-----  
*(If Rescheduled due to Alternates use this)* Application No. \_\_\_\_\_ for certification to authorize location of a natural gas pipeline corridor, construction, operation and maintenance of a \_\_\_\_ (length in miles) natural gas pipeline(s) commonly referred to as \_\_\_\_\_ is pending before the Division of Administrative Hearings, Case No. \_\_\_\_\_.

The Department of Environmental Protection and the applicant have accepted an alternate corridor for consideration as an alternative to the corridor proposed by the applicant [name of applicant] in its application [name of application].

This acceptance does not necessarily indicate that the Department or the applicant support certification of the alternate corridor in lieu of the corridor proposed by the applicant in its application.

The certification hearing is now scheduled to be held on \_\_\_\_\_ located at \_\_\_\_\_.

-----  
*(For either originally scheduled or rescheduled hearing due to alternate, this paragraph must be included in notice)*

The purpose of this hearing is to take written or oral testimony on the effects of the proposed natural gas pipeline and to determine whether the application should be approved in whole, approved with modifications and conditions, or denied.
