**6A-1.09401 Student Performance Standards.**

(1) Student Performance Standards in Florida are defined as state academic standards and establish the core content of the curricula to be taught and specify the core content knowledge and skills that K-12 public school students are expected to acquire. The state academic standards are rigorous and reflect the knowledge and skills students need for success in college and careers. The standards and benchmarks describe what students should know and be able to do at grade level progression for kindergarten to grade 8 and in grade bands for grade levels 9-12. The access points contained in the state academic standards provide access to the general education standards for students with the most significant cognitive disabilities. These standards, benchmarks, and access points are contained in the following publications which are hereby incorporated by reference and made a part of this rule.

RULE NO.: 6A-14.0061 RULE TITLE: Campus, Center, Special Purpose Center and Instructional Site Designations

PURPOSE AND EFFECT: The rule outlines the process the Florida Department of Education and the Florida College System follows regarding campus site designations. The amendment to the rule will provide needed clarity and address outdated language. Other changes may be considered for purposes of clarity and consistency.

SUMMARY: Rule language addresses the approval process for Florida College System site designations.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within

one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule is not expected to have any adverse impact on economic growth, business competitiveness or any other factors listed in s. 120.541(2)(a), F.S., and will not require legislative ratification. No increase in regulatory costs is anticipated as a result of this rule. This is based upon the nature of the proposed rule.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**6A-14.0061 Campus, Center, Special Purpose Center and Instructional Site Designations.**

The Division of Florida Colleges shall receive proposals from local boards of trustees to establish campuses, centers, and special purpose centers, and shall recommend for or against the establishment of the requested site to the State Board of Education. The State Board of Education shall approve or disapprove the proposal for a new site. For purposes of this rule, “college” has the same meaning as “Florida College System institution” as defined in section 1000.21(5), Florida Statutes. The following shall apply:

(1) A campus is an instructional and administrative unit of a ~~community~~ college, consisting of college owned facilities and staffed primary by full-time personnel. It houses a full range of instructional services and of institutional, instructional, and student support services. Facilities and other resources are sufficient to accommodate at least one thousand (1,000) full-time equivalent students, and the site is in compliance with the criteria established in Rule 6A-2.0010, F.A.C.

(2) No change.

(3) A special purpose center is a unit or a portion of a site of a ~~community~~ college consisting of college property, owned facilities or unowned facilities leased for more than one year that provides a limited number of special, clearly defined programs or services, such as, but not limited to, instruction or administration, and is in compliance with Rule 6A-2.0010, F.A.C.

(4) An instructional site is an instructional unit of a ~~community~~ college that offers students a very limited range of instructional programs or courses in unowned facilities leased for one year or less with no support services.

(5) Proposals to establish campuses or centers shall document the following conditions:

(a) The proposed expansion is part of and consistent with the master plan of the ~~community~~ college.

(b) Expanded or new instructional services and support services are necessary to adequately serve the ~~community~~ college district.

(c) No change.

(d) Facilities at existing campuses, as identified in the master plan of the ~~community~~ college, are substantially complete.

(e) Enrollment projections in the master plan of the ~~community~~ college are for at least one thousand (1,000) full-time equivalent students for a proposed campus or at least four hundred (400) for a proposed center. A proposed center to provide central administrative services for a ~~community~~ college shall be exempt from this enrollment condition.

(f) The proposed expansion is in conjunction with other educational agencies within the ~~community~~ college district and adjacent to the district.

(g) No change.

(6) Proposals to establish a special purpose center shall document the following:

(a) The proposed expansion is part of and consistent with the master plan of the ~~community~~ college.

(b) The proposed services are necessary to adequately serve the ~~community~~ college district.

(c) through (d) No change.

(e) Proposed expansion is in conjunction with the other educational agencies with the ~~community~~ college district.

(f) No change.

(7) No change.

(8) Regardless of funding source or size of the site, when a college plans construction, remodeling, or renovation on a new site the college must submit a request for review and approval of the site designation in accordance with the process prescribed in this rule. The college must also submit a request for review and approval of the site designation if the planned construction, remodeling, or renovation will cause a currently approved site

designation to change such that the site, or a portion of the site, falls under a definition outlined in subsections (1)-(4) that is different from the definition under which the site designation was originally reviewed and approved.

(9) The Division of Florida Community Colleges may use the services of the Office of Educational Facilities and of others to evaluate proposals and develop recommendations.

## Notice of Changes, Corrections and Withdrawals

#### DEPARTMENT OF EDUCATION

##### State Board of Education

RULE NO.: 6A-10.0240  
RULE TITLE: Minimum Standards for Out-of-state High School Equivalency Diplomas  
NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 52 No. 74, April 16, 2026 issue of the Florida Administrative Register.

In response to public comment, the rule is amended as follows:

#### **6A-10.0240 Minimum Standards for Admission to Florida College System Institutions.**

In accordance with s. 1001.64 F.S., each Florida College System institution board of trustees is authorized to govern admission of students pursuant to s. 1007.263, F.S., and the rules of the State Board of Education. In carrying out its duty to govern admission of students, any rules, procedures, or policies adopted by a Florida College System institution board of trustees, pursuant to s. 1001.64, F.S., must maintain the institution’s purpose and mission under s. 1004.65, F.S., and meet the minimum standards of this rule.

(1) General Admissions Criteria and Minimum Standards Applicable to All Programs.

(a) Each board of trustees must adopt policies that:

1. Ensure that all students admitted to the Florida College System institution are citizens of the United States or lawfully present in the United States. This policy must include a procedure for requiring applicants to provide an attestation clear and convincing documentation that he or she is a citizen of the United States or lawfully present in the United States prior to being granted admission to the institution and to provide. ~~For documentation of such citizenship or lawful presence prior to enrolling in the institution to be clear and convincing it must be credible, precise, and compelling enough to demonstrate to the institution that the applicant is a citizen of the United States or lawfully present in the United States.~~

2. through 5. No change.

(b) No change.

(2) Admissions Criteria for Associate Degree Programs. Admission to associate degree programs includes documentation of (a) and (b) as follows:

(a) A standard high school diploma or one of the following:

1. No change.

2. A high school equivalency diploma issued by another state which is recognized as equivalent based on an assessment recognized by the United States Department of Education. To be acceptable, such diploma must have been issued based on a student achieving a passing score on the High School Equivalency Test (HiSET), the Test Assessing Secondary Completion (TASC), the California High School Proficiency Exam, or based on a student achieving a combination of passing scores on HiSET, TASC, or GED® subtests.

3. through 5. No change.

(b) A demonstrated level of readiness to perform achievement of college-level communication and computation skills in accordance with Rule 6A-10.0315, F.A.C.

(3) Admissions Criteria for Career Certificate Programs as Defined in s. 1004.02(20), F.S.

(a) A student who has not earned a high school diploma, including students who have earned the required 24 credits under s. 1003.4282, F.S., or the required 18 credits under s. 1002.3105(5), F.S., for the standard high school diploma, except for passage of any must-pass assessment under s. 1003.4282 or s. 1008.22, F.S., or an alternate assessment by the end of grade 12, is eligible to enroll in a career certificate program.

(b) No change.

(4) Admissions Criteria for Baccalaureate Degree Programs as Defined in s. 1007.33, F.S. To ~~In order to~~ ensure that colleges are maintaining an open-door admissions policy for associate degrees as part of their primary mission, all students, including native associate degree graduates, are required to apply for baccalaureate admission through a separate admissions process in order to be admitted into an upper division program at FCS institutions.

(5) No change.

(6) Participation in community services, recreation, leisure programs, and continuing education programs for which participation does not result in credit or articulated credit, and which do not train for a specific occupation, does not constitute admission for purposes of this rule.

(7) Florida College System policies and procedures concerning the admission process, including the process for admission decision notification and the appeal process for an admission decision, must be posted on the institution’s website and in the institution’s catalog. Florida College System institutions must post admission criteria and requirements for all programs, including additional criteria or prerequisites beyond admission to the college, on their website and in the college catalog.

**62B-33.0155 General Permit Conditions.**

(1) The following general permit conditions shall apply, unless waived by the Department or modified by the permit:

(a) through (n) No change.

(o) The permit has been issued to a specified property owner and is not valid for any other person unless formally transferred. An applicant requesting transfer of the permit shall sign the permit transfer agreement form, agreeing to comply with all terms and conditions of the permit, and return it to the Department. The transfer request shall be provided on the form entitled "Permit Transfer Agreement" – DEP Form 73-103 (7/2026) ~~effective date~~, which is hereby adopted and incorporated by reference, located at <http://flrules.org/Gateway/reference.asp?No=Ref-19560>. No work shall proceed under the permit until the new owner has received a copy of the transfer agreement approved by the Department. A copy of the transfer agreement shall be displayed on the construction site along with the permit. An expired permit shall not be transferred.

(p) No change.

(q) For permits involving habitable major structures, all construction on the permitted structure shall stop when the foundation pilings have been installed. At that time the foundation location form shall be submitted to and accepted by the Department prior to proceeding with further vertical

construction above the foundation. The form shall be signed by a professional surveyor, licensed pursuant to Chapter 472, F.S., and shall be based upon such surveys performed in accordance with Chapter 472, F.S., as are necessary to determine the actual configuration and dimensioned relationship of the installed pilings to the control line. The information shall be provided to the Department using the form entitled "Foundation Location Certification" – DEP Form 73-114B (7/2026) [effective date], which is hereby adopted and incorporated by reference, located at <http://flrules.org/Gateway/reference.asp?No=Ref-19561>. Phasing of foundation certifications is acceptable. The Department shall notify the permittee of approval or rejection of the form within seven (7) working days after staff receipt of the form. All survey information upon which the form is based shall be made available to the Department upon request. Permits for repairs or additions to existing structures with nonconforming foundations are exempt from this condition.

(r) For permits involving major structures and exterior lighting on major structures, the permittee shall provide the Department with a report by a registered professional within 30 days following completion of the work. For permits involving armoring or other rigid coastal structures, the permittee shall provide the Department with a report by an engineer licensed in the State of Florida within 30 days following completion of the work. The report shall state that all locations specified by the permit have been verified and that other construction and activities authorized by the permit, including exterior lighting, have been performed in compliance with the plans and project description approved as a part of the permit and all conditions of the permit; or shall describe any deviations from the approved plans, project description, or permit conditions, and any work not performed. Such report shall not relieve the permittee of the provisions of paragraph 62B-33.0155(1)(a), F.A.C. If none of the permitted work is performed, the permittee shall inform the Department in writing no later than 30 days following expiration of the permit. The report shall be provided on the form entitled "Final Certification" DEP Form 73-115B (7/2026) [effective date], which is hereby adopted and incorporated by reference, located at <http://flrules.org/Gateway/reference.asp?No=Ref-19562>.

**AGENCY FOR HEALTH CARE ADMINISTRATION**  
**Medicaid**

**State Plan Amendment**

The Agency for Health Care Administration is revising the effective date for public notice published December 31, 2025, in Vol. 51 No. 252 of the Florida Administrative Register regarding an amendment to the Children’s Health Insurance Program (CHIP) State Plan. Additionally, the Agency for Health Care Administration is revising the language of the public notice to reflect that in the 30 days prior to release, the state must provide screening, diagnostic, and case management services otherwise available under the CHIP State Plan to eligible juveniles.

This amendment to the CHIP State Plan will have an effective date July 1, 2025.

Interested parties may contact: Suzi Kemp, Bureau of Medicaid Policy, 2727 Mahan Drive, Mail Stop 20, Tallahassee, Florida 32308-5407; telephone: (850)412-3887; or e-mail: [Suzi.Kemp@ahca.myflorida.com](mailto:Suzi.Kemp@ahca.myflorida.com).

**DEPARTMENT OF ENVIRONMENTAL PROTECTION**  
**NOTICE OF RECEIPT OF APPLICATION FOR TRANSMISSION LINE CERTIFICATION**

On May 20, 2026, the Department of Environmental Protection (Department) received an application from Florida Power & Light (FPL) for certification of a transmission line corridor pursuant to the Florida Electric Transmission Line Siting Act (TLSA), section 403.52 et seq., Florida Statutes (F.S.), concerning the Andytown-Oasis 500/230 kilovolt (kV) Transmission Line project, Transmission Line Siting Application No. TA26-21, OGC Case No. 26-1490, DOAH Case No. 26-002609TL. The Department is coordinating the review of the application pursuant to the TLSA. The application seeks certification for the construction, operation, and maintenance of two new 500 kV and two new 230 kV transmission lines, connecting the existing Andytown Substation in Broward County to a new Oasis Substation in Miami-Dade County. The total length of the proposed transmission line corridor to be certified is 31.2 miles. A copy of the application for certification is available for review at the Siting Coordination Office, Department of Environmental Protection, 2600 Blair Stone Road, M.S. 3500, Tallahassee, Florida 32399-2400, (850)717-9000 or online at

<https://floridadep.gov/water/siting-coordination-office/content/fpl-andytown-oasis-500kv-transmission-line-project>. Pursuant to section 403.526, F.S., and Rule 62-17, Florida Administrative Code, statutory agency parties to the site certification proceeding will review the application and submit their reports and recommendations. A notice of hearing, setting out the date and location of the certification hearing, will be issued by the administrative law judge at a later date. Pursuant to section 403.527(2)(a), F.S., parties to the proceeding shall include the applicant, the Department of Environmental Protection, the Public Service Commission, the Department of Commerce, the Fish and Wildlife Conservation Commission, the Department of Transportation, the South Florida Water Management District, Miami-Dade County, Broward County, and the Town of Southwest Ranches. Any party listed in section 403.527(2)(a), F.S., other than the Department of Environmental Protection or the applicant, may waive its right to participate in the proceeding if it fails to file a notice of its intent to be a party on or before the 30th-day prior to the certification hearing. The following shall also be parties to the certification proceeding upon filing a notice of intent to be a party no later than 30 days before the certification hearing: any agency not listed in section 403.527(2)(a), F.S., as to matters within its jurisdiction; any domestic nonprofit corporation or association formed, in whole or in part to promote conservation of natural beauty; to protect the environment, personal health, or other biological values; to preserve historical sites; to promote consumer interests; to represent labor, commercial, or industrial groups; or to promote comprehensive planning or orderly development of the area in which the proposed transmission line or corridor is to be located. Any person, who is not a statutory party to the certification proceeding and whose substantial interest may be affected by the determination in this proceeding, may file a motion to intervene at least 30 days before the date of the certification hearing. Any agency whose properties or works may be affected shall become a party upon the request of the agency or any party to this proceeding. Failure to act within the time frame constitutes a waiver of the right to become a party. Motions to Intervene must be filed (received) with the Administrative Law Judge Francine M. Folkes, Division of Administrative Hearings, The Desoto Building, 1230 Apalachee Parkway, Tallahassee, Florida 32399-3060. Pursuant to section 403.527(6), F.S., if all parties to the proceeding stipulate that there are no disputed issues of fact or law to be raised at the certification proceeding, the certification hearing may be cancelled.
