## **INSTRUCTIONS FOR COMPLETING FORM CJSTC-75**

Use this form to document and verify the applicant's compliance with the employment requirements of Section 943.13, F.S., and Rule 11B-27.002(1)(d), F.A.C., and/or with the Basic Recruit Training Program entrance requirements of Rule 11B-35.001(14)(b), F.A.C.

## **GENERAL INSTRUCTIONS**

- The physical examination must be performed by a physician licensed under Chapters 458 or 459, F.S., a certified advanced registered nurse practitioner, or a physician assistant.
- This form or an equivalent form, indicating that the officer is capable of performing the essential functions of the law enforcement, correctional, or correctional probation officer duties for which the applicant is seeking employment, is required for each new employment or appointment of an officer and may shall be used in conjunction with the Patient Information form CJSTC-75A or an equivalent form, to assist the physician, certified advanced registered nurse practitioner, or physician assistant, by providing testing guidelines to examine the applicant. The physical examination shall not be completed more than one year prior to the officer's date of employment or appointment and a CJSTC-75 form completed for one employing agency may not be used by any other employing agency. If the examination is for employment only, sections 6 10 are not required.
- This form, indicating that an applicant is capable of participating in a Basic Recruit Training Program (BRTP), is required if the applicant is entering a BRTP and must be completed prior to entrance into a BRTP. The completed form must be maintained in the BRTP course file.
- If an applicant is entering a Basic Recruit Training Program and gaining employment with a criminal justice agency at the same time, a single CJSTC-75 form may be completed for the employing agency and for the training center. The original CJSTC-75 form should reside at the employing agency with a copy being provided to the training center.

## INSTRUCTIONS ON HOW TO COMPLETE THIS FORM

- 1. Applicant's Name: Enter the applicant's full legal name.
- 2. Last Four Digits of the Social Security Number: Enter the last four digits of the applicant's social security number.
- 3. Hiring Agency: Enter the hiring agency's name (if applicable).
- 4. Training Center: Enter the training center's name (if applicable).
- 5. Request for Employment and/or Training as an officer: Place a check mark in the box for the discipline in which the applicant is being employed or completing training.
- 6. Student Participation in Basic Recruit Training Program Activities. Defensive Tactics (includes chemical agent contamination), Firearms, and Physical Fitness Conditioning and Physical Fitness Testing: High-liability training in defensive tactics, firearms, and chemical agent contamination is a component of the curriculum mandated by the Criminal Justice Standards and Training Commission and participation in the activities is a requirement for successfully completing a BRTP. There is no pass or fail at this time. The test results for each of the five required tests will be recorded on the Academy Physical Fitness Standards Report, form CJSTC-67A as "I" if the student did not perform the test component or "D" if the student was dismissed from the basic recruit training program.
  - A. Defensive Tactics and Firearms Training. Firearms training requires firing a handgun and long gun creating exposure to lead. Defensive tactics training requires sustained physical exertion and chemical agent contamination to the chemicals oleo-resin capsicum (OC) and/or orthochlorobenzalmalononitrile (CS).
  - B. Physical Fitness Conditioning and Physical Fitness Testing. The Physical Fitness Test includes the following measures and are defined as follows:
    - *Vertical Jump.* This measures leg power by measuring how high a person jumps.
    - One Minute Sit Ups. This measures abdominal, or trunk, muscular endurance. While lying on his or her back, the student will be given one minute to do as many bent-leg sit ups as possible.
    - 300 Meter Run. This measures anaerobic power, or the ability to make an intense burst of effort for a short time period or distance. This component consists of sprinting 300 meters as fast as possible.
    - *Maximum Push Ups.* This measures the muscular endurance of the upper body. This component consists of doing as many push-ups as possible until muscular failure. Males are required to perform the standard push-up and females have the option to perform the standard or modified push-up.
    - 1.5 Mile Run/Walk. This measures aerobic power or cardiovascular endurance (stamina over time). To complete this component, the student runs or walks a distance of 1.5 miles as fast as possible.
  - C. A physical fitness conditioning program developed by the training school shall be attached to form CJSTC-75 prior to the student's examination by a physician, certified advanced registered nurse practitioner, or the physician assistant.
- 7. Medical Conditions Regarding Chemical Agent Contamination. The student shall review the listed medical conditions and list other conditions that may restrict him or her from participating in Chemical Agent Contamination to the chemicals oleo-resin capsicum (OC) and/or orthochlorobenzalmalononitrile (CS).
- 8. Basic Recruit Training Program Activities Certification. The student shall check the appropriate box to indicate if he or she does or does not have a medical condition that would restrict participation in the BRTP activities indicated in item numbers 6A and 6B of this form.

- 9. Student's Printed Name. The student shall print his or her first name, last name, and middle initial.
- 10. Student's Signature and Date. The student shall provide a signature and date to verify the information provided by the student is true and correct.
- 11. Examining Physician: The examining physician shall examine the applicant for any medical or physiological reasons that would prevent the applicant from entry into a BRTP or as an officer for employment purposes, pursuant to the attached job duties and/or physical conditioning program.
- 12. Physician's Attestation: The physician, certified advanced registered nurse practitioner, or physician assistant shall mark the appropriate box attesting that the applicant is capable or not capable of participating in basic recruit training and/or performing the essential functions of the law enforcement, correctional, or correctional probation officer discipline for which the officer/applicant is seeking training and/or employment.
- 13. Pre-existing Conditions: The physician, certified advanced registered nurse practitioner, or physician assistant shall mark the appropriate box for each preexisting condition attesting that the examination of the applicant **Did or Did Not** reveal evidence of the pre-existing conditions listed. These outcomes are not disqualifying for employment.
- 14. Signature: The physician, certified advanced registered nurse, or physician assistant shall sign and print his or her name and enter the examination date.
- 15. License Number: Enter the physician, certified advanced registered nurse practitioner, or physician assistant's license number and licensing state.
- 16. Professional Address: Enter the physician, certified advanced registered nurse, or physician assistant's professional address.
