- B. The Respondent is voluntarily unemployed and is capable of earning the imputed net monthly income based upon his or her recent work history, occupational qualifications and prevailing earnings level in the community.
- C. There is a lack of sufficient, reliable information concerning the Respondent's actual earnings; therefore an earning capacity equal to full time employment at federal minimum wage is presumed for the purpose of establishing the support obligation.

**Option 14.2 User selects additional findings related to income used for support guidelines for the parent due support. Select only when parent due support/other parent (13.2) income is imputed.**

- A. The Petitioning/other parent is voluntarily underemployed and is capable of earning the imputed net monthly income based upon his or her recent work history, occupational qualifications and prevailing earnings level in the community.

- G. Special needs that have been met traditionally within the family budget even though the fulfilling of those needs will cause support to exceed the guideline amount as explained in the Additional Findings of Fact and Conclusions of Law.
- H. Total available assets of mother, father, and child(ren) as explained in the Additional Findings of Fact and Conclusions of Law.

- I. Application of the child support guidelines requires the Respondent to pay more than 55 percent of gross income for a single support order as explained in the Additional Findings of Fact and Conclusions of Law.
