## SECTION 2: FRS INVESTMENT PLAN FUND SELECTIONS

(Complete this section only if you selected Option 2 or 3 in Section 1.)

You have 19 investment options to choose from on the next page. Please use the free MyFRS Financial Guidance Program resources to help you understand your investment fund choices. You can change your investment fund selections after your account is activated by calling the MyFRS Financial Guidance Line, Option 4 or logging onto MyFRS.com. Transfer restrictions may apply.

### How to enter your investment fund selection:

- Write the percentage you wish to allocate to each investment option. Use whole percentages only.
- Choose your investment funds from the Balanced Funds, the Other Investment Funds OR from a combination of the two.
- The total of all your selections must equal 100%.

**BALANCED FUNDS** If you are unsure about which investment funds to choose, you may want to consider balanced funds. Balanced funds are designed to provide you with a lower-fee investment alternative comprised of multiple asset classes to diversify and control risk. You can choose from three different risk levels. Each fund is designed to keep its overall level of risk relatively steady over time. You will default into the FRS Select Moderate Balanced Fund if you do not select any investment funds. NOTE: The asset mix in these funds is subject to change.

<b>OTHER INVESTMENT FUNDS</b> If you prefer to create your own customized portfolio, choose from the investment funds below. ### An Important Note About Fees:

Each investment fund charges an annual fee based on a percentage of the balance invested in that fund. Fees will vary by fund and are automatically deducted from your account. These are the only fees you will pay as an active member of the FRS Investment Plan. To make it easier for you to compare fees, the dollar amount listed (in ***bold italics***) next to the name of each FRS Investment Plan fund is the first-year annual fee for a \$1,000 account balance. **Note:** The fees listed on this form may have changed since the form was printed. For the latest fee and fund information, visit MyFRS.com.

Fees reduce your retirement benefit. Over 30 years, an annual fee of 0.50% on a fund (\$5 per \$1,000 account balance) will reduce your final account balance by approximately 15%. For more information about each FRS Investment Plan fund, please review the fund profiles and the Investment Fund Summary available at MyFRS.com or call the MyFRS Financial Guidance Line to speak with an unbiased financial planner.

**SECTION 3: SMSOAP FUND SELECTIONS** (Complete this section only if you selected Option 4 in Section 1.)

**SMSOAP RESOURCES.** Please designate the company(ies) in which you wish to participate, with the portion of the contribution you wish to designate to each. You should also indicate any employee after tax contributions you wish to make to each fund. Be sure to contact the marketing companies for the SMSOAP investment funds to get your questions answered.

**How to enter your investment fund selection:** Write the percentage you wish to allocate to each investment option for employer/mandatory employee contributions and any after-tax contributions you will make. Use whole percentages only. The total of all your selections must equal 100%.

Marketing Company	Employer Contributions – 6.27% plus 3% Mandatory Employee Contributions (Must equal 9.27% of your salary)	Your Voluntary Contributions (Not to exceed 6.27% of your salary)
ING	_____ %	_____ %
Great-West Life and Annuity Insurance Co	_____ %	_____ %
<b>TOTAL</b>	<b>9.27%</b>	_____ %

I have reviewed the investment fund options offered by the above marketing companies and have signed the necessary contract(s) with the company(ies) for the deposit of your contributions as noted above.

**SECTION 4: BENEFICIARY DESIGNATION**

If I chose Option 1, 2 or 3, I understand that I can designate a beneficiary at any time. If I do not designate a beneficiary, my benefits (if any) will be distributed in the event of my death in accordance with s. 121.091(8) or s. 121.4501(20), Florida Statutes, as applicable. I can designate a beneficiary by completing a Beneficiary Designation Form (BEN-001 Pension Plan or IPBEN-1 Investment Plan). Both forms are available online at MyFRS.com or by calling the MyFRS Financial Guidance Line. If I chose Option 4, in order to designate a beneficiary for the SMSOAP, I understand that I must contact the providers for those plans.

**SECTION 5: AUTHORIZATION** (All participants MUST complete this section.)

**1. IMPORTANT INFORMATION:** Before signing this enrollment form, be sure to read the following information.

If you elected Options 1, 2, or 3 in Section 1, you understand that you have a one-time future opportunity, called the 2<sup>nd</sup> Election, to switch to the other FRS retirement plan during your FRS career, and that there may be a cost for doing so. You understand that you **cannot** file a 2<sup>nd</sup> Election using this form. You understand you can find a description of your rights and responsibilities under the FRS Pension Plan and the FRS Investment Plan in the respective Summary Plan Descriptions, Florida Statutes, Administrative Rules, and by calling the MyFRS Financial Guidance Line, Option 2, or visiting MyFRS.com.

**If you selected Option 1 in Section 1 (Elected the Pension Plan):** You understand that the FRS Pension Plan is a defined benefit plan, which will provide you with benefit payments at retirement if you meet certain criteria. As of the most recent actuarial valuation date, the FRS actuarial liability exceeded the actuarial value of its assets yielding an unfunded actuarial liability. This liability may increase or decrease in the future. The Legislature may increase or decrease the amount that you and your employer contribute to this plan to keep it actuarially funded.

**If you selected Option 2 in Section 1 (Elected the Investment Plan):** You understand and acknowledge the following: Any accrued value you may have in the FRS Pension Plan will be transferred to your FRS Investment Plan account as your opening balance and is subject to the vesting requirement of the FRS Pension Plan. You can find out the accrued value in your FRS Pension Plan account by calling the MyFRS Financial Guidance Line, Option 3, to connect to the Division of Retirement. The initial transfer amount is an estimate and your account will be reconciled within 60 days of that transfer using your actual FRS membership record pursuant to Florida law and the reconciled amount could be more or less than the estimated amount of the transfer and that your account will be adjusted accordingly. You direct all future employer contributions be deposited in your FRS Investment Plan account.

**If you selected Option 2 or 3 in Section 1 (Elected the FRS Investment Plan or FRS Hybrid Option):** You acknowledge and understand that you reviewed the Fund Profiles, the Investment Fund Summary, and the Annual Fee Disclosure Statement in the "Investment Funds" section at MyFRS.com before selecting any investment funds or submitting this form. You can change your fund allocations at any time after your account is activated by logging onto MyFRS.com or calling the

toll-free MyFRS Financial Guidance Line, Option 4. Your account will be available by the end of the effective month of this election. If you didn't choose specific investment funds, you are directing that your assets be invested in the FRS Select Moderate Balanced Fund. The FRS Investment Plan is not designed to facilitate short-term excessive fund trading. Foreign and global investment funds are subject to a minimum holding period of 7 calendar days following any non-exempt transfers into such funds, and you may be subject to trading controls on other funds in the event that you trade excessively.

You also acknowledge and understand that investment management fees will be deducted from your FRS Investment Plan account and that these fees may change in the future and that funds may be added or terminated. If any of the funds you select in the FRS Investment Plan are terminated in the future, you will be able to move your assets into other investment funds prior to termination. Otherwise, your assets in the terminated fund(s) will automatically be moved into a replacement fund designated at that time. If you terminate employment and are vested in your account balance, you may be subject to a mandatory payout of your account if the balance is \$1,000 or less, or an account maintenance fee of \$6 per quarter if your account balance is more than \$1,000.

You understand that Sections 121.4501(8)(b)2 and 121.4501(15)(b) of Florida law incorporate the federal law concept of participant control, established by regulations of the U.S. Department of Labor under Section 404(c) of the Employee Retirement Income Security Act of 1974. If you exercise control over the assets in your Investment Plan account, pursuant to Section 404(c) regulations and all applicable laws governing the operation of the Investment Plan, no program fiduciary shall be liable for any loss to your account which results from your exercise of control.

You understand that the FRS Investment Plan is a defined contribution plan in which the Florida Legislature can increase or decrease the amount that you and your employer contribute to your account.

***If you selected Option 4 in Section 1 (Elected the SMSOAP):*** You understand you elected the SMSOAP and you must execute a contract with a SMSOAP provider during your first 90 days of employment or you will default into the FRS Pension Plan. You also understand that your membership in any other state-administered retirement plan will terminate on the effective date of your enrollment in the SMSOAP. You understand, as a member of the SMSOAP, you are not eligible for disability retirement benefits under any FRS-administered retirement plan. You understand the State of Florida does not guarantee nor insure the benefits paid under this program. You understand that your payroll-deducted contributions are pretax and that it is mandatory to contribute 3% of your salary to the Plan. The 3% mandatory contributions will be sent to the same provider company as receives the employer contributions. You have the option to make additional post-tax contributions of up to 6.27% of your eligible compensation.
