APPLICATION FOR DESIGNATION AS AN EQUINE INFECTIOUS ANEMIA APPROVED QUARANTINE PREMISES

- 3. That only EIA reactor Equines are confined on the premise.
- 4. That the EIA reactor Equines will not be moved from the premise unless approved and permitted on a VS Form 1-27 (Dec 2020) by a Department representative
- 5. That the deaths of EIA reactor Equines are reported immediately to a Department representative and that such dead horses are disposed of immediately by burial, burning or rendering.

C. Identification of EIA Reactors

- 1. That the EIA reactor Equine will be permanently identified by freeze branding on the left side of the neck as prescribed in 5C-18.006(2).
- 2. That the EIA reactor Equines may be re-branded as needed to ensure a visible EIA reactor brand is visible at all times.

I understand that moving an equine under EIA quarantine from the premises without authorization by the Department is a violation of Section 585.40, Florida Statutes and that such action will result in immediate revocation of the quarantine status of my facility.
