transferred to the Investment Plan as your opening account and any Pension Plan accrued value transferred to your account will be subject to the vesting requirement of the FRS Pension. You can find out the accrued value of your FRS Pension Plan account by calling the MyFRS Financial Guidance Line, Option 3, to connect to the Division of Retirement. The initial transfer amount is an estimate and your account will be reconciled within 60 days of that transfer pursuant to Florida law using your actual FRS membership record. The reconciled amount could be more or less than the estimate you receive and your account will be adjusted accordingly. You direct all future employer contributions be deposited in my FRS Investment Plan account.

If you selected Option 3 (Page 1): You understand and acknowledge that you have elected to switch retirement plans to the FRS Hybrid Option and that the accrued value of your current FRS Pension Plan benefit will remain in your FRS Pension Plan account. You understand that an FRS Investment Plan account will be established to receive all future employer contributions.

If you selected Option 2 or 3 (Page 1): You understand and acknowledge that your Plan assets be invested in the FRS Select Moderate Balanced Fund as provided under Plan provisions, that other investment funds are available to you, and that you can change your fund allocations at any time after your account is activated by logging onto MyFRS.com or by calling the toll-free MyFRS Financial Guidance Line, Option 4. You understand that your account will be available at the end of your effective date month you should review the Fund Profiles, the Investment Fund Summary and the Annual Fee Disclosure at MyFRS.com before selecting any investment funds or submitting this form. You understand that the FRS Investment Plan is not designed to facilitate short-term excessive fund trading. Foreign and global investment funds are subject to a minimum holding period of 7 calendar days following any non-exempt transfers into such funds and you may be subject to trading controls on other funds in the event that you trade excessively. You understand that investment management fees will be deducted from your FRS Investment Plan account, that these fees may change in the future and that funds may be added or terminated. You understand that if any of the funds you select in the FRS Investment Plan are terminated in the future, you will be able to move your assets into other investment funds prior to termination. If you do not move your assets in the terminated fund(s), they will automatically be moved into a replacement fund designated at that time. You understand that if you terminate FRS-covered employment and you are vested in your account balance, you may be subject to a mandatory payout of your account if the balance is \$1,000 or less or an account maintenance fee of \$6 per quarter if your account balance is more than \$1,000.

You understand that Sections 121.4501(8)(b)2 and 121.4501(15)(b) of Florida law incorporate the federal law concept of participant control, established by regulations of the U.S. Department of Labor under Section 404(c) of the Employee Retirement Income Security Act of 1974. If you exercise control over the assets in your Investment Plan account, pursuant to Section 404(c) regulations and all applicable laws governing the operation of the Investment Plan, no program fiduciary shall be liable for any loss to your account which results from your exercise of control.
