#### As a member, I understand that:

Identifiers listed below may be used by those who comply with the law as provided by Chapter 571, Florida Statutes as follows:

1) The "Fresh From Florida" Identifier is eligible for use on items that are unprocessed Florida agricultural products. In addition, Florida agricultural products in the following categories must meet the specified criteria in order to use the "Fresh From Florida" Identifier.

(a) Meats/Proteins: the agricultural product must be derived from animals born, raised and finished in Florida. Slaughter and processing must take place in a USDA inspected facility in Florida or within 21 days of exiting the state of Florida en route directly to a USDA inspected slaughter facility, and must comply with USDA labeling guidelines.

(b) Agritourism activities: The "Fresh From Florida" Identifier is eligible to be used in the promotion of agritourism activities within the state of Florida.

(c) Seafood: The "Fresh From Florida" Identifier is eligible for use on all Florida seafood products or in the promotion of such products. Seafood products must be landed, grown or harvested in Florida and shall not have been combined with a non-Florida agricultural product.

Members using the "Fresh From Florida" Identifier on products, please indicate below where product(s) are grown/sourced:

2) The "Made With Fresh From Florida" Identifier is eligible for use on items that contain Florida agricultural products that have been processed or combined with other products resulting in the creation of a new product.

Members using the "Made With Fresh From Florida" Identifier on products, please complete the following:

List of product ingredients:

Florida featured commodity (identified on the label):

Where product is grown/sourced:

3) The "From Florida USA" Identifier is eligible for use on Florida agricultural products which meet the criteria established in Rule 5H-17.003(2) or (3), F.A.C., and are exported to other countries.

4) The "FFF Proud Supporter" Identifier is eligible for use on products which meet the criteria established in Rule 5H-17.003 (2), (3), or (4), and may also be displayed on business vehicles, websites, signage at business locations, and in advertising to identify Allied Organization members.

Identifiers shall not be used on product packaging, promotional advertisements, websites, banners, or business signage, that are profane, vulgar, racist, hateful, or that meet the definition of obscene as set forth in Section 847.001(10) F.

The Identifiers are eligible for use only as gum labels attached to the product or product containers, printed on containers, incorporated in private product packaging, stamped directly on the products, printed on ribbons or bands attached, printed on shipping containers, displayed on business vehicles, websites, banners and signage at business locations or used on menus and in print/digital media or promotional advertising

Reproduction of the Identifiers shall be made only from the artwork supplied by the department.

Any Florida agricultural product which meets the criteria established in Rule 5H-17.003, F.A.C., is eligible for inclusion within the Campaign.
