The National Child Protection Act of 1993, as amended, and Section 943.0542, Florida Statutes allows for the creation of the VECHS program. Through this program, FDLE and the Federal Bureau of Investigation (FBI) provide state and national criminal history record information on applicants, employees, and volunteers to qualified organizations in Florida. With this criminal history information, the organizations can more effectively screen out current and prospective volunteers and employees who are not suitable for contact with children, the elderly, or the disabled.

To be qualified to participate in the VECHS program, an organization (public, private, profit, or non-profit) must provide "care" or "care placement services" to children, the elderly, or the disabled.

It is your responsibility to determine if your entity is otherwise statutorily required to complete criminal history record checks on current or prospective employees, volunteers, contractors or vendors. Please verify your statutory requirements for record checks with one of the above agencies or Florida Statutes before submitting your application. If you have contacted these agencies and still have questions regarding eligibility, please contact the FDLE VECHS Program at (850) 410-8161 or at [FDLEVECHS@fdle.state.fl.us](mailto:FDLEVECHS@fdle.state.fl.us).

Approved qualified entities must first complete and submit a Civil Workflow Control System (CWCS) Registration Form to FDLE for processing. Once your CWCS Registration Form has been received and approved by FDLE, you will receive an email confirmation stating your entity is authorized to submit fingerprints electronically. Livescan devices allow for the electronic submission of fingerprints and descriptive data to FDLE for processing. A list of approved service providers and Livescan vendors can be found on FDLE's website.

Please submit your completed application and the CWCS Registration Form to FDLE using the information below. Applications may be submitted by regular mail, e-mail, or fax.
