

MEMORANDUM OF AGREEMENT

(ONE COPY ADOPTIVE PARENTS – ONE COPY ADOPTION PLACEMENT RECORD)

We, the undersigned, after careful consideration, agree to receive into our family on _____ a child to be named _____ and agree to assume the full responsibility for the care, including ordinary medical care, the support and education of this child.

We understand that this placement is made with the expectation of legal adoption after a period of agency supervision, if at that time we and the agency mutually agree that this placement is in the best interests of the child and family. It is further understood that the placement of this child may be terminated as authorized under Chapter 39 prior to the legal adoption.

We understand and acknowledge the department's commitment to maintaining siblings together in the same home when possible. We understand that if it is determined to be in the best interest of the siblings to be separated, post-adoption communication and contact between the siblings will be established, if appropriate.
