- B. The Respondent is voluntarily unemployed and is capable of earning the imputed net monthly income based upon his or her recent work history, occupational qualifications and prevailing earnings level in the community.
- C. There is a lack of sufficient, reliable information concerning the Respondent's actual earnings; therefore an earning capacity equal to full time employment at federal minimum wage is presumed for the purpose of establishing the support obligation.

OPTION 15 (Based on guideline information)

DOR is deviating from the guideline amount, which would be inappropriate for the following reason(s):

[Note: User selects applicable deviation reason(s). System will enumerate alphabetically as a., b., c., etc.] When options 15A – L are selected, option 20 must also be selected and the user must provide free text explanation.

- B.** The child(ren) spends a significant amount of time with the Respondent due to a particular parenting plan, a court-ordered time-sharing schedule, or a time-sharing arrangement exercised by agreement of the parties as explained in the Additional Findings of Fact and Conclusions of Law.

- F.** Age(s) of the child(ren), taking into consideration the greater needs of older child(ren) as explained in the Additional Findings of Fact and Conclusions of Law.
- G.** Special needs that have been met traditionally within the family budget even though the fulfilling of those needs will cause support to exceed the guideline amount as explained in the Additional Findings of Fact and Conclusions of Law.
- H.** Total available assets of mother, father, and child(ren) as explained in the Additional Findings of Fact and Conclusions of Law.
- I.** Application of the child support guidelines requires the Respondent to pay more than 55 percent of gross income for a single support order as explained in the Additional Findings of Fact and Conclusions of Law.
- J.** Independent income of the child(ren), excluding the child(ren)'s SSI income as explained in the Additional Findings of Fact and Conclusions of Law.
- K.** Impact of IRS dependency exemption and waiver of that exemption as explained in the Additional Findings of Fact and Conclusions of Law.

- M.** The Respondent is entitled to a \$<<Allowable Deduction>> deduction from gross income for the Respondent's child(ren) who resides in his/her household.
